## BREAK AND ENTER TO DIRECT LINE INSURANCE IN WARBURG CAUSING EXTENSIVE DAMAGE

Warburg, Alta. – On Nov. 28, 2021, shortly before 3 a.m., Breton and Thorsby RCMP received a report of a break and enter in progress to a bank on 50 Street in Warburg. Heavy duty equipment was used by suspects to ram the side of the building causing significant damage. Three suspects fled the scene making off with an undisclosed amount of Canadian currency in a dark dually style pick-up truck.

Breton and Thorsby RCMP attended the scene to find the building significantly damaged and, after searching the building and immediate surroundings, that the suspects had fled. The investigation then proceeded to a nearby business from which the front end loader was stolen. Suspects had forced entry into that building. RCMP Forensic Identification Section examined both scenes for evidence.

**SUSPECTS & STOLEN VEHICLE  
DESCRIPTION LATER IN THIS ISSUE!**

In a media release from president Gord Enders on November 29, he states "The building is currently not usable however, insurance and banking operations are currently operating remotely - all phone numbers and emails remain the same but fax is unavailable.

In person consultations for insurance and banking are available through Direct-Line Insurance's location in Calmar located at 4950 - 50th Avenue in Calmar, Alberta Registry Services are currently unavailable but Direct-Line anticipates this line of business being operational in the coming days

Direct-Line would like to thank the RCMP for their diligent work on tracking down the suspects."

- WPSS committee
- Next meeting Jan 17

**Warburg School Council** is a structured group of parents, the school principal, teachers, students and community members whose purpose is to advise the principal and the school board respecting matters relating to the school. It is a means for parents and community members to work together with the school to support and enhance student learning.

**Warburg Parent School Society** is a fundraising branch of the Warburg School Council and its primary directive is to raise funds to purchase items that benefit all students of the school. In the past, the Society has purchased a large laminator, the score clock in our high school gymnasium, STEAM (Science Technology Engineering Arts Math) items for individual classrooms and 60 pairs of snowshoes to name only a few. Their fundraising was instrumental in recently purchasing a large number of items to begin our coding and robotics program at the school. Current fundraising efforts will go in part towards the purchase of some much-needed outdoor playground equipment.

## Festive Flowers pick up!

Our final fundraiser of 2021 is coming to a close tomorrow as our Festive wreaths and poinsettias arrive from Growing Smiles. Thank you so much to Everyone who purchased some of these lovely plants. In doing so, you have helped us get closer to our goals. Your orders will be available for you to **pick up** at the school tomorrow Dec 2nd, between 2.30 and 4 pm. Please come to the main office foyer, remembering to wear your facemask. If you think you missed out, don't worry — **We will have some extra, while stocks last.** These will be available for purchase at the school during the pick up time. ## YOUNG WRITERS CONTEST CONGRATULATIONS WINNERS

### GRADE 6 CLASS DONATES CLOTHING AND BLANKETS TO THE HOPE MISSION AND JIREH CENTER

Ryland Anderson & Madison M  
Grade 6 Warburg School

Warburg school was collecting clothing to give to the Hope mission and Jireh center in Edmonton.

We started collecting clothes and blankets in the middle of October until the beginning of November

We did this because it was getting cold outside and a lot of people did not have the proper equipment for winter so that is why we decided as a grade 6 class to donate clothing to the Hope mission and Jireh center.

There was a place called the Emmanuel foundation and their building was burnt down and they were not collecting clothing at the moment so we decided to give the clothing to the Hope Mission and Jireh Center.

We sorted some of the clothing out and then we put them in bags then some people helped bring them out to Mrs. Parkyns car to drive to the Hope mission and Jireh Center.

November 8 Mrs. Parkyn dropped off 9 bags full of winter jackets for men, women and children including shoes to Hope Mission. On November 10 Mrs. Parkyn dropped off 9 more bags full of men's, women's and children's clothing to the Jireh Center. We got lots of donations from the school and some other people.

We started it as just a grade 6 thing but then we thought that it was a good idea that we would invite the whole school to help us donate more clothes to the Hope mission and Jireh center in Edmonton.

*"I thought it was good and I was really helpful to people"* - Madison

*"I thought it was a excellent organization and we helped the homeless and the helpless cope and shrink"* - Felix

*"I like it and pretty fun"* - Ryland Anderson

We really appreciate all the donations that the school helped us collect for our project. I'm sure that all the people that got the donations are very thankful for it.

### **GRADE SIX ORGANIZES A CLOTHING DRIVE.**

By: Mia Heisler & Reese Tollenaar

Grade six class organized a clothing drive for their school. We were donating clothing, blankets and winter clothing to help the poor and homeless. The place the grade 6s donated to was Hope Mission and the Jireh Centre. Grade 6's started this donation around the middle of October till the middle of November. We did this to help the homeless and poor to help them stay warm and not freeze during the winter.

Abby Harris, Mia Heisler, Reese Tollenaar, & Kane Berg went into the principal's office and talked to the principal and the principal said it was okay to do.

Grade six collected lots of clothing in their classroom and organized it in the school's pottery room. On Monday, November 8, 2021 Nadia Parkyn took half the clothes to Hope Mission and the other half on Wednesday, November 10, 2021 to the Jireh Center.

Abby Harris said *"I was very excited and eager to help people in need"*. Madison Macpherson said *"it was fun to do"*.

The clothing drive went on for about a week. In the end we think the grade 6 class did a great job collecting clothing for the Jireh centre and Hope Mission.

We hope all the clothes that were donated went to good use.

### **GRADE 6'S CLOTHING DONATION**

By: Annika Musser

The Grade 6 class started collecting clothes after they talked about how they wanted to help out people in need. They donated 9 bags of winter clothing to Hope Mission and 18 bags of women, men and children clothes to the Jirah Centre.

At Warburg school people started bringing in clothes and blankets from October 15 to November 5. Many people brought bags full of clothes to donate. Teachers and kids worked hard sorting all the clothes onto tables that ended up being covered full of clothes. Everyone was super excited to be helping people and were happy that people were going to have clothes and be warm for the coming winter.

Mrs. Parkin at Warburg School volunteered to take in all the bags which almost didn't fit in the car since there were so many. All of the bags made it to Hope Mission and Jirah Centre and the people who run the organizations were really happy to have all those donations.

Grade 6's were very proud of their help and hoped to do it again soon!

### **GRADE 6 STUDENTS DONATE WINTER CLOTHES TO THE HOPE MISSION AND JIRAH CENTER**

By Ry Parkyn and Bradey Wesner

The Warburg School grade 6 students collected and donated clothing to help the homeless. This happened in the middle of October to the middle of November.

They collected from the Warburg School staff & students and Warburg community residents. This happened because The Emmanuel Foundation burned down in Edmonton, AB. Educational Assistant Nadia Parkyn and her son Ry, in our school loaded the clothing, blankets and footwear into her vehicle and took them to the Hope Mission & Jirah Center. The centres will hand out the clothing to the homeless to help them survive this winter.

*"It was quite an experience!"*, says Ry. Some of the things he witnessed were how much the homeless need our help. He also witnessed the local police taking down the burnt charity building. *"I hope they become wealthy and this world becomes a happier place."* said fellow Grade 6 student Annika Musser.

For more information or to donate, please contact the above Centers.

Thank you for reading this and if you have the chance please donate to help the homeless.

## CLOTHING DONATIONS

By Kane Berg and Bridgette Zukowski

The grade 6 class in Warburg School We gathered clothing for the Hope Mission and the Jirah Centre. On November 8th some clothing donations were delivered to the Hope Mission, and then on November 10th some clothing was delivered to the Jirah Centre.

We collected clothing for the Hope Mission and the Jirah Centre because we heard about the Emmanuel foundation that burned down. They couldn't accept clothing donations at the moment so we as a class decided on the Hope Mission and the Jirah Centre. There were at least 13 bags of clothing donations. We had 2 weeks to collect all of the clothing donations. Everyone in the class participated in this activity to help gather clothing donations.

*"It was fun to collect clothing,"* said Annika. Abby stated, *"It was exciting to collect clothing and I was eager to help the homeless people out". "It was fun,"* remarked Ryland. A majority of the people in our class really liked doing this activity.

So in conclusion we really enjoyed doing this activity and we hope to do more activities like this in the future. Thanks to everyone in Warburg that participated in this project. We hoped that we helped the homeless out this season.

## HELPING PEOPLE IN NEED

By: Peyton H & Airalee F

Warburg School Grade 6 had the idea to collect clothing, winter clothing, and accessories, also blankets. We started it on October 15.

We did this because we thought it would be a delightful thing to do for the homeless people and all those who are sick so they can stay warm and get better.

Students and teachers gathered clothing and accessories. We gathered stuff that can help homeless children and adults and people in need. We had the idea in October but we did it on November 8th to December 10th. Mrs. Parkyn was helpful because she made her main priority delivering it to Edmonton. We gathered a lot and also we had about 4-5 bags of clothing we stored

in the pottery room. We appreciate the people who brought clothing for the school. This is for a charity event. Mrs. Parkyn volunteered to drive all of it to Edmonton. And the reason why we started doing this is because the weather started getting colder and colder so we thought this would be a good idea so that the homeless wouldn't have to be cold over the winter. We made sure that everything was properly washed for people receiving it. Also we thought of this idea as a class project but it became a lot more than that it became a class priority. It was very important to us that we got a lot of stuff for people because they needed the clothes and stuff a lot more than we did. We gave them things that were too small for us. We think we did a pretty good job and most of our classmates enjoyed it. We'd like to thank our teachers for making this possible. We hope people enjoy what we have done.

We ended up giving a lot of homeless people clothes and we also made a lot of people happy and a lot warmer this year. Mrs. Parkyn ended up delivering the clothing on November 10th. We are happy to make people warmer.

Thank you to all the people who donated.

## FOREVER BORED MARKET

Forever Bored Market is owned and operated by Christina Caskey, a Sunnybrook resident for over 20 years. Christina and her husband Sam first began with Forever Bored Acres. A hobby farm focused on providing farm fresh eggs to the community.

The farm slowly grew into so much more. Currently you can have your own pig raised, butchered and inspected for high quality Kune Kune Meat. We also raise other animals for meat including chicken, duck, and rabbit.

In addition, to meat sales we do sell our best of the best animals as breeders. If the Kune Kune is for you reach out as we will have piglets ready to go in February.

As time went on we have found our passion was in raising Registered Nigerian Dwarf Goats. These loving animals have stolen our hearts, as well as, provided us with our very own milk, cheese, ice cream and more. Our herd has strong milk lines that any breeder or hobbyist would be happy to own. Kids are available throughout the year for purchase and waitlists for 2022 have begun.

SCARLETT

Christina also found that making handcrafted goat milk soap bars was another great way to use up the luxurious goat milk. Beautiful artisan soap creations that are great for cleaning and also provide an extra bit of beauty to a time where it seems all we do is wash our hands.

Forever Bored Market was established as a way to avoid travel, and provide local artisans, farms, and crafters a place to go right here in the west of Leduc County. A place where customers could trust in the products and vendors approved by Alberta Health Services similar to Leduc or Drayton Valley Farmers Markets.

We have chosen the Sunnybrook Community Hall as a home for our market to support local. There is no better way to support a community hall then to rent it. The hall

being right here in our hamlet and off the highway was a perfect fit for our market.

The market has begun as a local country craft and bake sale with plans to add additional dates for a full-fledged Alberta approved farmers market in spring of 2022. Vendor Applications are now being accepted for both the Crafters and Farmers Market. Preference will be given to local artisans, bakers and farms.

Our journey began with Forever Bored Acres, expanded into Forever Bored Soapery, Forever Bored Yoga was then added, followed by Forever Bored Market. Who knows what will be next but it is amazing what a little bit of boredom and a drive to be challenged can do. Maybe a beehive? Follow us on our journey on Facebook to find out!

## Community

By Amissa Jablonski

*COMMUNITY - a group of people living in the same place or having a particular characteristic in common; a feeling of fellowship with others, as a result of sharing common attitudes, interests, and goals (from Oxford Languages).*

'Extra! Extra! Read all about it! Thorsby's the greatest and we're going to shout it!' Any Thorsby Elementary alumnus will remember this as the opening line to the school's cheer. For this alumna, it means much more. For me, it represents the potential I see in this place. Thorsby really can be the greatest if ALL of its community members pull together to make it so.

My Thorsby is a Thorsby filled with people who care deeply about the long term success and sustainability of the town. A community beginning to heal. My Thorsby is not about to whom you pay your municipal taxes, but rather about valuing the time and talent offered by its members in service of others. A community that understands that critiques and questions should not automatically be viewed as spreading negativity but instead be seen as seeking to understand and desiring to make things better.

As we wrap up 2021, it is the perfect time to reflect on what we community members desire this place to be and to brainstorm strategies to activate that potential so many of us see. Consider letting go of the (justifiably) hurt feelings caused by past actions. Think twice before posting a scathing comment in anger or malice. Join a community group that does something you are interested in or have always wanted to help out with. Help make Thorsby 'a place to learn' and 'a place to grow.'

This community can build back the good will and comradery that has been eroded over recent years. It can be a welcoming place to newcomers while upholding the traditions of the past. It can celebrate its rich history while looking forward to what awaits in the future. It can be innovative, creative, bold,

and, above all, it can be kind.

By remembering that this community is a special place, we can take Thorsby beyond just a group of people living in the same place and create a feeling of fellowship rooted in common interests and goals. Fostering vibrancy in the community allows a new generation of kids to make wonderful memories that will make them want to raise their kids here - ensuring the town's long term sustainability. Heck, that's why I help out even though I do not live here full time. I want my nibblings to be able to look back on their formative years and say, 'Hey, we had it pretty good in Thorsby!'

So, the next time you are asked to give your time in service of the community, step up and help out. If you have an idea for something to improve the town, seek out a group to help you make it a reality. By working together, we can put 'a smile on everyone's face' and show that 'Thorsby... is a wonderful place!'

*Thank you to Mrs. Brosseau for the TES Cookbook that helps keep the cheer close to my heart, to Mary Pinkoski for elevating my writing, and to Shawna for indulging me with a personal essay submission to the Target.*

## The Bible Truth Page

### Freedom From Anxiety

Anxiety, stress, and nervous breakdowns are ailments and afflictions that can easily be eliminated from your life, simply by believing in the God of peace. The Creator of Heaven and Earth is often referred to in the Bible as the God of peace. Here is one of them: Hebrews 13:20-21 KJV, *Now the God of peace, that brought again from the dead our Lord Jesus, that great shepherd of the sheep, through the blood of the everlasting covenant, [21] Make you perfect in every good work to do his will, working in you that which is wellpleasing in his sight, through Jesus Christ; to whom be glory for ever and ever. Amen.* Our creator is not only the God of peace, but we are commanded to be ruled by peace as written in Colossians 3:15 KJV, *And let the peace of God rule in your hearts, to the which also ye are called in one body; and be ye thankful.* God is peace and He expects us to have his peace. He would not command us to have His peace if it was not possible for us.

The number one way we gain peace through faith in God is knowing that our sins are forgiven, and we have been made right with God, and are now on His side, and He is on our side. He is for us! We are no longer living under condemnation and the threat of damnation. As we all know, we are saved when we repent from living life our way and decide to serve Him for the rest of our days and continue His work on earth.

There are many instructions for us in the Word of God which guide us into His peace. 2 Peter 1:2 KJV. *Grace and peace be multiplied unto you through the knowledge of God, and of Jesus our Lord.* As Peter mentions here grace and peace is multiplied to us by having the knowledge of God and Jesus Christ. One way we gain peace through the knowledge of God is by knowing, believing, and doing His Word. For example, in Matthew chapter 6, Jesus promised to provide for our needs if we seek first His Kingdom. If we believe and obey Him, we don't have to worry about our physical needs. Matthew 6:31-34 KJV. *Therefore, take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed? [32] (For after all these things do the Gentiles seek:) for your heavenly Father knoweth that ye have need of all these things. [33] But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you. [34] Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof.* Notice that He even specifies 'seek first the kingdom of God' and, 'take therefore no thought for the morrow'. That means don't worry about it. If we seek first to live for Him and His kingdom, He has it covered.

Knowing His Word can multiply grace and peace in our life, but we also gain His peace when we obey His Word. Here is a passage that deals specifically with anxiety. 1 Peter 5:6-7 KJV. *Humble yourselves therefore under the mighty hand of God, that he may exalt you in due time: [7] Casting all your care (anxiety) upon him; for he careth for you.* Casting your cares and anxiety on Him means we turn the problem over to Him to look after, and then don't worry about it. You can trust Him to help you with it, as long as you are living for Him. Also notice Philippians 4:6-9 KJV. *Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. [7] And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus. [8] Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things. [9] Those things, which ye have both learned, and received, and heard, and seen in me, do: and the God of peace shall be with you.* As you can see, it is also very important to keep your mind on the good things from God, and His Truth.

If you struggle with anxiety, stress, or nervous breakdowns we would be happy to help you obtain freedom through The Lord Jesus Christ. If you have any questions, comments or would like to connect with us please email Tyler Untinen, Breton JGLM Lifeteam Leader, at [tbu.lifeteam@gmail.com](mailto:tbu.lifeteam@gmail.com)
