*The grade 2s have started their Spring clean up!! On March 24 they cleaned both the elementary and high school yards. It was a bit cold, but they ventured out and did the best they could.*

## ALBERTA RCMP WARN OF SCAM TARGETING GRANDPARENTS

The Alberta RCMP Federal Serious & Organized Crime Branch is warning the public of a fraudulent scam that is circulating throughout Alberta and Canada. These are referred to as “Grandparent” or “Grandchild” scams.

These scams often involve a phone call being placed to the victim claiming their grandchild is in trouble with the courts or law enforcement and a payment of cash is needed to help them. The suspects will often pretend to be police or a judge and caution the victims not to tell anyone about the transaction and a courier will be sent to the house to pick up the cash in person or have it sent in the mail.

This month alone, Alberta RCMP have received five complaints of this type of scam with a total loss of over \$100,000 to the victims. Not only is there a concern for the amount of money being

lost, but a great concern for these couriers showing up in person to collect the cash.

With March being Fraud Prevention month, the Alberta RCMP want to remind residents of Alberta to:

- Never withdraw or send money to anyone you don't know;
- If the person is saying a family member is in trouble, confirm with that family member first prior to taking any action;
- If the person claims to be police or a judge, call that police service or court house directly to confirm that situation – police and courts will never demand cash be picked up in person or mailed; and
- Never give out personal information over the phone or online to someone you don't know—the police or courts will not ask for personal information over the phone.

*Should you have fallen victim to this or any other scam, please call your local RCMP or police of jurisdiction.*

## SEARCHING FOR THIS CAR!!

*Several decades ago this odd and rare car sat in a back alley, unused, in this local area. But was it Calmar? Thorsby? Warburg? We can't remember!*

The car is an early 50's Tatraplan 600, a unique rear engined Czech built car of which less than 200 made their way to Canada. I'd like to find it and bring it back to life, but I need the community's help to make it happen! If this image of the car jogs your memory I would love to hear from you. My name is Mark Krahn and you can phone or text me at 250-307-1921.

In advance, thank you!

## In Loving Memory

In Loving Memory of  
**Stella Hoshowski**  
who passed away March 25, 2020

*Don't grieve for me, for now I'm free  
I'm following the path God laid for me  
I took His hand when I heard Him call  
I turned my back and left it all*

*I could not stay another day  
To laugh, to love, to work and play  
Tasks left undone must stay that way  
I found that peace at the close of day*

*If my parting has left a void  
Then fill it with remembered joy  
A friendship shared, a laugh, a kiss  
Ah, yes, these things I too will miss*

*Be not burdened with times of sorrow  
I wish you the sunshine of tomorrow  
My life's been full, I savored much  
Good friends, good times, a loved one's touch*

*Perhaps my time seemed all too brief  
Don't lengthen it now with undue grief  
Lift up your heart and share with me  
God wanted me now. He set me free.*

Love you! Miss you!  
With All Our Love  
Your Family

## Secure your cargo

As a driver, you are responsible for making sure the cargo you are carrying is secured to your vehicle.

- ▶ Use tie-down straps to properly secure objects.
- ▶ Place light objects lower in the container instead of on the top, to prevent them from exiting the container.
- ▶ Tie large items, like mattresses and construction equipment, directly to your vehicle with appropriate tie-down straps.
- ▶ Put loose items, like garbage and yard waste, in a covered container so they are easier to secure.
- ▶ Attach a safety flag to any items that extend beyond the back of your vehicle so they are more visible to other motorists.
- ▶ Place a tarp over loose items or those that billow in the wind to ensure they don't fall from your vehicle.
- ▶ If you are transporting earth, sand, gravel or other loose material, it must be at least 75 millimetres below the top of the container or your truck's box, and must be completely covered at all times.

# BREAKING NEWS!!

## TAXES, ASSESSMENTS AND WHAT YOU NEED TO KNOW...

There are lots of rules for Taxes within the municipal government act that we have to follow as an administration in Thorsby. The Municipal Government Act under Division 3 provides us with the Direction on how to send and handle assessments.

### Let's talk assessments

#### Sending them out to you

1. Your tax roll information is on the assessment. **If your tax roll requires correction you MUST let us know. There are instructions on the Assessment notice**, telling you where to appeal if you have concerns about your assessment. *It is not at the Town office*
2. You may call the assessor directly if you have questions as well. Assessors also work under a Provincial Act
3. The Town must send out assessment notices no later than July 01 of each year
4. If your mailing address is unknown, we send a copy of the assessment to the mailing address of the assessed property
5. If the mailing address of the property is also unknown, we retain the notice of assessment, or the assessor retains the notice and it is DEEMED to have been sent to the assessed person
6. We certify when the assessment notices are sent (the CAO and the CFO)
7. This certification of the date sent out is evidence that the assessment notice has been sent

**IT IS IMPORTANT** to always keep the information on your Tax Roll current. That's why we sent everyone a notice to update their files.

MGA S. 311(1) provides us instruction **that we must publish in one issue of a newspaper (Thorsby Target)** a notice that the assessment notices have been sent. This notice deems that all assessed persons to have received their assessment notices.

The Provincial Assessor must publish in the Alberta Gazette a notice that the assessment notices in respect of industrial property have been sent

#### Correction of your Assessment

If we have made an error on your assessment, or an omission or mis-description to any of the information on your notice, we can prepare an amended assessment notice and send it to you.

**Next week we will chat about Part 10 – Taxation** as there are rules and procedures to follow when collecting taxes. We will clarify them so that you know when we can phone and remind you, or phone to tell you that collection is proceeding, or that a tax sale is imminent (which is the last resort).

- Just know that S. 331 (a-b) of the Municipal Government Act you are liable to pay the property tax imposed at the time of the assessment if you are the assessed person or subsequently become the assessed person.

***We encourage everyone to sign up for the Tax Installment Plan as it is very hard to have the full amount of tax money required by the end of June every year.***

The 2022 gravelling program began in Dec. 2021. Funding was approved in the 2021 budget; however, since the project was still in progress as of Dec. 31, 2021, a carry forward request was brought forward so the project can be completed in 2022.

- *Council approved the recommendation.*

## 2021 year-end information update: transfers to reserves

As part of the annual year-end process, administration brings forward a recommendation to transfer surplus dollars to reserves. As of March 22, 2022, \$1.88 million is available to transfer to reserves due to capital project savings, additional permit revenues and operational savings.

Administration recommended Council approve the following 2021 year-end financial transactions:

- \$1,285,000 to the engineered structures management reserve due to decreased provincial grant funding and to replenish the reserve following the Nisku Spine Road construction project.
- \$600,000 to operating special purpose multi-year/future year projects reserve for the Business Retention Expansion program.
- Remaining surplus identified through the completion of the year-end processes will be contributed to the stabilization and contingency reserve.

## MS-14 Country Residential Subdivision Access Road Surfacing Policy (last link); rescind Policy MS-13 Rural Roadway Surfacing Contributions

At the May 10, 2021, Public Works Committee meeting, administration was directed to develop a policy that required developers to pave the “last link” between their proposed subdivision and the nearest paved roadway.

- A recommendation was made for Council to approve Policy MS-14 and rescind Policy MS-13.
- Council rescinded Policy MS-13 and approved Policy MS-14 with one addition to the policy standards section, adding in the following statement “*complete with appropriate securities.*”

## 2022 Fees and Charges amendment and repeal Bylaw 19-21

### **Register. Tell your family. Be inspired.**

The Humboldt Broncos bus crash occurred on April 6, 2018. 14 people were killed and 15 injured when a bus and semi-trailer truck collided near Armley, Saskatchewan. Logan Boulet passed away on April 7th. On April 11th Dayna Brons passed, bringing the total to 16 deaths and 13 injured, all of whom will bear physical and emotional scars for life. Most of the dead and injured were players from the Humboldt Broncos junior ice hockey team that plays in the Saskatchewan Junior Hockey League (SJHL).

Bernadine and Toby Boulet offered to donate Logan Boulet's organs and tissues so that lives could be saved. They did so because Logan had registered as an organ donor and had spoken to his parents about his wishes. Logan was inspired by one of his coaches, Ric Suggitt, who passed on June 27th, 2017 and became an organ donor.

*Logan was able to donate his organs and tissues so that six lives can live on.*

### **Quick facts**

- Green Shirt Day is April 7 each year. People are encouraged to wear green. The purpose of the day is to encourage people to register as organ donors and to speak with their family about their wishes.
- In a phenomenon that has come to be known as the Logan Boulet Effect, almost 150,000 Canadians registered as organ donors in the weeks following the Humboldt crash in 2018.
- The next year, Green Shirt Day 2019 inspired another hundred thousand or more to register.
- Logan's legacy reminds us how important it is for Canadians to talk with their family about their organ donation wishes. It's suggested that for every person who registers their intent to donate, they speak with an average of four others about organ donation. That means that 100,000 new registrants equals approximately 400,000 conversations.
- 90 per cent of Canadians say they support organ and tissue donation, but only about 32 per cent have actually completed their

registration.

- More than 4,100 people in Canada are waiting for an organ transplant.
- Every year, on average, 250 people in Canada die because they don't get the life-saving organ they need.
- One organ donor can save up to eight lives.
- A tissue donor can improve the lives of up to 75 patients.
- Anyone can be a potential donor regardless of age, medical condition or sexual orientation. Even individuals with serious illnesses may sometimes be donors. All potential donors are evaluated on an individual, medical, case-by-case basis.
- The oldest Canadian organ donor was 92 and the oldest tissue donor was 104. Don't rule yourself out.
- It takes 2 minutes to register your decision to become an organ donor

## MATCHING DONATIONS FOR SPORT, RECREATION PROGRAMS

*Alberta's government is matching up to \$350,000 in donations to eligible provincial sport, physical activity and recreation programs beginning April 1.*

This donation-matching campaign is part of **Creative Partnerships Alberta**, an initiative to find new ways to support non-profits. It will leverage private donations to help boost revenue for sport, physical activity and recreation organizations during this time of recovery and growth.

Albertans can make their gift through the new Sport, Physical Activity and Recreation (SPAR) Donation Fund Program online portal from April 1 to Aug. 30.

Albertans rely on the essential services sport, physical activity and recreation programs provide for their physical and mental health, and their quality of life. The sector's access to timely revenue increases the ability of sector organizations to adapt and respond to organizational and community issues.

### Quick facts

- Individual donations up to \$1,000 will be accepted for matching from April 1 to Aug. 30, 2022, or until the \$350,000 commitment is spent.
- Eligible donation recipients may receive up to \$10,000 in matching funds.
- Creative Partnerships Alberta is a bold initiative to build a thriving non-profit sector by sparking private investment in non-profits, growing social enterprises and increasing collaboration to find new solutions to social challenges. This initiative will:
- Increase private funding and support to non-profits and arts organizations through new funding approaches.
- Grow social innovation and social finance.
- Provide non-profits with mentorship and coaching.
- More Creative Partnerships Alberta programs and collaborations will be announced in the coming months.
- Creative Partnerships is part of the government's commitment to grow creative and cultural industries in the province by 25 per cent over the next 10 years and is an important part of Alberta's Recovery Plan.

Breton, Alta – RCMP in Breton have charged a repeat offender after the execution of a search warrant and recovery of stolen property.

On March 9, 2022, Breton RCMP received information that a stolen snowmobile had been tracked to a property near Buck Lake that was known to Police. Breton RCMP obtained a search warrant to search the property.

The search warrant was executed with the assistance of Thorsby RCMP at the rural property near Buck Lake and a stolen snowmobile was recovered. Further investigation led to the recovery of a second stolen snowmobile.

## The Bible Truth Page

### Don't Judge

We are clearly instructed in the Word of God to refrain from judging people. The Bible was written in Greek and later translated into English. The Greek word often translated "judge" is Strong's number G2919, which means: condemn, try to punish, avenge, damn, or sentence. That is harsh, and it is not the place of any Christian to treat other people that way, nor decide what their fate will be. Even Jesus said, **"If anyone hears My words and does not believe, I do not judge him. For I did not come to judge the world, but to save the world"** (*Modern English Version* John 12:47). When Jesus was here, He didn't even judge people, and He lived a perfect life. So, it makes perfect sense for Him to tell us not to judge that way. Have a look at what else Jesus said, **"Judge not, that you be not judged. For with what judgment you judge, you will be judged. And with the measure you use, it will be measured again for you. 'And why do you see the speck that is in your brother's eye, but do not consider the plank that is in your own eye? Or how will you say to your brother, 'Let me pull the speck out of your eye,' when a log is in your own eye? You hypocrite! First take the plank out of your own eye, and then you will see clearly to take the speck out of your brother's eye"** (Matt. 7:1-5). He makes a good point. It seems when people want to judge others, they themselves are doing the same thing which they are accusing someone else of. Usually, the judgemental person is not trying to help, but to condemn. Jesus is saying that if you want to help someone with issues in their life, first you need to clean up the issues in your own life. He didn't say that you should never try to help anyone get onto the right track. Nor did He say you should never notice that another person is not on the right track. He is simply saying don't condemn people, and clean yourself up first. Refraining from judging (G2919) other people doesn't mean we have to live in ignorance. Jesus went on in chapter 7; **"Beware of false prophets who come to you in sheep's clothing, but inwardly they are ravenous wolves. You will know them by their fruit. Do men gather grapes from thorns, or figs from thistles? Even so, every good tree bears good fruit. But a corrupt tree bears evil fruit. A good tree cannot bear evil fruit, nor can a corrupt tree bear good fruit. Every tree that does not bear good fruit is cut down and thrown into the fire. Therefore, by their fruit you will know them"** (Matt. 7:15-20). Jesus is even more specific in Chapter 12; **"Either make the tree good and its fruit good, or else make the tree corrupt and its fruit corrupt. For the tree is known by its fruit. O generation of vipers, how can you, being evil, speak good things? For out of the abundance of the heart the mouth speaks. A good man out of the good treasure of his heart brings forth good things. And an evil man out of the evil treasure brings forth evil things. But I say to you that for every idle word that men speak, they will give an account on the Day of Judgment. For by your words you will be justified, and by your words you will be condemned"** (Matt. 12:33-37). No doubt we need to be able to make good judgments in life, and we are even commanded to make certain kinds of judgements and recognize what kind of characters people have. Paul told his followers to know the people they were working with because he didn't want them to be easily led astray. **"And we beseech you, brethren, to know them which labour among you, and are over you in the Lord, and admonish you"** (KJV 1Thes. 5:12). You can't believe everything you hear. Paul said again; **"Prove all things; hold fast that which is good"** (KJV 1 Thes. 5:21). "Prove" in this verse means to test, examine, scrutinise. We must be able to know what a person is like before we decide to trust them. Recognizing sin in a person's life or even trying to help them find the right path in life is not judging and condemning them.
