# LET'S TALK ABOUT BOULEVARDS AND OBSTRUCTIONS

## Points Of Interest

"Boulevard" means, an urban area, the part of a highway that is not a roadway and is that part of the sidewalk that is not especially adapted to the use of, or ordinarily used by pedestrians.

Here is what we are finding in the community while we patrol:

- Vehicles that are parked on the boulevard
- Holiday trailers that are parked on the boulevard
- Trees and planters being planted on the boulevard

We would like to remind the community that the boulevard is the property of the municipality, but we need your help to maintain them, so they look their best. Our boulevard is 10 feet from the curb as a reminder.

Please:

- keep grass on the boulevard cut to a length of no more than 10 cm.
- remove any accumulation of fallen leaves or other refuse or debris.
- notifying the Municipality if tree maintenance is required if they are boulevard trees
- keep grass inside the edge of the boulevard, or property line to avoid creeping on the sidewalk, curbs, or street.

These are all sections stated in our Community Standards Bylaw 2016-18

## Roadway Obstructions

Here is what we are finding in the community while we patrol:

- No one can park on the street or alley way causing issues with blocking access, if you do, you must notify the office for approval. Deliveries for the purpose of unloading that doesn't exceed 30 minutes is ok
- No one can restrict pedestrian access across the sidewalks
- Reminder to please remove branches that are restricting sidewalk access, alleyway access, road access and restricts sight lines.

These are all sections stated in our Traffic Bylaw 2006-05  
Traffic Bylaw 2006-05

We will be going out into the community to notify property owners.

*Thanks for your cooperation*

We are pleased to announce that the Town of Thorsby will be hosting a Volunteer Appreciation Picnic for National Volunteer Appreciation in Taylor Park on May 25th 2022 in honour of volunteers from all parts of our community.

Our goal is to welcome and celebrate all volunteers and the time and effort they give to their community and causes. We will still be accepting late registrations but please keep in mind that registrations are to account for food and door prizes. Any last minute registrations are not guaranteed to receive a door prize. Non-registered guests are welcome to attend for free in support of volunteers, but food and a drink will be a charge of \$5 cash at the door. All proceeds will go directly back into funding for the next Volunteer Appreciation.

# THORSBY 4-H MULTI CLUB UPDATE

*By Ethan Dobko, Club Reporter*

With spring time here, the Thorsby 4-H Multi Club has been busy.

The beef project had a mini show on April 2, 2022 where members brought their steers and heifers to practise for their actual show on May 2. There was also a clipping demonstration by the beef leader. Thank you to the Palmer family for hosting the event and allowing the club to have it at your place.

Some of the beef members attended the Leduc District Beef Show at Hay Lakes on April 23.

On May 2 there was the Thorsby & District Beef Show and Sale at the Haymaker Centre. Our club had 31 steers and 9 females at the event. The members all worked really hard and did great. We had a successful sale and want to thank everyone who came out and supported our members and the club.

The horse project is busy planning and getting ready for the Leduc District Horse Show on June 11th at the Haymaker Centre. There will be a show in the morning, followed by clinics in the afternoon. We wish all the members luck at this event. The horse project will also be having a club achievement day in June to finish off the year.

The club year will be winding down soon and members will have a well deserved break before starting up in the fall again.

**"Self care is not selfish" is a fitting mantra for Stress Awareness Month.**

The collective challenges of the past few years have normalized feeling anxious. This makes learning to prioritize one's mental health incredibly important so that one isn't constantly on high alert. But rather, has the ability to return to a resting state when fewer concerns need our attention. To better manage everyday stressors, pamper yourself in a simple ways by focusing on a couple of habits that are likely to make your quality of life better.

One example could be making the bed every morning. Making your bed doesn't take very long, plus coming home at the end of the day to a made bed is a wonderful feeling. It's an act of self-care from your morning self to your evening self by allowing you to feel more relaxed at the day's end.

Other examples of small behavioral shifts with the potential to improve your perception of the day include:

- Tidying up for five minutes at night before bed
- Packing a nutritious lunch or healthy snacks when heading for a short trip.
- Pre-planning what to wear for a week (to save time in the morning)
- Plan a menu one week in advance so one can base their grocery shopping around it.
- When feeling anxious be still for 2 minutes taking slow deep breaths.

Each of these gestures can be a mini love letter from you to you that will eventually leave you feeling grateful for these small tokens of appreciation-which are always free and readily available.

## Recycling bags for pesticide containers

Leduc County provides two agricultural pesticide container collection sites for pesticide containers up to 23 litres for recycling through the CleanFARMS program.

CleanFARMS has recently made changes to its recycling program; **effective immediately, only bagged jugs will be picked up for their recycling program.**

This will allow for efficiencies in trucking and handling - bagged jugs will now be compacted and transported to the recycling site for shredding.

Moving forward, loose jugs will not be handled for loading at the collection sites; ALL USERS of these facilities are now required to bag their empty, rinsed jugs before depositing them in the

collection site facility. A supply of bags have been left at both the Thorsby and the Nisku container sites for this purpose and you are also welcome to stop in to the Leduc County Community and Operations Centre at 1105 - 5th Street, Nisku to pick up a supply of bags ahead of your crop spraying season. *Please use the bags provided for this purpose as they are made from a plastic grade compatible with this recycling program and standard garbage bags or blue recycling bags are not.*

CleanFARMS is working with ag retailers to provide additional disposal site options in the future.

*Now a retired fisherman and trapper, the author was one of an estimated 150,000 First Nations, Inuit, and Metis children who were taken from their families and sent to government-funded, church-run schools, where they were subjected to a policy of "aggressive assimilation." As Augie Merasty recounts, these schools did more than attempt to mold children in the ways of white society. They were taught to be ashamed of their native heritage and, as he experienced, often suffered physical and sexual abuse. But, even as he looks back on this painful part of his childhood, Merasty's sense of humour and warm voice shine through.*

## The Bible Truth Page

### FREEDOM TO CHOOSE

You can believe that the green grass is pink all you want, but it will still be green. You could believe that the concrete sidewalk is a deep pool of water, but it will hurt if you dive in. You can believe in Santa, the Easter Bunny or a lifeless statue, but they won't save you from the punishment for sin. There is only one truth, one true and living God. You can imagine all sorts of things and believe them to be the truth, but your belief in them does not make them truth. You can even believe the governments religion which they call science, but it won't save you from covid, or any other sickness; nor will it help you learn about God's creation. There is a thing called truth. Truth doesn't change. According to Merriam-Websters Dictionary, truth is: "a (1) the body of real things, events and facts: ACTUALITY. (2) the state of being the case: FACT. (3) *often capitalized*: a transcendent fundamental or spiritual reality." God has given us the freedom to choose. We are free to believe whatever we want. He has given us authority and dominion on the earth, and He has created us in His image. God Himself even said, **"I call heaven and earth to witnesses against you this day, that I have set before you life and death, blessing and curse. Therefore choose life, that both you and your descendants may live; that you may love the LORD your God, that you may obey His voice, and that you may cling to Him, for He is your life and the length of your days;"** (Modern English Version Deut. 30:19-20). We have the freedom to choose, but our choices will determine whether we live a life filled with blessings or curses, life or death. God even gives us a suggestion. "Choose life." Choose to believe truth. **Then Jesus said to those Jews who believed Him, "If you remain in My word, then you are truly My disciples. You shall know the truth, and the truth shall set you free."** (John 8:31-32). There is a thing called truth, and if you believe and act on it you will be set free from the lies of the devil. **Jesus said to him, "I am the way, the truth, and the life. No one comes to the Father except through Me. If you had known Me, you would have known My Father also. From now on you do know Him and have seen Him"** (John 14:6-7). Jesus is THE way, THE truth, and THE life. Only through Him can we access God the Father. **For I am not ashamed of the gospel of Christ. For it is the power of God for salvation to everyone who believes, to the Jew first, and also to the Greek. For in it the righteousness of God is revealed from faith to faith. As it is written, "The just shall live by faith."** The wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who suppress the truth through unrighteousness. For what may be known about God is clear to them since God has shown it to them. The invisible things about Him—His eternal power and deity—have been clearly seen since the creation of the world and are understood by the things that are made, so that they are without excuse. Because, although they knew God, they did not glorify Him or give thanks to Him as God, but became futile in their imaginations, and their foolish hearts were darkened. Claiming to be wise, they became fools. They changed the glory of the incorruptible God into an image made like corruptible man, birds, four-footed beasts, and creeping things. Therefore God gave them up to uncleanness through the lusts of their hearts, to dishonor their own bodies among themselves. They turned the truth of God into a lie and worshipped and served the creature rather than the Creator, who is blessed forever. Amen. For this reason God gave them up to dishonorable passions. Their women exchanged the natural function for what is against nature. Likewise the men, leaving the natural function of the woman, burned in their lust toward one another, men with men doing that which is shameful, and receiving in themselves the due penalty of their error. And since they did not see fit to acknowledge God, God gave them over to a debased mind, to do those things which are not proper. They were filled with all unrighteousness, sexual immorality, wickedness, covetousness, maliciousness; full of envy, murder, strife, deceit. They are gossips, slanderers, God-haters, insolent, proud, boastful, inventors of evil things, and disobedient toward parents, without understanding, covenant breakers, without natural affection, calloused, and unmerciful, who know the righteous requirement of God, that those who commit such things are worthy of death. They not only do them, but also give hearty approval to those who practice them (Rom. 1:16-32).
