

THORSBY TARGET

JULY 05, 2022 – A DAY OF FLOODING IN THORSBY

from the Town of Thorsby

On the morning of July 5, we received a call regarding a sewer blockage on the line by Madison (behind the RCMP station along the tree line). Our crews worked tirelessly in the rain until around 4 pm to get the blockage moving. The CAO was also on site providing support, phone support and answering residents' calls.

The blockage was identified as:

1. Dryer lint
2. Cigarette butts
3. Cigarette ashes
4. Feminine hygiene pads

*Town of Thorsby staff
clear the blockage*

Because of this, it impeded the sewer lift station, and our pumps were not only overwhelmed with the rain but once we got the blockage released then all the water build up overwhelmed the pumps even more. We attacked the problem with pumps but by 6pm we had to arrange a Tridem VAC truck to be on site as soon as possible. The VAC truck arrived around 10pm and left at 2:30am. Our crews were on shift as was our water treatment plant operator who was constantly monitoring the alarms and was in constant contact with Alberta environment to mitigate the issues as they arose.

You must understand the volume and velocity of the water that was going through the lines and the pumps. The roar of that water was noticeable and dangerous.

As of the morning of July 6, the

water is flowing smoothly, and we are monitoring it as we always do.

Now for the Blockage

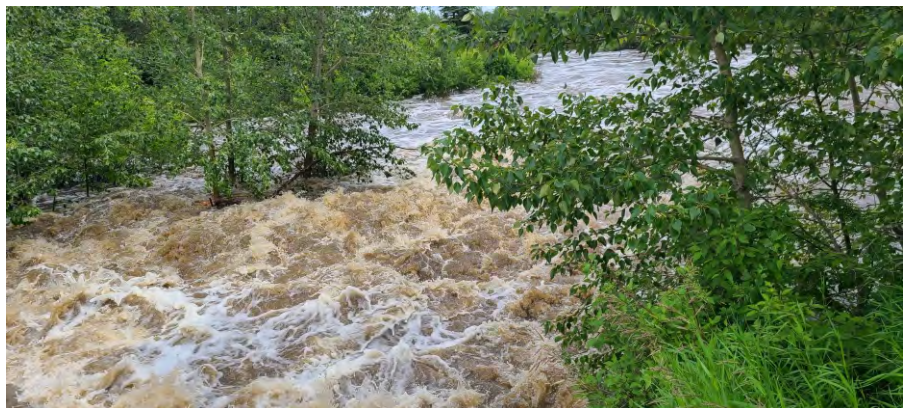

Many of you may look at this article and say, "Now who would dump that down the sewer?" The issue is **not who would do this** but the issue is **STOP** doing this. That blockage cost you, the tax payer, 15 hours of staff time, VAC truck service travel time and "on station time" of approximately \$3,500, fuel costs to run the pumps and the unknown wear and tear of the lift station pumps due to the excessive flow.

Cost for this blockage: approximately \$6,500. Our crews saved you \$1,500 for a sewer sucker unit that would have had to come from Edmonton to release the blockage if it hadn't given way.

Water in a high-volume rainstorm will always be an issue, and it is not all the time, but the Town has not seen storms like this for quite a few years.

What the Town does not want to see is what is in the blockages that we are finding. Remember, by not being diligent in what is put in the sewer system, you all are paying for the fix when it did not need to be there in the first place.

Please be diligent!!!!

"WELCOME BABY" bags at the Library

Thorsby Library offers "WELCOME BABY" bags to first-time parents in our area. These cloth bags, with the library name stitched on the bag, are sewn by library board volunteer Mary Jablonski and to date she has sewn over 50 bags. In the bag is a board book as a gift for the baby, information about the library including a free membership, and booklets about "Rhymes and Songs", as well as "Great Books for Babies". These 'Welcome Baby' bags are distributed through our local health unit and are a community service outreach for our library.

If you are a first-time parent in our area and did not receive a bag, please contact the library (780-789-3808) so we can give you one and welcome you to our library. We hope that this will lead to families bringing their children to the library and families reading together.

THORSBY NEW LIFE CHRISTIAN FELLOWSHIP 100th ANNIVERSARY

by Pastor Glen McBride

2022 marks the 100th anniversary of our humble beginnings, as a house based congregation, that would eventually become today's New Life Christian Fellowship. We celebrate and glorify our Heavenly Father for all that He has accomplished, using the hands and feet of dedicated men and women of God who were willing to say yes to His call to Thorsby. We honor every voice that has spoken life into the lives of this congregation over the years. We honor every Sunday School teacher, Bible Study teacher, Usher, Board Member, Treasurer, Worship leader and Pastor that has had a part of building this congregation. Not one could do it alone, and certainly not without the help and guidance of God, our Father.

It is not possible to name every person of influence or every attendee since the church's birth, but we honor them for their contribution to the Glory of the Father in this community. And if we have forgotten any of our past leaders or misspelled any of the names, please forgive us. It is difficult to find the specific names of every person of influence from the past, however, they are nonetheless appreciated for all they have done over these many years.

New Life Christian Fellowship looks forward to celebrating together with all current and past members along with their families who will find their way to Thorsby on July 9th and 10th, 2022. We have booked the local campground for the entire weekend, from Friday, July 8th to Sunday July 10th, for anyone that would like to camp and stay in Thorsby for the weekend. We have booked the local community Center for a special meeting on Sunday, July 10th at 2:00 pm for everyone to attend.

Seniors News

WE ARE FINISHED

By Phyllis Madiuk

When Ken Poffenroth told us seniors the other day that we were finished, we all agreed with him, no more planning, contracting, building, painting, and paving. All we have to do now is to enjoy the fruits of our labour.

On Saturday July 02/22, we did just that. The group that gathered to witness the ribbon cutting of our newly paved parking lot, was small but enthusiastic.

After the national anthem MC Ken welcomed the honorees and the rest of us to this memorable event. The cutting of the ribbon was done by Gerald Soroka, MP for Yellowhead, Mark Smith M.L.A for Drayton Valley- Devon, Pat Nystrom Club President, Ken Poffenroth Club Vice President, and myself President of the Canadian Legion in Thorsby.

M.P Soroka then spoke and presented everyone with a souvenir coin that had our Canadian crest on one side and her Majesty Queen Elizabeth II platinum Jubilee pin on the other. Also we were given a shopping bag, enclosed in a case and a closer. A very appropriate gift with the cost of bags now. I was pleasantly surprised and of course very pleased to receive the actual platinum pin from our M.P

MC Ken spoke again and said:

"The Thorsby and area seniors club would like to thank all of the volunteers for their help in whatever way they contributed to our Seniors' building and our newly completed parking lot. This facility will be here for the seniors of Thorsby and the county of Leduc residents for years to come. Special thanks to our Member of Parliament - Yellowhead Mr. Gerald Soroka for help in acquiring the New Horizons for Seniors Grant, and to our M.L.A . Mr, Mark Smith, as well as the Province of Alberta through their C.E.F.P Program. Our seniors would also like to thank the County of Leduc, the Town of Thorsby, the ATB and the other contributors to our finished seniors centre and Thrift Store".

The enjoyable afternoon ended with refreshments and fellowship.

TWELVE COMMANDMENTS FOR SENIORS

- #1 Talk to yourself. There are times you need expert advice.
 - #2 "In Style" are the clothes that still fit.
 - # You don't need anger management. You need people to stop pissing you off.
 - # 4. Your people skills are just fine. It's your tolerance for idiots that needs work.
 - #5. The biggest lie you tell yourself is, "I don't need to write that down. I'll remember it."
 - #6. "On time" is when you get there.
 - #7. Even duct tape can't fix stupid, but it sure does muffle the sound.
 - #8. It would be wonderful if we could put ourselves in the dryer for ten minutes, then come out wrinkle-free and three sizes smaller.
 - #9. Lately, you've noticed peoples your age are so much older than you.
 - #10 Growing old should have taken longer.
 - #11 Aging has slowed you down, but it hasn't shut you up.
 - #12 You still haven't learned to act your age and hope you never will.
- And one more:
"One for the road" means peeing before you leave the house.

MLA REPORT

from The Office of MLA Mark Smith,
Member of the Legislative Assembly
for Drayton Valley - Devon

Jobs are up, the budget is balanced, and Alberta has finished the fiscal year strong.

Thanks to a growing economy, improved energy prices, and a commitment to fiscal discipline, Alberta ended the 2021-22 fiscal year with a budget surplus of \$3.9 billion, the first surplus our province has seen in seven years. Further, the Alberta Heritage Savings Trust Fund grew to its highest net value in Alberta history – \$18.7 billion – earning \$1.95 billion in investments to bring the total value of the fund's investments to \$20 billion.

This is a strong economic turnaround that all Albertans can celebrate, and an opportunity to save resource revenue for future generations and avoid past mistakes that led to today's debt burden. In fact, our United Conservative government paid down the provincial debt by \$1.3 billion, so Albertans can look forward to a future without ballooning debt servicing costs.

Going forward, we will continue to focus on sound fiscal management. Our new set of fiscal anchors have already worked to get Alberta's finances back on track. This includes keeping Alberta's net debt-to-GDP ratio well below 30 per cent and aligning our overall spending levels with other comparable provinces.

It's fair to say the Alberta Advantage is back. Alberta has the fastest growing economy in the country, the lowest taxes, and an affordability advantage relative to other provinces of similar size. And with more than 200,000 new jobs created since 2021 and unemployment at its lowest level since 2015, our province has reversed the steep economic damage caused by the Notley NDP and their disastrous policies.

Despite all this good economic news, we know Albertans are struggling right now with high costs due to rising inflation. I want you to know that we are working to immediately make life more affordable for families and businesses. Just this past week, our government announced that we are extending the fuel tax cut on gasoline, diesel, and marked farm fuel until at least the end of September. We are also reinstating the Fuel Price Contingency Program for school

authorities, providing \$8.2 million in fuel cost relief to school boards for the current school year, and additional relief next school year if required. And soon we will be providing over 1.9 million households, farms, and small businesses with electricity rebates to ease the burden of utility bills.

Our government can help Alberta families fight inflation because our budget and our economy are in strong shape. Conservative policies have put Alberta back on a path to economic prosperity, and helped our province embark on another economic boom – one that is more diverse and resilient than the booms we've seen before.

In every corner of the province and in all sectors of the economy, optimism is growing for the future – and our government is working tirelessly to continue this economic momentum, while making life more affordable for working families.

I can be reached at the main constituency office in Drayton Valley at 1-800-542-7307 toll-free. The office is open Monday to Friday. The Devon constituency office is open every Wednesday and the phones are manned Tuesday to Friday at 780-987-3666 or I can be emailed at draytonvalley.devon@assembly.ab.ca anytime.

Laurie's Laughs

ME, WAITING FOR IT TO STOP RAINING

This morning my son said his ear hurt and I said on the inside or outside, so he walks out the front door, comes back in and says both. Moments like this got me wondering if I'm saving too much for college.

Just failed my driving test. When the examiner asked me "what sign would you expect to see down a narrow country road?" Apparently 'fresh eggs for sale' wasn't the answer...
