Tribute to TOM WALL

**February 10, 1940
- June 2, 2021**

Spring is now here and how this was your favorite time of the season - machinery getting tuned up, fresh grass clippings filling

the air, toads croaking in the slough, the first dandelions brought in for me to appreciate and many more—especially the cows calving and planting our garden with hope of a bumper crop. Hon, can you hear the Sandhill Cranes in heaven? My tears have filled the beaver ponds, so if the flats flood I'm to blame.

This year has passed like a blur to me. Not a day or minute goes forward without me missing you. Love you forever. Wish you didn't leave me.

*Love from your children and grandchildren also...
Linda*

Greetings from Breton Elks Lodge #402

Well, hello Folks, here is hoping all is well with everyone. It's amazing how time is moving forward, another spring season is giving into another summer season at a very rapid pace. May long weekend has come and gone but without a fierce snow storm as happened in the past. I got adventurous in February and decided to plant some tomatoes. The resulting lesson learned, don't plant the whole package of seeds unless you want to go into a commercial project. O my goodness, I had to find a home for a lot of plants.

Moving forward with Elk business, much discussion was held with regards to the sound system that is being planned for the new Community Centre. The Ag Society, Village Council and Elks are proposing to launch a joint effort to install a first class system. Total cost to date is \$35,000.00. More discussion was held concerning the RV Park business. The on-line booking is in place, but not without a lot of head scratching. That is the penalty for moving into the world of electronics and the future.

A motion was passed to donate \$400.00 to Long Term Care in Breton to support their refreshment cart. A donation of \$800.00 was also approved for Rimbey Hospital Legacy Group.

On July 14, the Patrol Team from Breton Royal Purple Elks and Breton Elks have been invited to perform at Nisku Convention Centre for the purpose of installing officers for Grand Lodge. This is a special treat for our members as two members from our District are being installed as President and Vice-President for Grand Lodge of Canada. Congratulations Brothers.

Moving forward to July 1st, the Breton Royal Purple Elks and the Breton Elks will be hosting a pancake breakfast. Details will be published in the coming weeks.

On a more personal note, Brother Neil is a very devoted Elk member so much so that he is down to his knees to serve our community. Thank you Brother Neil.

So until next time, Good Health and Wealth everyone. Will chat soon.

MLA REPORT

from The Office of MLA Mark Smith,
Member of the Legislative Assembly
for Drayton Valley - Devon

This past week, your United Conservative government wrapped up the spring sitting of the Legislature. This session saw the passage of several important pieces of legislation and many long hours of work. It also saw several new measures adopted to get Albertans back to work, diversify the economy, and make life more affordable for families. Here are some of the highlights!

We began the spring sitting by passing the first balanced budget Alberta has seen in nearly a decade. With this, we delivered on a key commitment to inspire investor confidence, control spending, and get our province's finances back on track.

We passed the *Utility Commodity Rebate Act*, which provides \$150 in electricity rebates for two million households, farms, and small businesses – amounting to nearly \$300 million in relief on high electricity bills. We also cut the provincial fuel tax for gasoline, diesel, and marked farm fuel. This has resulted in Albertans paying the lowest prices in the country for fuel.

We passed the *Traffic Safety Amendment Act*, which protects roadside workers by requiring all motorists travelling in the same direction to slow down to 60 kilometres per hour when vehicles with flashing lights – an important safety initiative.

And we passed the *Continuing Care Act*, which expands and modernizes continuing care at the same time as we provide funding for more than 1,500 new continuing care beds in the province.

Further, we continued making strategic investments in high-demand education programs to meet labour needs through the Alberta at Work initiative, ensuring post-secondary students have more opportunities to train close to home in the programs they choose, and supplying industry with the highly skilled and talented workforce they need for the future.

And we passed a critical private members' bill from

Highwood MLARJ Sigurdson – Bill 205, the Human Organ and Tissue Donation (Mandatory Referral) Amendment Act. The passage of this bill is incredibly important as organ failure and organ donation impacts the lives of so many Albertans. Organ donation is truly the ultimate gift of life, but changes were needed to improve the process. With this bill passing, there will be several amendments to the organ and tissue donation process, including the implementation of a mandatory referral process, improving agency guidelines, and improving education and awareness surrounding the process and importance of organ and tissue donation. Bill 205 will literally be a life saver.

The 2022 highway construction season is underway with nearly \$1.4 billion being invested in 300 capital and highway improvement projects employing 12,000 Albertans. Budget 2022 invests \$789.4 million in this year's Capital Plan for roads and bridges. Several major capital projects will be completed this year, including Highway 19 twinning, west segment, Highway 15 twinning and new bridge, and the Peace River bridge deck replacement project. We are building and maintaining the important infrastructure that makes Alberta a strong and vibrant place to live, raise a family and grow a business.

As we move into the summer season, our United Conservative team will remain laser focused on the priorities that matter to you and your family. I hope you have a great summer, and I look forward to reporting more good news soon.

I can be reached at the main constituency office in Drayton Valley at 1-800-542-7307 toll-free. The office is open Monday to Friday. The Devon constituency office is open every Wednesday and the phones are manned Tuesday to Friday at 780-987-3666 or I can be emailed at draytonvalley.devon@assembly.ab.ca anytime.

Breton Word of Faith CHURCH

LEARNING TO LIVE IN THE POWER OF GOD

Some key thoughts from the Bible:

- God loves us all!
- He is here to save us:
 - In eternity (heaven),
 - In issues we face in this present life.
- He does this through our relationship with Him. We each have our own role to play.
- Friends, spiritually speaking, we cannot just sit back and hope for the best. Many things happen in this life that are unfortunate and not part of God's good will for us.
- Church is about learning our role and pro-actively participating in relationship with Him.
- We are learning to live in the power of God.
- We are learning to live in His love.
- His love is a caring, positive, affirming environment.

Random Thought...
If your electric car runs out of power on the interstate, do you walk to a charging station to get a bucket of electricity...?

Earlier today, I saw a bumper sticker that said "I'm a veterinarian, therefore I can drive like an animal." Suddenly I realized how many proctologists are on the roads...
