RAISING MONEY FOR UKRAINE

Thorsby Elementary's Grade 3C class had a popcorn sale to raise money to help people in Ukraine! The war that is going on right now between Ukraine and Russia has prompted many passionate discussions with the grade 3 classes. It is absolutely devastating to hear what is happening to Ukraine.

On May 14, 2022 please join us on our walk in Devon (from the Devon Alliance Church to Voyageur Park). At Voyageur Park there will be a Farmer's Market, Local Artisans, open mic for music & spoken word poetry, food trucks and more. There is no charge to participate but please consider donating to SILA or Sashbear in Tom's Memory or for someone you know.

Please register at www.tomswalk.ca or email toms.walk4mh@gmail.com to become a vendor or a partner.

GLASS IN RECYCLING

Hello everyone, for the next two collections, Integrity Waste will take glass and leave stickers on waste cart handles to inform residents that glass is not a recycled product and does not belong in the waste cart. If there is only recycle out (no waste on curb) they will pull the glass out and leave the sticker on the glass. From May 12th they will start to leave blue bags containing glass behind.

If there are any questions or concerns, please feel free to contact Integrity Waste at:

NATIONAL VOLUNTEER WEEK 2022 “VOLUNTEERING IS EMPATHY IN ACTION”

The Town of Thorsby is pleased to support and celebrate National Volunteer Week, which falls on April 24th – 30th 2022. However, Volunteerism in Thorsby and throughout all of Alberta does not end when National Volunteer Week is over. The Town of Thorsby is dedicated to promoting volunteerism and volunteer events all through the year through our Community Grants Policy (#2016-001), event promotion online and offline, and engagement of our community.

We are proud to boast many volunteer engaged groups within our community. People in Thorsby young and old are engaging in volunteerism more than ever and showcase their empathy and compassion every day.

Alberta's non-profit sector consists of over 26,200 charities and non-profit organizations and contributes almost \$5.5 billion in GDP (gross domestic product) to Alberta's economy. The importance of volunteerism in local and provincial government cannot be emphasised enough. During National Volunteer Week be sure to thank your local volunteers for all their hard work throughout the year!

- **Warburg Village Market** - 5220 - 50 Avenue, Warburg

Gardening Tips for Beginners

- **SUN** - sun is key so before choosing a spot, pay attention to how long it is in your yard. Most edible plants need at least 6 hours of sun to thrive.
- **LOCATION** - make sure you plant your garden in an area where you see it and don't forget about it, this way it's more likely you will spend time in it.
- **WATER** - plant near a water source. The best way to tell if your plants need watering is to push a finger an inch down into the soil (one knuckle deep) if its dry, its time to water. Adequate drainage is also very important.
- **SOIL** - use great soil that is nutrient-rich and well drained.
- **CONTAINERS** - containers can be used for many vegetables, herbs, flowers, fruit trees, berries and shrubs. Make sure the plot is large enough for the plant its hosting. For indoor plants if you don't have drainage holes in your pot, use a layer of pebbles to allow excess water to flow into the space with the pebbles.
- **CHOOSING** - choose plants that match your growing conditions. Sun loving plants in sunny spots, vines a place to climb and shady plants not in direct sunlight.
- **FROST** - learn frost dates so you don't accidentally kill your plants by putting them out prematurely.
- **MULCH** - adding a layer of mulch about 2 to 3 inches deep around each plant helps reduce weeds by blocking the sun and reducing moisture loss through evaporation so you have to water less.
- **FEED** - feed plants regularly with plant food according to the directions on the product you buy.

TAX SEASON HAS BECOME EVEN MORE STRESSFUL

from the Alberta Provincial Crime Watch Assoc.

It's tax season! If this time of year wasn't stressful enough, scammers are also trying to take your information and money.

Scammers are impersonating the Canada Revenue Agency. These fake agents try to obtain your personal details, such as your social insurance number, bank information, or passport.

They will claim that your personal information is needed to receive a refund or a benefit payment. Some are also trying to scare you into paying a false debt to the CRA.

How to Identify CRA Agents vs Scammers

- Ask for, and make a note of their: name, phone number and location
- Contact the CRA based on the number found on the CRA website before you provide any information to the caller

The CRA Will Not...

- Demand payment by e-transfer, Bitcoin or gift cards
- Ask for a fee to speak with an agent
- Use aggressive language or threaten you
- Ask for personal information by mail, email or text message

Tips to Stay Safe During Tax Season

- Keep any codes, passwords or PINs used to access your CRA information secret
- Choose someone you trust and check their references if they are helping you with your taxes
- Be wary of any links you click in emails
- Scammers can fake phone numbers. Don't always rely on caller display

If you suspect fraud or have been the victim of a fraud, report it to your local police service and to the Canadian Anti-Fraud Centre online at: www.antifraudcenter.ca or by calling: 1-888-495-8501. You should also contact your bank and credit card company if you believe your personal or financial information has been compromised.

The Parable of the Gift

Physical healing is a gift that has already been given to mankind. Jesus bought and paid for it by the whipping that He received before He was crucified. Here is a parable to illustrate how that gift applies to us today:

Grandpa wanted to bless his homeless grandson Jimmy, so he gave the young man a house. Grandpa bought the house and put Jimmy's name on the land title. "Here you go Jimmy," said Grandpa, "here is the Certificate of Title to the house I bought for you. It is all yours. Go ahead and move in, make yourself at home. This is your house." "Thank you, Grandpa! That is very generous of you to give me a house of my own," said Jimmy. After a big hug, the young man took the land title for the house and went to check it out. Finally, Jimmy arrived at the address on the title. He found it to be a beautiful house with a large, fenced yard, but to Jimmy's surprise there was someone living in the house already!! He knocked on the door, but they would not let him in. With great disappointment Jimmy went to talk to Grandpa. "Grandpa," said Jimmy, "I thought you were going to give me a house. You said you would, and I believed you." Grandpa replied, "I did give you a house and The Certificate of Title with your name on it is in your hand. It is yours; you own it." "But Grandpa, there is someone else living in the house and they would not let me in. When are you going to give me a house? When is this transaction going to take effect? When will it actually be mine? I know you will give it to me. I know you are true to your word. I know you don't lie. You said you will give it to me, so I know you will. Thank you for the house, I sure do appreciate it. But when will you give it? I need it now. I am homeless." Grandpa patiently explained to Jimmy again, "I have already given you the house; your name is on the Certificate of Title. It is your house now. You own it. Anyone who is living there is an imposter. They have no right to be there. Kick them out!! Tell them to leave your house!! You have the authority!!"

As believers in Jesus Christ, healing has already been given to us. It is ours. Jesus bought and paid for it and the proof is written in the Word of God. **He Himself bore our sins in His own body on the tree, that we, being dead to sins, should live unto righteousness. "By His wounds you were healed"** (*Modern English Version* 1 Peter 2:24). Notice that it says, "By His wounds you were healed." "Were" is past tense. In the Old Testament, Isaiah prophesied that Jesus would take our punishment and that we are healed. **"But he was wounded for our transgressions, he was bruised for our iniquities; the chastisement of our peace was upon him, and by his stripes we are healed"** (Isaiah 53:5). The stripes referred to in these verses are the lashes of the whip that ripped His body to shreds at the whipping post, when Pilate commanded Him to be scourged. **Then Pilate therefore took Jesus, and scourged him** (*King James Version* John 19:1). The scourging that Jesus took for us at the whipping post was enough to pay for our healing. God has already done all he is going to do regarding our healing. He has given it to us. It belongs to us. If you believe in Jesus as your Lord, Saviour, and Healer, then pain, sickness, weakness, and disease have no right to be in your body. Those things are imposters!! They have no right to be there. Believers in Christ have the authority to command them to leave in Jesus' name. Tell them to leave in Jesus' name!! You are healed by the stripes of Jesus!

LETTERS TO THE EDITOR

Food,

I like to write from the farmers' perspective. We are generally down to earth people, it is the earth that provides us with food and a livelihood, most of what we eat comes eventually out of the soil, not fish. We must eat, in order to not starve to death.

We are not what the world would call "intellectuals", but we are by no means dumb either. We know alot about the law of sowing and reaping. The consequences of our actions are readily before our eyes rather quickly. We tend to be more "red-necked" (a law abiding citizen as long as the laws are just and make sense). We did not follow all of the government mandates because most of us know that a virus is stopped by a face mask as much as a mosquito is stopped by chicken wire. The government is careful to not study the results of the lock downs because it would show that it did not save lives, but did a lot more harm to the economy than to the virus. To vaccinate against a virus is a dubious endeavor, they mutate rather quickly, get a jab against that one too? We don't like to be a pin cushion. Also, the media we take with a grain of salt. It was already a well known fact in the mid eighteen hundred, when Mark Twain wrote "If you don't listen to the news, you're uninformed, if you do listen to the news you're misinformed". That never changed. Hitler used Goebels' propaganda machine to brainwash the German people and so does Trudeau who uses his CBC propaganda machine. We're not so easily influenced by all of that. If we get the Flu, we go back to bed for a day or two, drink enough water and go on. We are too busy looking after our livestock and equipment, realizing that through all the turmoil, people will still have to eat.

There is a certain danger in shipping food stuff from all over the world to our grocery stores. No matter how much we like kiwi's, bananas and French cheese, it does make us dependent on circumstances and/or government intervention. Cowboy's in the past lived on beans and steak, with the occasional egg or potato thrown in and did quite well. Now, monotony in our diet is not what we like or want. Variety is good, but not essential per se.. Every area on the planet produces foodstuffs for us to stay healthy. Ask the Eskimos up North with their mainly whale blubber, or the Masai in Africa, who mainly ingest milk, meat and blood. We cannot grow lemons here but pine needles-tea and Alberta's wild rose pedals give us enough vitamin C. Home grown veggies taste much better than store bought ones. Also, we don't need to panic when Trudeau's CBC propaganda machine announces food shortages, which might indeed come, organized by the upper elite. Let me encourage us all to break up a piece

of lawn and throw in some spuds, carrots, tomatoes, onions and whatever you like best! Food that will last through the winter and maybe keep a few chickens for some eggs is a good idea as well! Keep in mind, we don't need to eat exquisite food, but we must eat.

Fritz Luten
