## BRETON ELEMENTARY HILLBILLY WEDDING

*story from Breton Elementary School Facebook*

Wow...just wow! Words fail to describe how completely humbled and grateful we are here at Breton Elementary by the overwhelming support and generosity we experienced at the Hillybilly

Wedding Fundraiser last night. The event sold out, and it was wonderful to see past and present BES families, as well as other community members, come together to help raise funds to support programs, events and equipment that will

enhance the teaching and learning at our little school. While I don't have final numbers at this time, at the end of the live auction last night this wonderful community had already donated over \$22,000! Needless to say we were speechless - that kind of love and support is beyond words.

So here's a BIG THANK YOU to the ladies of Breton Elementary Parent Council! This was all you - the idea, the organization, the rounding up of volunteers, the coordinating of committees and people - and you did an AMAZING job! And thank you, as well, to all the parent and community volunteers who gave of their time and expertise to support this event. This event was a LOT of work, and we

acknowledge the many hours of time and energy that were required to make this happen. Again...we are speechless with gratitude.

We will make sure to post updates on the equipment and experiences

that your generous donations will make possible this year. We are so excited to be able to get some much needed equipment, and plan for some awesome experiences and field trips for our kids - especially after these past two years of Covid restrictions!

Thank you again, and bless you all for your awesomeness!

## ALBERT RCMP MAJOR CRIMES UNIT INVESTIGATE HOMICIDE NEAR BRETON

Brazeau County, Alta. - On Oct. 17, 2022, Breton RCMP received a report requesting a welfare check on a male at a rural property in Brazeau County. Upon arrival, officers spoke to and arrested a male on outstanding warrants. After conducting a search of the property, RCMP located a deceased male. The Alberta RCMP Major Crimes Unit was called to investigate. The deceased has been identified as 67-year-old Robert Charles Marshall, a resident of Brazeau County.

On Oct. 19, 2022, an autopsy was conducted by the medical examiner who determined the manner of death is a homicide.

As a result of the investigation, RCMP have charged Shane Allen Marshall (37), a resident of Rimbey, with second degree murder.

Shane Marshall was taken before a Justice of the Peace where he was remanded in custody with his next appearance set for Nov. 9, 2022, at Breton Provincial Court.

As this matter is now before the courts, RCMP are not able to comment further.

## Greetings from Breton Elks Lodge #402

Well, hello everyone. Hope all is well and everybody has potatoes in the bin. A slight taste of winter is coming down on us today, which means that fall is getting ready to say hello to winter. With that it is time to start preparing for Christmas. This gives an opportunity to get together with our kids and grandkids and over eat.

At this time, we need to welcome Alan Baines to our lodge as our newest member. Welcome to Elkdome Alan and we certainly hope your time will be rewarding and enjoyable. Also David Coates of Sherwood Park paid an official visit, as District Deputy, to our meeting. A very pleasant visit was had along with his professional wisdom moving forward.

Discussion was held with regards to the upcoming festive season. The planned kick off to Christmas is November 27. FCSS, Ag Society and Elk members are now busy laying out the plans to accommodate this day.

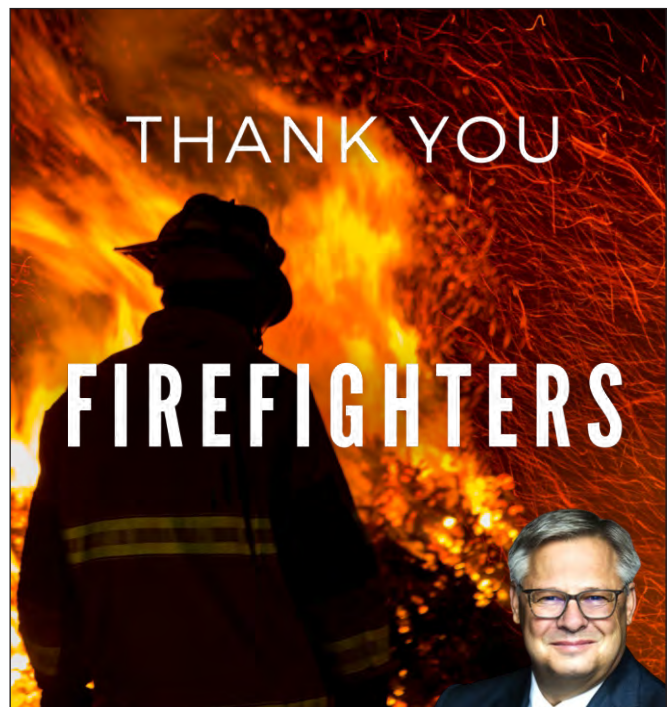

A Community Christmas Dinner was discussed, but no final plan has been determined. More information will be presented in coming weeks.

Plans are starting to come together for next year's Annual Grand Lodge Convention. This event is a specialty for our lodge as one of our own members will be given the job of Grand Exalted Ruler.

More discussion took place regarding the R.V. Park, as camping has come to a close for this year. It was noted that some issues were experienced with the new booking system. But at the end of the year, all worked out and we now can look forward to next year.

The new sound system for the Community Centre is slowly coming together. A supply of material is holding back completion of the project.

So in conclusion I feel it's time to wish everyone a fun-filled weekend and wish everyone safe travels. Until next time may you enjoy Good Health and Happiness.  
Will Chat Soon.

By definition, “*Trauma is a term used to describe the challenging emotional consequences that living through a distressing event can have for an individual.*” (Center for Addiction and Mental Health, CAMH)

form of trauma. A person who has experienced a traumatic event can potentially develop *simple or complex Post Traumatic Stress Disorder (PTSD)*. What this means is that simple PTSD can happen when you experience a single distressing event but complex PTSD tends to rise from long-term chronic trauma. This can affect a person's capacity to form and stay in a healthy trusting relationship. Complex trauma in children is often referred to as developmental trauma. We also know that trauma can have a lasting emotional response and can harm a person's sense of safety, sense of self awareness, and ability to regulate emotions and navigate relationships. Long after the traumatic event occurs, people with trauma can often feel shame, helplessness, powerlessness and intense fear (CAMH).

*How have you been feeling? Do you get angry more quickly and stay angry? Do you know why you are angry? Sad? Frustrated? Maybe you have experienced a sense of loss that you cannot explain? Do you feel you need to control things around you more than you have in the past? Do you feel irritable, hyper-aware, or jumpy? Have you withdrawn from friends, family, or other loved ones? Do you use substances to cope with your symptoms? Is it difficult for you to function in daily life? Have your symptoms lasted for a month or longer?*

*One example is my own response to a word in particular, the word is cohort – now I am not debating what was right or wrong, but I am sharing my response to the word and what it triggered...my body shut down and my stomach began to hurt, and my chest felt heavy...I realized I was dealing with some unresolved trauma.*

Peace my friends,

## LETTERS TO THE EDITOR

To the Village of Breton

We would like to take this opportunity to thank Dana and Jordan and their employees for yet another awesome season of golf. We have been senior members for four years and store our golf cart in the cart barn.

We drive out from Edmonton to experience this well maintained and well managed golf course in a rural setting. Away from the hustle and bustle of the City. Having worked in the golf industry for over twenty-five years I understand all too well what it takes to manage a facility such as the Breton Golf Course. Jordan and his very meager staff works extremely hard to ensure that the member's and guests have an awesome experience each and every time they are out.

The course staff have done a remarkable job this year of clearing brush, trimming branches and the constant watering of tees and greens as a result of our extremely dry season. The clubhouse staff are always friendly and accommodating.

We hope that the residents of Breton realize what an asset the golf course is to the community. While we are out here enjoying this experience, we support all the businesses in the village. To name just a few, the hardware store, the drugstore, the restaurants, the food store, the liquor store, the gas bar and lastly the golf course and restaurant itself. Fast friendships have developed with the summer residents in the RV park over the beloved game of golf.

We look forward to 2023 and hopefully we will see Jordan and his family for another season.

Respectfully submitted  
Mel & Darlene Davis  
Brett & Joan Hall

**Now I've seen it all!**

The squirrels must be expecting a cold winter. They're gathering more nuts than usual. Yesterday, my sister disappeared.

I don't want to adult anymore. I don't even want to human. I want to goat. Just eat all day and head butt anyone who annoys me.
