# Leduc County Recreation and Parks Master Plan

## *We need your input!*

Leduc County is proud to provide a variety of parks and recreation opportunities to our residents. We offer recreation programs, partner with local halls and societies on community-led events, take care of a number of parks, campgrounds and open spaces and maintain cost-sharing agreements with neighbouring municipalities.

To help us understand the current and future needs for parks and recreation services, Leduc County is undertaking a **Recreation and Parks Master Plan**. The plan will be a guiding document for the County for the next 10 to 15 years, and will be developed based on a thorough research program, which includes the involvement of residents.

### **GET INVOLVED**

Your feedback is an important part of our planning process! Watch your mailboxes for information on our Recreation and Parks Master Plan survey. We also have a number of community events planned where you can provide your input.

Learn more at [www.leduc-county.com/recreation-parks-master-plan](http://www.leduc-county.com/recreation-parks-master-plan).

For more information, please contact Dean Ohnysty at **780-955-4535** or [dean@leduc-county.com](mailto:dean@leduc-county.com).

# BREAKING NEWS!!

## THE TOWN OF THORSBY WEEDS ADVISORY

The Town Team loves to see your beautiful gardens during the warm months, and we encourage all gardeners to keep up the good work! However, it has been brought to our attention that some noxious weeds have been seen growing in resident gardens and despite how some may look like they smell pretty, they're nasty and some are very difficult to get rid of. Please check out the Alberta government's noxious weeds page at: [www.alberta.ca/provincially-regulated-weeds.aspx](http://www.alberta.ca/provincially-regulated-weeds.aspx) to learn more about which noxious weeds are prohibited and see if you might have any in your garden.

*Thank you from the Town Team!*

### UTILITY BILL PAYMENTS NOTICE

If you are paying your utilities through online banking, please pay at least 2-3 business days prior to the due date of the bill to allow for processing so that penalties are avoided. Banks indicate that 2-3 business days are a necessary allowance of time for processing.

# NEW LIFE CHRISTIAN FELLOWSHIP 100TH ANNIVERSARY

*from Pastor Glen McBride*

We are so grateful for a successful weekend of celebration on July 9th and 10th. This was a historical landmark for our assembly. 100 years in ministry to Thorsby and District. The open house and worship time on Saturday afternoon were incredible. Several of our former worship teams came and played sets of about 20 minutes. There was a great display in the fellowship area in the basement and a continuous slide show from the pictures of many years in the church. Cookies and coffee were served to the guests as they looked over these beautiful memories. We had a great time around the campfire on Saturday evening. We were "Singing in the Rain" a little with some of the wet stuff making an appearance. Guitars covered with towels or umbrellas continued to be played as we sang along.

Sunday morning service was packed with visitors from the past. Greetings and memories shared from Debbie Kunst, daughter of former Pastor Ronald Dowbush. A great message from former Associate Pastor, Brian Westnedge. Overall it was an awesome time of fellowship. The afternoon Celebration Luncheon and Service were well attended. Presentations from the Government of Canada, The Province of Alberta and The Town of Thorsby, as well as from the Roman Catholic and Lutheran Churches. We had a great historical presentation by Don Vath, and more great music, then a short message from our keynote speaker, Rev. Gary Tatinger, District Superintendent of the Alberta, N.W.T. District of the Pentecostal Assemblies of Canada.

It could not have been accomplished without the help of many people behind the scenes. We want to extend our thanks to our Anniversary Committee, our musicians, and our guest speakers. Thanks to our caterers, Kosmos of Leduc and our cake baker and decorator, Viola Park. We must not forget the many people that attended. Thank-you for coming and making our celebration so special. We want to extend our appreciation to our Mayor, Daryl Hostyn, MLA Mark Smith, and MP Gerald Soroka for your presentations. Thank-you to Our Lady of Victory Roman Catholic Church, St. Matthew's Lutheran

Church and other members of Thorsby's faith community for your presentations and attendance. We apologize if we missed anyone. We also want to thank God for a beautiful weekend and for being faithful through the years. God is awesome.

*Presentation from MP Gerald Soroka*

*A word from our MLA Mark Smith*

### The TOPS 10 Ways to Beat the Heat

1. Plan ahead to be active when the sun isn't at its peak. Get out early in the morning to garden or take a slow lope with your pup later at night, when the temperature is lower.
2. Spritz yourself. Keep a spray bottle in the refrigerator and when you come in from outside, treat yourself to a cool and refreshing mist. As the water evaporates, it helps bring your body temperature down.
3. Lighten up-instead of a giant hamburger, opt for a fresh summer salad for lunch, which is lighter for your body to digest and won't leave you feeling sluggish in the summer heat.
4. Embrace the aquatic life. Try any number of water-centric activities like kayaking, paddle boarding water aerobics or swimming.
5. Stay hydrated! This seems like a no-brainer, but it's easy to become so preoccupied with summertime shenanigans that we forget to drink enough water. Keep your water bottle handy. One can also cool off with hydrating fruits like watermelon.
6. Go bare (foot that is) Not only is it more fun to pad around on your peds, it can also keep you cool!
7. Shuck your shoes, but watch your step.
8. Freeze fresh fruit, like blackberries or blueberries, and use it to chill your iced tea or flavor your water.
9. Cool your whole body, creatively. Dip a towel in cold water and apply to your pulse points (the underside of your wrists, and the back of your knees and neck). This will cool you down in a jiff.
10. And remember! Stay sun savvy. Educate yourself on what SPF sunscreen you should use, for the level of UVA and UVB protection you need and how much of it you should apply to each part of your body.

### To all Connoisseurs of Good Puns.....

- How does an attorney sleep? First, he lies on one side, then he lies on the other side.
- How do you make holy water? You take some regular water & boil the hell out of it.
- Will glass coffins be a success? Remains to be seen.
- What's the difference between a hippo and a zippo? One is really heavy and the other is a little lighter.
- Two windmills are standing in a wind farm. One asks, "What's your favourite kind of music" The other says, "I'm a big metal fan."
- Hear about the new restaurant called Karma? There's no menu - you get what you deserve.
