## ADDING 1 MILLION HOURS OF HOME CARE FOR ALBERTANS

An \$81-million increase in home care funding will pay for one million more hours of care in 2022-23, and new contracting approaches will keep more clients living in their own homes.

Budget 2022 includes \$750 million for home care, an increase of 12 per cent from the previous year. Total hours of care will increase to 13 million this year from 12 million in 2021-22.

In addition, Alberta Health Services is looking for new approaches to delivering home care through a request for expressions of interest and qualifications (RFEIQ). The process will help identify options to improve client outcomes, enhance health system integration and coordination, increase access to specialized services and fill gaps in service delivery. Alberta Health and AHS will also explore new contract opportunities for congregate co-operative building operators who are interested in delivering home care directly to their residents.

Albertans who currently receive publicly funded home care will continue to receive the same personal support services through Alberta's home care program while the RFEIQ process is underway. AHS will extend current contracts with home care agencies for up to an additional year. This will ensure there are no service disruptions for clients while the RFEIQ process moves forward.

Additionally, congregate living operators (such as seniors lodges, group homes and licensed supportive living providers) where residents receive home care will be invited to directly deliver home care services within the living facility to offer more consistent and integrated care.

Details about the RFEIQ are available online at [www.purchasingconnection.ca](http://www.purchasingconnection.ca). The deadline for submissions is July 28.

### Quick facts

- Home care is a fundamental component of the continuing care system and it plays an increasingly important role, as the majority of Albertans would prefer to remain living in their own homes and communities as they age or as their care needs evolve.
- Alberta's government offers several publicly funded continuing care options including home care services through the Home Care Program, which AHS administers, coordinates and delivers in the province.

- Home care services can be provided to Albertans directly by AHS staff or contracted service providers (for-profit and not-for-profit), or by private providers hired directly by clients using a client-directed care option such as self-managed care.
- In 2021, there were more than 132,000 unique home care clients in the province.
- Budget 2022 provides a combined \$3.7 billion in operating funding for community care, continuing care and home care, an increase of \$219 million or 6.3 per cent from last year.

# ENERGY WEEK IN ALBERTA

**Alberta is showcasing the innovative oil and gas sector while celebrating new opportunities for responsible, reliable and affordable energy.**

Recognizing the energy sector's importance to the province's past and future, Alberta's government is officially declaring the week of June 6-10 as Energy Week in Alberta.

The industry contributes billions of dollars to Alberta's economy and employs hundreds of thousands of Albertans and Canadians. Energy Week also recognizes Alberta's potential to help meet growing demand for responsible energy and to strengthen global energy security.

New business, investment and partnership opportunities will also be the province's focus at North America's largest energy exhibition, which returns to Calgary this week. This year's Global Energy Show, previously known as the Global Petroleum Show, will run from June 7-9 and bring together Canadian and global energy leaders in support of the sector.

*"This week is all about highlighting that Alberta can – and should – be a big part of establishing global energy security. By producing and selling more Alberta energy, we can help reduce worldwide demand for energy from corrupt and dangerous regimes like Putin's Russia. We are excited to tell this story and to welcome industry leaders to our province with our signature western hospitality."*  
Jason Kenney, Premier

*"The future for Alberta's energy industry is bright, with new and emerging opportunities to diversify into sectors like petrochemicals, plastics recycling and hydrogen. The dynamic, innovative and entrepreneurial spirit of our energy sector will power our province for decades to come and cement our place as a global supplier of clean, responsibly produced energy."* Dale Nally, Associate Minister of Natural Gas and Electricity

Minister Savage and Associate Minister Nally will lay the groundwork for new partnerships with key provincial, national and international delegates

over the course of the three-day exhibition and conference.

Alberta's presence at the show will also include the Alberta Pavilion – a hub of activity that will draw potential partners looking to learn more about Alberta's technology innovation and leadership in responsible energy development through targeted industry presentations, meetings and exhibition space.

### **The Judgment Is in Your Favour**

If you believe in Jesus as your Lord and Saviour, the judgment is in your favour. Jesus is the righteous judge, and He has declared that you are free from the punishment for sin, because you are now righteous. **“He Himself bore our sins in His own body on the tree, that we, being dead to sins, should live unto righteousness. ‘By His wounds you were healed’”** (Modern English Version, 1 Peter 2:24). Before we believed in Jesus, we were guilty, and worthy of death. Now that we have accepted Him as our Lord, we get the benefit of the sacrifice that He made for us. **“But now, apart from the law, the righteousness of God is revealed, being witnessed by the Law and the Prophets. This righteousness of God comes through faith in Jesus Christ to all and upon all who believe, for there is no distinction. For all have sinned and come short of the glory of God, being justified freely by His grace through the redemption that is in Christ Jesus, whom God has set forth to be a propitiation through faith, in His blood, for a demonstration of His righteousness, because in His forbearance God had passed over the sins previously committed, to prove His righteousness at this present time so that He might be just and be the justifier of him who has faith in Jesus”** (Rom. 3:21-26). We are innocent and have no need to fear God’s judgment if we continue to follow Him as Lord. Jesus said **“The Father judges no one, but has committed all judgment to the Son, that all men should honor the Son, just as they honor the Father. He who does not honor the Son does not honor the Father who sent Him. Truly, truly I say to you, whoever hears My word and believes in Him who sent Me has eternal life and shall not come into condemnation, but has passed from death into life”** (John 5:22-24). Paul wrote in his book to the Romans, **“There is therefore now no condemnation for those who are in Christ Jesus, who walk not according to the flesh, but according to the Spirit. For the law of the Spirit of life in Christ Jesus has set me free from the law of sin and death”** (Rom. 8:1-2). Jesus has judged us to be free from the punishment for sin, and He has judged us to be free from sickness. In Matthew chapter 12 Jesus healed a man with a withered hand in the temple. Then He went out and was followed by a multitude of people, and He healed them ALL. Then Matthew quotes a prophecy from Isaiah chapter 42 to indicate that the healings Jesus did are a judgment to victory. Here is his quote of the prophecy, **“Here is My Servant, whom I have chosen, My Beloved, in whom My soul is well pleased; I will put My Spirit upon Him, and He will render judgment to the Gentiles. He shall not struggle nor cry out, nor will anyone hear His voice in the streets. A bruised reed He will not break, and a smoldering wick He will not quench, until He renders judgment unto victory; and in His name will the Gentiles trust”** (Mat. 12:18-21). Psalms 103:6 says, **“The Lord does righteousness and justice for all who are oppressed”**. Please read all of Psalm 103. God is not judging you by making you sick. His judgment is that you are healed and free!! Jesus healed All the sick in the multitudes of people. He NEVER made anyone sick. Acts 10:38 **“How God anointed Jesus of Nazareth with the Holy Spirit and with power, who went about doing good and healing all who were oppressed by the devil, for God was with Him.”** Notice that the infirmities which Jesus healed are referred to as oppression of the devil. The infirmity came from the devil. If you believe in Jesus as your Lord and Saviour, He has declared a judgment of freedom and victory for you!!
