## DIRECT LINE INSURANCE & THE WARBURG CULTURAL SOCIETY

*by Shawna Ofstie*

Warburg Cultural Society members were very grateful when they were presented \$5,000 toward their renovation project from Wawanesa Insurance. Gord & Carol Enders of Direct Line Insurance in Warburg nominated the Cultural Society to receive this funding through Wawanesa's "Capital" Donations program. This program supports infrastructure, investments, equipment/technology improvements, programs that have a significant start-up cost, etc. (but not endowments), and are generally of a one time nature. Projects and programs must support one of their five focus areas: Arts & Culture; Community Activities; Education; Health; and Social Services and charities which provide wide community support and broad community benefits will be considered first. Some of the prior campaigns have included: building a garden gazebo at a nursing home, purchasing a new van for a High School for their field trips, assistance to a large

affordable housing project, CT Scanner donation to a public Health center and donation for the purchase of Chromebooks to an inner city school.

Direct Line Insurance has been temporarily working out of the Warburg Cultural Centre since December of 2021. Almost a year ago on November 28, 2021 a stolen front end loader was driven through the building in an attempt to remove the safe. The criminals attempt was unsuccessful but they managed to destroy the building so it could not be salvaged. It has been a long process and due to the delays and shortages still felt by "COVID" the hole remains where their building used to stand. Thankfully they are hoping to break ground in the next month according to owner Gord Enders.

Gord expressed his appreciation of the Cultural Society for allowing them to rent the building over the past year and to all of their customers and clients. This was a blessing in disguise for the Cultural Centre who had to shut down anyway during much of the time therefore they could still bring in a steady income. The Cultural Centre is excited to begin renovations once Direct Line's building is completed, hopefully by next summer.

## WARBURG BRANCH NO. 205 THE ROYAL CANADIAN LEGION

Dear Legion Members and Friends.

As members of The Royal Canadian Legion, our mission is to serve Veterans, including serving military and RCMP members and their families, to promote Remembrance, and to serve our communities and our country.

The legion exists so that we "Never Forget" their sacrifices, which have given us the freedoms that we enjoy each day.

Legion Branches are the cornerstone of communities across Canada and provide one of the largest volunteer bases in the country, helping Veterans, supporting seniors, providing youth Art & Literary programs & sports programs, raising funds, volunteering to help those in need, or simply offering a place to gather for fun and celebrating. Legionnaires provide essential services to their communities!

Warburg Branch No. 205 received its Charter in 1946. Since that time Veterans, their families and volunteers have worked hard to serve our Veterans and our community. At this time, our branch has come to the "Y" in the road. A big decision must be made to save our Legion Branch. This cannot be accomplished by a handful of members; we need your help! You do not need to be a family member of a Veteran to become a Legion Member, "Anyone can join the Legion!"

If we cannot recruit members to carry our branch into the future, we will have no choice but to "Surrender the Charter". The outcome of such a decision will mean No Poppy Campaigns, No Remembrance Day Ceremonies, and No Poster & Literary contests for our students, as well as many other ways this will affect our community that had become regular events, Pub evenings with live entertainment, The Breakfast Special, and Theme dinners. There are groups who we have supported over the years, being youth advocates to The Cadet Program, Girl Guides of Canada to name a few.

We are asking you to put your heart and mind into the reason we are reaching out. Please, we are asking for your support and become a Legion Member to support the Legacy that we wish to continue.

We invite all members, community interest or general public to a **Potluck Dinner at 5:00 PM on October 23, 2022 at The Warburg Legion followed by Crucial Decision Making Gathering! Please bring a dish of your choosing!**

The flame never dies though, we **WILL BE HOSTING REMEMBRANCE DAY SERVICE ON NOVEMBER 11, 2022, AT THE PIONEER AGRICULTURAL CENTER!**

This will be followed by a **Soup and Bun** luncheon!

Along with this we will be in full swing with The Poppy Campaign featuring our very popular Poster and Literacy contests for all surrounding school, home school students!

Poppy Trays will be placed within the communities of Breton, Sunnybrook, and Warburg.

Our Popular Wreath Rental Program will be available for those who are interested in renting a wreath for representation of their business, community group or family designation.

There is a flame in our group to **"Revitalize the Warburg Legion"** by becoming an active part of The Warburg Legion Activities that are being planned.

Of course, The Warburg Legion Hall is available for Rent for meetings, luncheons and functions, break-away for Hockey teams and other groups with great rates! Watch for further development on this!

We would like to **Welcome all New Residents to Warburg** and invite you to attend some of our events, we would love to meet all!

Watch out for our Events Calendar in all papers!

Yours in Comradeship

# WARBURG SCHOOL WALL OF FAME

*Warburg School has a tradition of "excellence in all endeavors", which for many years was the school motto. Our Student Wall of Fame reflects this motto and also encompasses our present Leader in Me practice and our school mission statement:*

*The inductees on the Wall of Fame are a representation of Warburg School alumni who have been nationally or internationally recognized in achievements from many different paths in life. We believe that all of our students have the ability to achieve great things and be proactive in their life goals...and here are the 2022 Wall of Fame Recipients*

**FARAH ELAWAR (WS Grad '11)** was inducted onto our Wall for her achievements in research focusing on respiratory syncytial virus (RSV) strains - the leading cause of child hospitalizations worldwide. Farah was a core member of the research team that solved the 80 year mystery of the receptor for R.S.V. This was first published in Nature, the most prestigious journal in the field of science. Farah had presented her research internationally, including Argentina, Ghana and the U.S.A. During her studies at the University of Alberta she was awarded a coveted graduate fellowship by the Women's and Children's Health Research Institute that supported her doctoral studies. Farah was also honored with the John Thibault Good Citizen memorial award for exhibiting good citizenship in the department of Medical Microbiology and Immunology.

Tragically Farah was killed in a car accident on July 18, 2021. To honour her memory, and to encourage & inspire our current students, the Elawar family have set up the Farah Elawar Memorial scholarship.

*Mr. Elawar, along with Wall of Fame nominator, Mel Sibley, hold the biography of Dr. Farah Elawar who was inducted onto the Warburg School Wall of Fame on October 18th.*

*Wall of Fame inductee Nancy Farmer and Wall of Fame Committee Chairperson, Gladys Meinczinger presents the framed biography to Warburg School.*

## **NANCY FARMER (WS Grad '84)**

was nominated by Angie Hrihorow and selected by committee to be inducted onto our Warburg School Wall of Fame for her accomplishments in her 23.5 year career with the Calgary Police Service achieving the rank of Inspector, and now as a Sergeant in charge with the Tsuut'ina Nation Police Service.

Nancy held certification as a hostage negotiator and was a Nationally certified Critical Incident Commander for the Calgary Police Service. In 2017, she was selected to be the only female commander in Canada in charge of a Support Section. This section comprises the Mounted Unit, Canine Unit, Air Services Unit, Crisis Negotiations Unit and Tactical Units. She instructed components of the Incident Command course and the Basic and Refresher Crisis Negotiator courses held at the Canadian Police College in Ottawa, Ontario.

She was one of the facilitators for the rollout of R2MR – Road to Mental Readiness training for the organization. This program builds awareness of mental illness and operational stress injuries through education in reducing stigma. She served as the Secretary and Treasurer for the Senior Officers Association for several years and she currently sits on the Board of Directors for the Alberta Women in Policing (AWIP) committee. Inspector Farmer is a recipient of the Chief's Leadership Award (2018), the Exemplary Service Medal (2017) and Alberta Emergency Services Medal (2018). She believes that kindness is not a weakness and that accountability for everyone including herself in any organization is critical to having a successful workplace.

# FUNDRAISING NEWS

Warburg Parent School Society Fundraising Newsletter

## In this issue:

- About WPSS
- We need you!
- New Secretary Jaylynn
- Project Apollo update
- Next meeting 17th Oct

**Warburg School Council** is a structured group of parents, the school principal, teachers, students and community members whose purpose is to advise the principal and the school board respecting matters relating to the school. It is a means for parents and community members to work together with the school to support and enhance student learning.

**Warburg Parent School Society** is a fundraising branch of the Warburg School Council and its primary directive is to raise funds to purchase items that benefit all students of the school. In the past, the Society has purchased a large laminator, the score clock in our high school gymnasium, STEAM (Science Technology Engineering Arts Math) items for individual classrooms and 60 pairs of snowshoes to name only a few. Their fundraising was instrumental in recently purchasing a large number of items to begin our coding and robotics program at the school. Current fundraising efforts will go in part towards the purchase of some much-needed outdoor playground equipment.

## We need you!

Although all executive positions were filled at September's AGM, we would love for more volunteers to join us, so we can continue to offer fun lunches, like those from Subway, Boston Pizza, Burger King and our Hotdog Days. If you have a few hours to spare, please contact the school or reach out to our email address below. Better yet, we invite you to join us in person or virtually for our next meeting on Monday 17th Oct., at 3,30pm.

## Welcome Jaylynn!

We warmly welcome Jaylynn Postnikoff as she joins us as Secretary this year, and send a big "thank you" to Nikki Webber for all her contributions last year.

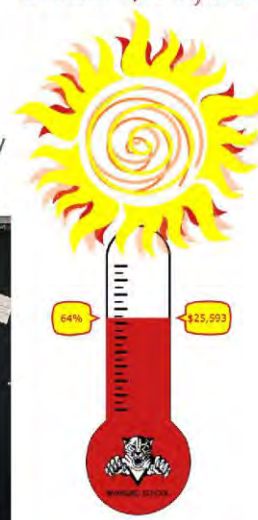

## Project Apollo

Thanks to some very generous donations, such as the one pictured below from Calmar Ag Society & Leduc Coop, we are *much* closer to our goal. Thank you to the Prins family for their nomination.

The Dream Daughter by Diane Chamberlain. I enjoyed reading this book about time travel. It is well written and full of twists and turns that are quite surprising and draw the reader in, I wanted to get to the end and see what happens to the Characters, yet I did not want the book to end! The Characters have to step off at specific scientifically calculated points, for example off a large pier over the ocean or the top of a very large tree and into a portal of time, where the character gets dropped off, very gently in another place and time. Carly lost Her Husband to the Vietnam war and right after found out she is pregnant with her husbands baby. Carly's pregnant in 1970 and the baby needs heart surgery that can only happen in 2001, she is told by her time traveling Brother in Law, He has traveled from 2001 back to 1970 and had decided to stay. There is only one catch and that is people can only step off and time travel 5 times. Carly goes back and forth a few times, she ends up losing her daughter to another family, as calculations are off due to the 9/11 disaster and she ends up in 2013 when she comes back to claim her baby, then when she decides to stay in 2013, she finds out her husband did not die in the war.....! This is a definite must read
