## LOCAL PASTOR SERVES OTHERS IN POLAND

I'm sure you have read local Pastor Natasha Westerhoud's weekly "Soul Care" reflection in our Booster. Well she is back from her humanitarian work with the refugees and will be highlighting some of her experiences in Poland. Here is her first submission.

*"I am home. And it feels good to be back!!!"*

*It is very difficult to put into words the life changing week I had encountered while serving in Poland. I thought that I would share bits and pieces of my time there through the next few weeks in the hopes to share my experience with the larger community I serve.*

*My journey started with a ten-hour flight into Warsaw while skipping eight hours ahead. I was grateful to land and meet up with one of my teammates who is a college student from Singapore. I thought we had navigated our way to the train station quite well, until we got to the 'English' ticket kiosk and found out it was out of order.*

*We moved on to the other kiosk only to be confused as we could not read or understand which ticket to buy for our next station. My teammate suggested we just get on the train without a ticket, what could go wrong? I on the other hand had some reservations only to be confirmed by a young man's voice behind us...'excuse me...a lot can go wrong...' He guided us to the right tickets and then went out of his way to join us on the next two of the three trains we needed to go on to get to Chelm, the city we were staying in. I appreciated his hospitality and he shared with me that he wanted us to have a good Poland experience. His name was Peter, and he is currently living in the UK and he was coming home to visit his mom, for the first time in almost three years. He shared with us that his mom is doing well but is in need of a bit of help as she has opened her home to 21 refugee's, 17 children and 4 moms. Of course, I wanted to hear the rest of the story, so in our two-hour delay for the next train we sat over a strong coffee and he shared his story with me.*

By exploring the most recent research on attachment and emotional regulation, I share what’s most critical in, first, helping our children learn how to manage emotions and, later, what that looks like in our friendships, marriages, and most importantly, in ourselves”

Everyone is welcome to attend. Please be advised that there will be some adult language used during the presentation. This is being held at the Breton Community Centre. 6:30 -8:30 pm. Reserve your FREE spot on the

## LOCAL PASTOR SERVES OTHERS IN POLAND

*Soul Care continued from front page*

His mom is in her late 70's and lives in a small simple home, but when the war started in Ukraine, she was convicted to do what she could, so she took in 21 refugees. They have been with her for almost 100 days. Peter shared she doesn't have much, just a small home with a bathroom and all she can offer is the floor to sleep on and some food and safety. Peter went on to share that his mom is doing well health wise, but she is tired, so he wanted to come home and help as much as he can. Our time was up, and I needed to leave, but not without a hug and some blessings.

This was day one of my journey and I have already experienced such radical hospitality.

- A young man going out of his way to help two women who seemed very lost.
- A mom who opened her home and heart to 21 strangers and is doing what she can with what she has during horrific times. All this to offer some hope in what would seem like a hopeless situation.

After getting on my last train, I had an hour to process all that I heard and witnessed, and was challenged to look at my life a bit deeper and ask myself in what ways do I offer radical hospitality?

Do I live a life that includes doing what I can with what I have so I can offer some hope?

If this is day one...I can't wait to see what the rest of the week holds!

Peace my friends.

## BRETON MUSEUM CELEBRATES SENIOR'S WEEK

During the afternoon of June 10 approximately 25 seniors gathered at the Breton Museum, as Seniors' Week drew to a close. They enjoyed the music of the five-member band "No Hitch Hiker Band", with musical selections which ranged from old time fiddle tunes played by Eugene Poholka, to songs from the fifties and sixties including Neil Diamond's Sweet Caroline. In addition to visiting and reminiscing, the audience enjoy refreshments supplied by the museum. I thoroughly enjoyed the stories told to me that afternoon, by several of the senior's, about going to school in the building which now houses the museum.

The museum would like to express our gratitude to the members of the "No Hitch Hiker Band" for supplying the musical entertainment on June 10th. Also, thanks have to go out to Krystal Goltz and her mother Michelle for supplying the squares that were enjoyed that afternoon.

Now for the answer to last week's question, can you identify the Breton students who have been seen on the streets of Breton posing as Seniors. Quit a few that I have spoken to in the last week did very well in identifying the individuals.

## AGE WELL AT HOME INITIATIVE

Gerald Soroka, Member of Parliament for Yellowhead wishes to advise seniors of the launch of a new initiative called Age Well at Home, which will help seniors stay in their homes for as long as possible by providing them with practical assistance for everyday tasks. As part of the calls for proposals, organizations will be able to apply for funding for projects under two streams: In-Home Support Pilot Projects and Scaling Up for Seniors.

The In-Home Support Pilot Projects stream funds eligible organizations across Canada that have experience delivering one or more specific volunteer-based services to seniors. Organizations need to provide at least one of the eligible practical support services to low-income and otherwise vulnerable seniors in a local area, as well as help seniors navigate, and access eligible services provided by other local organizations. Eligible services are:

- light housekeeping (such as laundry, cleaning);
- meal delivery and/or preparation;
- home maintenance (such as repairs, yard work, lawn mowing);
- transportation (such as to appointments, errands);
- snow removal;
- volunteer drop-offs (such as groceries, medication, pet supplies); and
- friendly visiting in the home.

The Scaling Up for Seniors stream provides funds to eligible organizations to expand services that have already demonstrated results in helping seniors age in place. Applications must propose to deliver services in more than one province or territory.

Organizations are invited to apply for the In-Home Support Pilot Projects stream and the Scaling Up for Seniors stream of the Age Well at Home initiative until July 22, 2022.

## **The Bible Truth Page**

### **The Word of God**

The Word of God, which can be found written in the Bible, is not just an old story. The Word of God is alive and powerful. It is the Word of Life. The Word of God is truth, so it can't be changed, nor does it need to change. The heavens and the earth were created by the spoken Word of God, and they remain to this day. God said, "Let there be light," and there was light and there is still light to this day. The Word of God is forever settled and established in heaven, and it lives and abides forever. The Words of God are Spirit, and they are life. The Word of God is a sword in the realm of the spirit. The Word of God is life and health to all your flesh. They that hear, believe, and do the Word of God are blessed in their spirit, soul, and body forever. It works effectively and lives in those who believe it. The Word of God does what He sent it out to do. God has exalted His Word above His name. The Word of God is Jesus Christ. **In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things were created through Him, and without Him nothing was created that was created. In Him was life, and the life was the light of mankind** (*Modern English Version* John 1:1-4).

**For the word of God is alive, and active, and sharper than any two-edged sword, piercing even to the division of soul and spirit, of joints and marrow, and able to judge the thoughts and intents of the heart** (Heb. 4:12). **That which was from the beginning, which we have heard, which we have seen with our eyes, which we have looked upon, and our hands have touched, concerning the Word of life-- the life was revealed, and we have seen it and testify to it, and announce to you the eternal life, which was with the Father and was revealed to us** (1 John 1:1-2). Jesus said to God, **"Sanctify them by Your truth. Your word is truth"** (John 17:17). Jesus said, **"The scripture cannot be broken"** (John 10:35). **By faith we understand that the universe was framed by the word of God, so that things that are seen were not made out of things which are visible** (Heb. 11:3). God said, **"Let there be light," and there was light** (Gen. 1:3). **Forever, O LORD, Your word is established in heaven** (Psalm 119:89). **For you have been born again, not from perishable seed, but imperishable, through the word of God which lives and abides forever** (1Peter 1:23). **It is the Spirit who gives life. The flesh profits nothing. The words that I speak to you are spirit and are life** (John 6:63). **Take the helmet of salvation and the sword of the Spirit, which is the word of God** (Eph.6:17). **For they are life to those who find them, and health to all their body** (Prov. 4:22). **But He said, "Indeed, blessed are those who hear the word of God and keep it"** (Luke 11:28). **For this reason we thank God without ceasing because, when you received the word of God, which you heard from us, you received it not as the word of men, but as it truly is, the word of God, which effectively works also in you who believe** (1 Thes. 2:13). **I have written to you, fathers, because you have known Him who is from the beginning. I have written to you, young men, because you are strong, and the word of God lives in you, and you have overcome the evil one** (1 John 2:14). **So shall My word be that goes forth from My mouth; it shall not return to Me void, but it shall accomplish that which I please, and it shall prosper in the thing for which I sent it** (Isa. 55:11). **I will worship toward Your holy temple, and praise Your name for Your lovingkindness and for Your truth; for You have exalted Your word above all Your name** (Psalm 138:2). **He is clothed with a robe dipped in blood. His name is called The Word of God** (Rev. 19:13). The Word of God never gets old or out of date. It is essential that we read His Word every day, **"For length of days and long life and peace will they add to you"** (Prov. 3:2).

## LETTERS TO THE EDITOR

To the Editor:

Here are some more "musings" concerning Brazeau County Council. (June 7/22)

It should be noted that the public will no longer be allowed to wear hats in chambers. The rationale for such is presumably related to "respect." One reason for hat removal was the picture of Queen Elizabeth. Another (attempted excuse) was that the council is a "quasi-judicial" body. It is not.

Two things should be noted. One: respect is earned, not legislated; and two: there are several official complaints ongoing (or in the works) regarding the "respect" of councillors either to each other or to the public. Look after your own issues of "respect"!

Come to your own conclusions as to the motivation for the above. (Apparently a councillor in a near-by county wears a hat to all county meetings, as did a former Brazeau councillor.)

It took over ½ hour to discuss the matter of hats; imagine the time to deal with shoes! How does this motion benefit the electorate? Did this discussion on such a petty matter create an "over-time" situation?

Another issue is a proposed road of a mile on Township Road 474 between RR52 and 53. It involves crossing three significant draws (valleys), one of which will cover a distance of several hundred yards of fill to about 45' depth. My view of staff assessment as to costs and completion issues are underestimated. Staff was required to provide a plan without land acquisition.

Since the solution requires land acquisition which may not be available (to handle 45' of dirt so it won't slide), why are they proceeding with the proposal (a more realistic figures is \$ 4 million—my estimate, considering that the adjacent mile cost \$1 million and it is on the level.

Other issues are lack of guard rails, narrowness of road, and an 8% grade making it too dangerous for a school bus.

It should be noted that this mile benefits only ONE family!

How is spending several million for the benefit of one family (yet again) of benefit for all the county? For answers, call the Reeve.
