## WARBURG SCHOOL "FOR ALL THE DANCES WE'VE MISSED"

from Janet Sarvas

Our G.S.A. hosted a "For All The Dances We've Missed" dance on April 9th. H.S. Students from our neighboring communities were invited to join in on the dancing fun, too and everyone had a great time! Thank you to all of our G.S.A. committee members for your efforts in set up and take down, Mrs. Hodges for being the fearless leader in organizing the dance and ensuring that awesomeness was found everywhere!

A special shout out to our local Thorsby-Breton R.C.M.P. who came to check out our dance, and even partake in some Photo-Wall dress-up with our students. We have the best R.C.M.P.!

## 2022 Dust Control Program

Leduc County is currently accepting applications for our 2022 dust control program. There are two product choices available:

### 1. Calcium chloride

- Calcium chloride is a top shoot dust control product that is applied by spraying over the gravel surface.
- Two applications of product will be completed for every residence applying for this dust control product. The second application will be automatically applied approximately six-to-eight weeks after the first application (weather permitting).
- Residents desiring a calcium chloride dust control product on the County road adjacent to their residence will be required to complete an application form and must prepay a fee of **\$381.50** for the first 122 metres (400 feet). Dust control requested beyond 122 metres (400 feet) will be charged an additional **\$8.93/metre**.

### 2. Incorporated petroleum

- Incorporated dust control is a petroleum-based product that is applied to the road surface and mixed in and packed by graders.
- It is warrantied for one year from the date of application.
- Residents desiring an incorporated dust control product on the County road adjacent to their residence will be required to complete an application form and must prepay a fee of **\$3,791.50** for the first 122 metres (400 feet). Dust control beyond 122 metres (400 feet) will be charged an additional **\$36.89/metre**.

### Other information

- GST will be added to all prices listed above.

# WARBURG/THORSBY TEAM UP AND RECEIVE \$50,000 GRANT

## Connecting Community Naturally

By collaborating and partnering, the Town of Thorsby and the Village of Warburg has been approved for the full amount of \$50,000 by the Canadian Mental Health Association Alberta Division. The grant team placed great emphasis on Community involvement and building on community strengths and will continue to make these critical areas a priority as we implement the Project activities over the next year.

Our goal is to enhance the beauty of our communities' natural areas, which will encourage community members to engage in physical activity outdoors. This will foster community engagement, connectivity, and connection building by having a series of places to safely gather, find information, utilize for outdoor programming, and show pride in this community project of trail enhancement. Through purchasing Observation Message boards, we will have a way to effectively communicate valuable information and inspire connections between community groups and individuals on an ongoing basis. Our recreation programs will utilize these boards and we can drastically increase social connectivity by using them for community activities such as community wide scavenger hunts, geo-cache hunts, local trivia, and tips on what to do in the area to enjoy the outdoors and increase mental health capacity. All active community groups can gain access to these boards, and advertise events, challenges, and well wishes for their community members. These boards are also completely accessible in locations, so that they are inclusive to all ages and abilities. By working together, we can ensure that our community members all have equal access to the resources and opportunities that are available, regardless of which community they pay their water bills to.

Over the past three years many of us have not had the opportunity to enjoy the outdoors. Our project will promote exercise of the mind, spirit, and body. Bird watching and creating places for meditation will entice people to leave their homes and capitalize on nature. Planting blueberries, raspberries, wild flowers and saskatoon bushes along the trails will be sustainable long term. Recreational programming for children and youth will be extended to use our multi-faceted recreational complex. They will be able to build bat houses, butterfly houses, or any other nesting

boxes for birds that will be installed along the trails edge. Our goal is to be a healthy community in a healthy society.

Many thanks to our grant team:

# SUPPORT YOUR LOCAL MISIWETE CADETS CORP

***Spring Cleaning? What to do with all those extra electronics just cluttered about? Well, we have a fundraiser that will be your solution!***

You see, it's been a long go through the pandemic for the 2561 Misiwete Cadet Corp. Trying to have online meetings for drill practice and education has not been ideal. No opportunities to support the program or the community. The Cadet's mission statement is "to contribute to the development and preparation of youth for the transition to adulthood, enabling them to meet the challenges of modern society, through a dynamic community-based program". Well the transition to online Cadets has been challenging. The Staff has longed to work alongside the Cadets again giving them instructions for growth and service. Cadets have been held back in reaching the community and serving until now.

Here they have the opportunity to provide an E-Waste Collection drive. To help the community dispose of almost anything that plugs in or uses a battery to run. Yes, even if it's broken we will take it. See the

[www.albertarecycling.ca/](http://www.albertarecycling.ca/) electronics section for complete list. This amazing event will be held on **Saturday the 14th of May at the Royal Canadian Legion in Calmar (5815 47th Street) from 9am - 4pm!**

Don't miss out on this amazing opportunity to help the 2561 Misiwete Cadets with their first fundraiser in two years! Volunteering and Fundraising are the way this Cadets program continues to grow and support kids in our community! We look forward to seeing you.

*Thank you in advance for your support.*

## DID YOU KNOW?

### The world's largest Easter egg is found in Vegreville, Alberta.

This Pysanka (Ukrainian Easter egg) is 31ft tall & 18ft wide and 27ft long and is recognized around the world as not only a unique artistic masterpiece but also an achievement of nine mathematical, architectural and engineering firsts. It is a complicated jigsaw puzzle containing 524-star patterns, 2,208 equilateral triangles, 3,512 visible facets, 6,978 nuts and bolts, and 177 internal struts.

This enormous egg was built because in 1973, the Government of Alberta established the Alberta Century Celebrations Committee to coordinate the centennial celebrations of the Royal Canadian Mounted Police (RCMP). The committee distributed funds to several Alberta municipalities including Vegreville. With these funds, the Vegreville & District Chamber of Commerce decided to build the Pysanka to symbolize Vegreville's rich Ukrainian culture and the peace and security that the RCMP offered the area's pioneers and their descendants.

It is so cool that Queen Elizabeth, Prince Edward, and Prince Andrew came to Vegreville in 1978 to see it for themselves.

## The Bible Truth Page

### GOOD DEEDS

Nobody can earn their way to Heaven. Nobody can do enough good deeds (or works) to cover their sin. **Yet we know that a man is NOT justified by the works of the law, but through faith in Jesus Christ. Even we have believed in Christ Jesus, so that we might be justified by faith in Christ, rather than by the works of the law. For by the works of the law no flesh shall be justified** (*Modern English Version* Gal. 2:16). Works of the law are any works or deeds you do to earn salvation. Works of the law can be any moral standard that we live by, with the hope of that standard being enough to qualify us as good people. It does not matter how good we are in our own eyes or the eyes of other people. The only way we can be made righteous or good is by faith in Jesus Christ. **But now, apart from the law, the righteousness of God is revealed, being witnessed by the Law and the Prophets. This righteousness of God comes through faith in Jesus Christ to all and upon all who believe, for there is no distinction. For all have sinned and come short of the glory of God, being justified freely by His grace through the redemption that is in Christ Jesus** (Rom. 3:21-24). Notice in the above verse that by the grace of God we are “justified freely”. That means we don’t have to earn it. It is not possible to earn it. **For the wages of sin is death, but the gift of God is eternal life through Jesus Christ our Lord** (Rom. 6:23). Everyone has sinned. The punishment for sin is death. There is only ONE way to get around it. Without faith in Jesus, we would have to suffer the punishment for our sin, which is an eternal death sentence. The good news is that Jesus has already taken the punishment that we deserve by giving His life for us. Jesus said, **“Truly, truly I say to you, whoever hears My word and believes in Him who sent Me has eternal life and shall not come into condemnation, but has passed from death into life”** (John 5:24). It is up to us to believe in Him. If we believe in Him we have life, and are made righteous by Him as a free gift.

Jesus did many good deeds, but it was not to be good enough. He did good deeds *because* it was His Father’s will, and because He and His Father love people; they wanted to set them free from the oppression of the devil. Jesus did good works because he was good; He was not trying to become good by doing good deeds. Here are some examples of the works that Jesus did. Jesus healed “All”. **When the evening came, they brought to Him many who were possessed with demons. And He cast out the spirits with His word, and healed all who were sick, to fulfill what was spoken by Isaiah the prophet, “He Himself took our infirmities and bore our sicknesses”** (Matt. 8:16-17). Jesus multiplied food and fed five thousand men plus women and children with just five loaves of bread and two fish (Mark 6:35-44). He did all these good works because He loved the people and *because* it was His Father’s will. Jesus said: **“For I came down from heaven, not to do My own will, but the will of Him who sent Me”** (John 6:38). The works Jesus did can be summarized with this verse: **God anointed Jesus of Nazareth with the Holy Spirit and with power, who went about doing good and healing all who were oppressed by the devil, for God was with Him** (Acts 10:38). Jesus did do many good works, and He also wants His followers to do good works. **Truly, truly I say to you, he who believes in Me will do the works that I do also. And he will do greater works than these, because I am going to My Father. I will do whatever you ask in My name, that the Father may be glorified in the Son. If you ask anything in My name, I will do it. “If you love Me, keep My commandments”** (John 14:12-15). Faith in Jesus is keeping His commandments and doing the same works that He did. We do good deeds or works *because* we love God and to show the love of God to other people (to see God’s definition of love, read 1 Cor. chapter 13). As believers we are not *THE* Son of God, but we are *A* son or daughter of God. If we abide in Him, He lives in us and will do whatever we ask the Father in His name. We are to do the same works that Jesus did, *through* faith in Him. Jesus said: **“Not everyone who says to Me, ‘Lord, Lord,’ shall enter the kingdom of heaven, but he who does the will of My Father who is in heaven”** (Matt. 7:21).

## MLA REPORT

from The Office of MLA Mark Smith,  
Member of the Legislative Assembly  
for Drayton Valley - Devon

### It is clear to all Albertans that inflation is beginning to impact our quality of life.

As a part of Alberta's recovery plan, we are providing \$10.4 million to continuing care operators, on behalf of residents, to offset one-quarter of this year's increase in accommodation charges for Albertans in long-term care and designated supportive living. Operators are permitted by legislation to raise accommodation rates each July 1 by the rate of inflation over the previous year. This year's increase will be 5.5 per cent. The government will pay operators directly for the increase for July 1 to Sept. 30.

Furthermore, as part of Alberta's Recovery Plan, a record number of students will receive the Women in STEM Scholarship this year.

This scholarship supports women studying in science, technology, engineering, and mathematics (STEM) fields, areas in which women are often under-represented. This year, \$732,500 is being distributed to 293 students. This one-time top-up funding will mean 243 more students are receiving funding than last year. Each will receive \$2,500 to pay for their studies. When women are supported in pursuing careers in which they are often under-represented, they have new opportunities to reach their full potential, support their families and contribute to Alberta's growing knowledge-based economy.

Lastly, new funding for the Civil Society Fund will support 37 projects, helping vulnerable Albertans and contributing to the province's social and economic recovery.

As part of Alberta's Recovery Plan, these projects will help organizations supporting Albertans address a range of social issues such as mental health, homelessness, and domestic violence. A total of \$7 million is being invested into this program, with funding per project ranging from

\$35,900 to \$550,000. Organizations will have up to two years to complete their projects. Budget 2022 includes an additional \$6 million for the Civil Society Fund – completing our United Conservative, three-year \$20-million platform commitment to increase the capacity of civil society to address social issues.

As we move forward in 2022 the Alberta Government will continue to grow the economy through the Alberta Recovery Plan. We will address inflationary pressures on Albertans, provide help to those looking to grow the Alberta economy through a knowledge based economy and fund projects through civil society groups that will help vulnerable Albertans.
