

# THE WARBURG BUGLE

## ALWAYS SOMEWHERE TO RUN

by Shawna Ofstie

On October 1 I had the pleasure of attending the Nowhere to Run walk/run in Calmar on their great trail system. Their mission is to raise awareness and funds for mental Wellness and to remind the community that they are not alone.

For the first time, this organization presented 4x \$500 awards to students who submitted essays outlining their contributions to community wellness and maintaining or regaining personal mental health.

Mackenzie Dancause from Warburg School was one of the recipients. Mackenzie is a grade 12 student who volunteers in the Warburg Library, and is a lead in her school's Jack Chapter. In the summer, she ran children's programs that provided a safe place for children to run around, play games for children to run around, play games and be active. Mackenzie is always available to listen to anyone in need. Along with her mom and two sisters, Mackenzie also volunteered at the event cheering us on and directing the participants to their destination. Thank you Mackenzie for all you do!

Another highlight of this event was keynote speaker Chris Koch who when he is not helping on the farm, travels the world as a motivational speaker. Chris was born without arms and legs and has proven that you can overcome any obstacle. He is funny and willing to answer any questions you have, even ones you are afraid to ask. Check out his website [www.ifican.ca](http://www.ifican.ca) for more information about this amazing man and his mission.

annual event.

## LEDUC REGIONAL HOUSING FOUNDATION - CLOVERLEAF MANOR

*By Shawna Ofstie*

I recently had the opportunity to meet Manak Dhillon, Leduc Regional Housing Foundation's Lodge Manager – Planeview Place. In conversation I learned more about Cloverleaf Manor, the beautiful 60 unit seniors lodge that is located in the heart of Warburg. I grew up and went to school in Warburg so I have visited it a few times but had no idea all this facility had to offer its residents.

Cloverleaf Manor is not as isolated as you think. Like other seniors lodges they provide daily meals, snacks and weekly housekeeping...but did you know that they have their own bus for outings? Here are a few other amenities:

- 24 Hour onsite friendly & knowledgeable staff
- 24 Hour security, emergency call system, smoke detectors
- Personal laundry services available for an additional fee
- Power parking stalls available for a monthly fee
- Individually controlled heating and cooling in unit
- Exercise room
- Onsite hair salon
- Library
- Cable TV
- Outdoor patio
- Daily activities

Warburg has many amenities including an advanced life support ambulance stationed at the Fire Hall. The Cloverleaf Manor also offers "Meals on Wheels" to the community.

Leduc Regional Housing Foundation (Cloverleaf Manor) has also partnered with AHS and the George Spady Society where 13 of the units at Cloverleaf Manor are dedicated to mental health and addictions recovery.

Keep an eye out in upcoming issues of the Warburg Bugle for all things Cloverleaf Manor! For more information on this great place call Kim at 780-848-7717. Follow Leduc Regional Housing Foundation on social media (Facebook, Twitter or Instagram) and check out their website at [www.leducregionalhousing.ca](http://www.leducregionalhousing.ca).

*If you, a friend or family member are considering a place to retire in rural Alberta, consider Cloverleaf Manor – they are making a difference everyday!*

### Shop Local Campaign

Positive feedback was received for the Village's first attempt at a Shop Local campaign, encouraging residents to 'think local' first when making purchases.

Nearly 700 transactions involving 83 residents were recorded during the campaign. The effort, originally planned for the month of July, was extended to include August, building on initial positive interest and allowing more time for residents to participate. The campaign included the chance to win a prize for any resident shopping local (and getting their card signed) during the campaign, with the odds of winning increasing with more purchases.

Ten businesses participated through promoting the campaign and signing purchase cards. Another few businesses graciously contributed to the draw prizes. Eight prizes in total were provided by Village businesses. Congratulations to the following shopping winners:

- Diana Bachand
- Shawn Lachance
- George Krieger
- Lynn Dwyer
- Gail O'Neil
- Darlene Reid
- Shelley Davis
- Linda Shea

While representing a grassroots effort, the campaign is part of the Village's broader economic development plan, which includes strengthening the local commercial base. As shared previously, while the majority of retail spending 'leaks' outside the Village, common for smaller communities located near major centres, residents express a desire to support local:

- 100% of residents agree that having local shopping options is important - and 62% indicate this is *very* important
- residents are willing to pay on average a 13% premium over big city prices to have local options (recognizing businesses incur transportation fees to bring products in)

The Village's retail analysis shows strong potential exists for increased local business - residents (including the Kart club and county residents in the broader trading area) indicate the potential exists to spend up to **\$3.3 million more** annually if a broader selection of goods and services is available.

So the potential is there! But it starts with supporting the businesses we have to make Main Street more vibrant and encourage expansion of offerings. And vibrant local business creates jobs and helps attract residents, which drives more commerce, in a virtuous cycle.

Watch for the next version of the Shop Local campaign and keep working with area businesses to build a thriving commercial sector in the Village.

## Warburg Village Market

The leaves fall as the wind blows, and the countryside changes from its green nature to the boisterous colors of fall foliage. Briefly, I love autumn, the one season of the year that seems to be there just for the beauty of it. Fall colors are funny. They're so bright and intense and beautiful. It's like nature is trying to fill you up with color.

Enjoy the cool crisp air with a hot chocolate out by the fire. Comfort foods once again, the tomato soup and grilled cheese.

All the earthy produce can be found here at Warburg Village Market. Nature's bounty. And yes, we will have pumpkins. Don't forget to see our flyer for all the fall savings. Thank you for your support.
