LONE WOLF MECHANICAL'S 4th ANNUAL CAR & TRUCK SHOW & SHINE

In 2019 when Sabrina & Jim, owners of Lone Wolf Mechanical, had their first Show n' Shine, they had only 5 cars, 6 bikes, a couple of big rigs and about 100 people. This year they are expecting about 100 cars, over 1000 people and have added Mega trucks crushing cars, tug of war and more.

You can also participate in the live auction just before the Car Crushing for the chance to ride in the truck as they run over the cars. **CAR CRUSHING STARTS AT 1PM!**

Lone Wolf Mechanical is also a huge supporter of our community with money being raised for the local Lions Club, a bottle drive for the Thorsby Historical Society and Communities in Bloom will set up at their shop at 4813 - 50 Avenue selling Beef on a bun.

Come out and support another great Thorsby event!

Thorsby Communities In Bloom Update

Hi Everyone

We hope you all are having a fabulous summer so far. We just wanted to take a moment and let you all know what we have been up to because as you know a gardener is always busy in the summer. Our dedicated group of volunteers and Summer Student have been watering and weeding the planters when required that you all are visually enjoying over the summer.

Early this summer CIB Members stained the Gazebo at Taylor Park to bring back the luster of the cedar wood as well as used some Charcoal Grey Stacking Stone to surround a Linden Tree also located at Taylor Park. We are getting ready to landscape around the Outdoor Photo Booth where we will plant a mix of perennials at the Lions Campground.

As you may have read in the Thorsby Target, Thorsby Communities In Bloom has received approval from Council to plant the 13 fruit trees, and 24 berry bushes in an open naturalized area which is just east of the Lions Campground. This area will not only serve as a Community Orchard going forward, but it will also serve the trail users with a zesty treat when walking or running past. The money to buy these trees and bushes are from a successful grant application from the Canadian Mental Health Association (Rural Mental Health Project) In the grant CIB plays an important role in finding a suitable location to plant the trees and bushes. With Council, Administration and CIB Volunteer engagement several areas were proposed and debated. Planting must be done along the trail's edge as stated clearly in the grant. The location chosen offers room for future expansion nestled in a treed cove of protection. All trees and shrubs will be labeled and have brief descriptions on them.

As for fund-raising you will have noticed we fund-raise a lot during events here in town such as the Party In The Park Event, the Canadian Arm-Wrestling Championships at THB and **this weekend where we will be SERVING DELICIOUS BEEF ON A BUN AT THE THORSBY SHOW AND SHINE sponsored by Lone Wolf Mechanical. You can find us set up in front of Lone Wolf Mechanical from 10am-5pm**

Saturday August 27, 2022. We also will be serving hotdogs, chips and cold refreshments and FREE coffee throughout the day. Your support is always appreciated.

Finally, if you're interested in joining our team of CIB Volunteers, we are always looking for more help and we promise to always make it fun! Contact Barry CIB Chair for more info. 780-983-2096 .

Come say "Hi" at our table at Community Awareness Night Sept 21 6-8pm at Arctic Spas Recreation Complex Field House.

TOWN OF THORSBY REPORT

by Shawna Ofstie & Carol Rempel

COUNCILLOR DOES NOT BELIEVE CFO

At the August 23 Town Council meeting Interim CAO Donna Tona asked Councillor Cory Gilbert to apologize to Interim CFO Cindy Van Leest after he declared that the report released 2 weeks ago had "zero actual documentation". Councillor Gilbert, the only remaining Councillor from last term, was asked by a resident taxpayer to resign in light of the CFO Report from the public meeting on August 9, 2022. His response was "I would like to point out that the report from the CFO had zero actual documentation", "anybody can say whatever they want", "I have a very different interpretation of what has occurred". CFO Van Leest explained that she has the back up documentation but he had never asked for it. She also stated that she would not bring anything forward without the documentation to back it up and he or anyone else is/was welcome to see it anytime. As a registered CPA she reminded Council that she signs a document every year stating she was ethical and would not make public statements that were not the truth. CAO Tona stated that in all of the Council meetings she has attended over the years "at no time have I heard a professional be berated by a Councillor as to ethical considerations" and demanded an apology to CFO Van Leest. Councillor Gilbert then apologized for his tone but would not apologize for his comments. Mayor Hostyn apologized to the room for the tone of the meeting and said the auditors will confirm it all "because they didn't pull it out of a hat".

FEES AND SERVICES BYLAW #2202-05

There was some discussion to change from a lifetime licence to an annual licence to help the administration keep track of the number of pets and fees more accurately. If a resident already bought a lifetime dog licence it will be grand-fathered in and they would not be charged for an annual one. More changes to the bylaw will be discussed at the next Council meeting including removing photocopies and fax services and rates for home-based business owners.

ROAD CLOSURE SATURDAY

The council passed a resolution for a road closure on August 27 for Lone Wolf Mechanical Show and Shine from 46 avenue to 50 avenue from 10:00 am to 5:00 pm.

LETTER TO MLA

A letter will be drafted and sent to our MLA Mark Smith regarding the Council's opposition to changing from the RCMP to a provincial police force for various reasons.

COMMUNITIES IN BLOOM

CIB members volunteered to pull the weeds on the

boulevard on Hankin Street rather than have them sprayed. There was some discussion regarding future changes to the boulevard in 2023.

CFO REPORT

Our interim CFO advised the Council that the audit is in progress. It will cost much more for the audit than budgeted for. The cost is yet to be determined.

Agendas and Minutes are now online at www.thorsby.ca for a full report on the meetings.

THANK YOU

Communities in Bloom (CIB) volunteers and helpers Max & Sully Johnston for cleaning up the boulevards. We are so grateful of you and your efforts!

LETTERS TO THE EDITOR

Wow last weeks letter to the editor thank you for opening my eyes.

I had no idea Thorsby became so unfriendly when it reached town status. Here I was under the impression that it's been the same wonderful place that I grew up in. Where people say "hi" and wave or open doors for you, and the amazing volunteer organizations that bolster and help our community.

Now I can see how you might be bitter now that your partner is no longer on council anymore. But I can tell you this town still has the respect and friendliness you think it's lacking.

Let me say to you what we teach our children, just because things don't go the way we want them to doesn't mean we can lash out.

This is the same wonderful town I have always known, just sit back and take a look at the growth we have seen like the children of the town all grown up who now run their own businesses.

Keep your chin up love it's not like your partner lost by a landslide no need to be sour. We the people who voted for the current mayor and council will still show you our small town charm, just like our wonderful Ku's did. You just have to open your eyes and heart to it.

Christina Hughes

I want to do a huge shout out to the volunteers of CIB. You guys have really done an amazing job and it hasn't gone unnoticed. Your hard work and dedication really makes this town a beautiful place to live.

Sincerely
Linda Legault

Letter to the Editor

Reading the Town of Thorsby Report in the August 19, Target, I was amused by the CIB report that they (administration and Communities in Bloom) "have identified an ideal location for the fruit trees to be planted. A pathway running from the Lion's

Campground into the trails provides shelter and protection for the fruit trees and edible bushes in a natural environment."

Are you kidding me. A natural environment for fruit trees is in the open, with lots of sunlight and a chance to share the efforts of pollinating insects.

The only beneficiaries would be the deer in the spring, who, as denizens of the natural environment would have easy access to the juicy buds of the trees. If you don't believe me, ask around. In my case a wandering deer has recently jumped the fence to snack on the flower buds on our Rhododendron and most of the flowers on the Sedum before the neighbour's kids scared her (the deer) away.

If the trees planted in that location were to survive- which I highly doubt- how many townspeople are even going to see them or enjoy the beauty they show and the fruit they would produce. If the residents of our town, or visitors are to take in the spring beauty and the fall harvest the trees must be placed in locations acceptable by all. After all, the trees belong to the residents, not the sole ownership of CIB.

I can think of a number of public spots that would benefit from the placement and viewing access of some trees or shrubs to complement what might already be there. What about the North side of Taylor Park. It was always my intention to donate and plant three or four flowering and fruit bearing shrubs such as Saskatoon's, or Evan's cherries in that location. The area to the North side of the recreation centre would be an ideal location for planting. The boulevard at the former farm centre could be considered or the open area on the west side of the road before crossing Weed Creek. How about a few flowering plants to brighten up the "laughing stock" condition of our highway entrance sign.

At any rate, please take the time to consult an arborist, or someone like the owners of the cherry orchard south of town.

Respectfully submitted,
Ivor Foster
