

THE BRETON BOOSTER

Halloween Comes Early Breton Museum's Spooktacular Trivia Contest

by Allan Goddard

After a hiatus of nearly three years, due to Covid restriction the Breton Museum Trivia Contest fundraiser has returned. On Friday October 28, ten teams of enthusiastic trivia players descended on the Big Tee Restaurant to challenge their trivia knowledge against the other teams.

The first order of business for the teams was to come up with a unique team name. Some of the more interesting names included: "Start the Car", "Top Hats", "Repeat Offenders", "Miss Swiss & the Milkmaids" and "Sex Drugs and Sausage Rolls". You can only wonder what goes on deep in the minds of trivia players. The contest consists of six rounds with ten questions in each round. This year the teams were challenged on their knowledge of: Useless information, Animal World, Behind Every Great Man...Famous Wives, Food, Scary Movies, Formerly Known As, So You think You Can Drink, Da Train Da

2022 Trivia Champions the "Antross Flapjacks"

Train, Double Duty "J", and of course this year's movie "It's the Great Pumpkin Charlie Brown".

The "Finger Licking Good" team was awarded Best Dressed.

After each round the scores were tallied, to the sound of wild cheers and groans, as the correct answers were revealed. As each round progressed the leader see-sawed back and forth between about four teams. It wasn't until after the completion of the sixth round that the 2022 Trivia Champions of Breton was determined. Drum Roll Please. This year's honor goes to the "Antross Flapjacks" which consisted of: Fox and Azurlee Johnson, Elwood and Barb Johnson, Andrew Farrow and Shelley Farrow. The team was presented with the coveted engraved travel mugs indicating they are Trivia Champions. In addition to crowning the Trivia Champions there was a prize for the Best Dressed Team. This honor went to the team "Finger Licking Good", dressed as Colonel Sanders and his chickens from Drayton Valley.

The Breton Museum would like to thank all the individuals who supported the Trivia Fundraiser this year. Also, a BIG THANK YOU to the Big Tee Restaurant for the use of their facility to host the event. Bev, Tammy and their staff out did themselves in serving the wonderful food and drinks to the trivia players. The fresh baked desserts were especially delicious.

FIRST DEGREE MURDER CHARGES LAID, IN RELATION TO DEATH OF WETASKIWIN MISSING PERSON

On Oct. 20, 2022, Wetaskiwin RCMP received a report that Brian Michael Dupe, 63, was missing and had not been seen since Oct. 14, 2022. An investigation was launched and the Alberta RCMP Major Crimes Unit was brought in to assist.

Through the course of the investigation and with information received from the public, human remains believed to be Brian Dupe were located in a rural area west of Alder Flats, late in the evening of Oct. 22, 2022. An autopsy was completed by the Chief Medical Examiners Office on Oct. 24, 2022 which confirmed the identity of the remains was that of Mr. Dupe.

Investigators had obtained a warrant for 27-year-old Cashtin Lee Joseph, for First Degree Murder and asked for the public's assistance to locate him.

At approximately 4:15 pm Oct. 26, 2022 Cashtin Lee Joseph was located and arrested in Millet, Alberta, by the Wetaskiwin RCMP Crime Reduction Unit with the assistance of Wetaskiwin Detachment, Maskwacis Detachment, and Major Crimes. He was taken into custody without incident and will have a bail hearing in the morning of Oct. 27, 2022.

In addition to the arrest warrant, RCMP have arrested a second male suspect in this investigation. 49-year-old Stanley Victor Howse has been remanded into custody on a charge of First Degree Murder and is scheduled to appear in Wetaskiwin Provincial Court on Nov. 1, 2022 at 9:30 am.

The investigation is ongoing and Alberta RCMP are grateful for the public's help in identifying and locating the accused.

Anyone with information on this investigation can contact the Wetaskiwin RCMP at 780-312-7200. . If you want to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at www.P3Tips.com or by using the "P3 Tips" app available through the Apple App or Google Play Store.

Soul Care

The tears started to flow...I had no idea what was happening.

On our way to the mountains, we stopped for a coffee, and I had picked up a takeout cup, as I thought it would be easier to drink from and as I looked at it, I started to tear up. My dad loved Timmy's. Every year I had so much fun buying him all kinds of cups and coffee from Tim Hortons. It has been almost eleven years since dad passed away and the memories came flooding in.

Grieving is more than just about someone dying. It is about losing someone or something that mattered to us. I was reminded that the stages of grief are a cycle, and we tend to cycle in and out of bargaining, denial, anger, depression, and acceptance. I am not sure what cycle I was in eleven years later, but I knew I was sad, and I miss my dad. He was my person.

Scripture reminds me to be honest and open with my emotions and that it is OK to ask the hard questions. Why God? Why was my dad taken away so early...he never got a chance to meet his Grandkids...He had passed away six months before

we flew to China to bring home our daughter. It was such a difficult and complicated year. Maybe that made me sad, knowing he will never meet them here on earth.

Maybe I just need to hear his voice, hear his laugh. Or maybe I am needing some advice from Dad? I don't know what it is, but the emotions are there.

Today if you are feeling sad or grieving someone in your life, I want you to know that it is ok and take as much time as you need. We need to acknowledge our losses in our own lives, we need to validate them, grieve them, and then put them into perspective. God is faithful, He remains faithful.

In the book of Job and in Psalm 38, Scripture encourages an open and honest expression of emotion. We can go to God and ask the hard questions – why God? Why did you take my dad? He would have loved to live a life with his grandbabies. God can handle whatever question you have for Him. We can also invite our community to join us when we are grieving whether they be family or friends. We need each other, so reach out to someone and talk about who you are missing. I love to talk about my dad. I don't talk about him enough.

God loves us and does not want us to stay in our sorrow. God is faithful and we rejoice that God walks with us in our moments when we are happy and when we are sad. God is always near, and we can trust in that promise from God that He will never leave us or forsake us. Hebrews 13:5 is our promise and foundation of the love God has for us. "I will never leave you nor forsake you."

He is walking alongside us each day.

If you are seeking grief counselling, please reach out.

Peace my friends,
Pastor Natasha Westerhoud

Word of Faith CHURCH

LEARNING TO LIVE IN THE POWER OF GOD

Some key thoughts from the Bible:

- God loves us all!
- He is here to save us:
 - In eternity (heaven),
 - In issues we face in this present life.
- He does this through our relationship with Him. We each have our own role to play.
- Friends, spiritually speaking, we cannot just sit back and hope for the best. Many things happen in this life that are unfortunate and not part of God's good will for us.
- Church is about learning our role and pro-actively participating in relationship with Him.
- We are learning to live in the power of God.
- We are learning to live in His love.
- His love is a caring, positive, affirming environment.

In the October 19 issue of the Breton Booster was an article "When are kids ready for Social Media?". Here is the Alert that inspired the printing of that article.

ALERT

ALBERTA LAW ENFORCEMENT RESPONSE TEAMS

ALERT's Internet Child Exploitation (ICE) unit has noticed an increase in the prevalence of sexual extortions taking place, primarily over the social media applications Snapchat and Instagram. The suspects are demanding banking or credit card information, gift cards or other means of online payment from the youth or their parents. The predominate age group targeted are boys aged 12-17.

Sextortion typically starts as a new friend request via social media, usually with the suspect masquerading as young woman. The suspect will create the appearance of a promising online relationship and obtain sexually explicit pictures from the victim.

Once obtained, the youth are blackmailed and threatened that this material will be released to friends, family, or shared on the internet, unless a payment is made. Since the offenders often show the victims' friends list from their social media profiles, the demands are repeated and unrelenting.

ICE offers the following tips if you're being extorted online:

- Immediately stop all communication;
- Do not comply with the threat;
- Speak to a trusted adult and report it to police; and
- Keep the correspondence.

Victims are encouraged to contact local police and seek out help if they are struggling.

LETTERS TO THE EDITOR

To the Editor: sent to the boys

Another controversial decision was made by County Council on October 18, 2022. Here are some random thoughts.

Council passed a motion to allow a "go cart" race track near Rocky Rapids. This was in spite of the 30 submitted letters of objections and concerns.

In this observer's opinion, most of the proponent's ideas were inconclusive as to the merits of placing this track in a relatively populated area.

Who knows what was considered by Council before approval, but if it was as shallow as a recent gravel extraction request, very few of "County" concerns were considered. (I attended this meeting when this request was considered.)

For example:

Who/how will any conditions imposed be enforced (e.g., noise, liquor consumption, traffic issues, liabilities of any kind, and probable extra road maintenance costs)?

Additionally, one has to wonder how an "economic" boost applies as Brazeau County has few or no business left as they were given away in the last land transfer (26 quarters).

Remember, this decision was made by Councillors who are supposed to be concerned with county progress. How does this project (in this location) benefit the other 7000 residents?

Perhaps it would be better to place it somewhere else where fewer people reside.

Would it not be more cost/environmentally effective to use existing tracks in Warburg and elsewhere?
