On behalf of the Warburg Cultural Society and Warburg Bloomin' Buddies we would like to extend our deepest sympathy to the families of Joe Perfilow. Joe passed away Nov 3, 2022 at the age of only 74.

Joe served on our Warburg Cultural Society Board of Directors for many years. He was instrumental in helping maintain the building and the grounds. He mowed the lawn for a few years. Joe and his wife Becky would often donate their time pruning and cleaning up the trees, hedges and WCC grounds. Joe was our 'go to' guy for solving building maintenance issues when they arose. His height often came in very handy. LOL

From its inception, Joe helped with the watering, planting and clean-up with Bloomin' Buddies.

Joe you were a good friend, with a very generous big heart, a warm smile and wonderful bear hugs. Our loss is heaven's gain and Joe; you will be forever remembered in our community.

Love you Joe from all of us!

March 21, 1948 – November 3, 2022

After a short, but valiant battle with esophageal cancer, our beloved Joe – Husband, Father, Papa, Brother, Uncle and Friend, passed peacefully in the Walter C. Mackenzie Health Sciences Centre.

Joe is survived by his beloved wife, Becky and their children and step-children: Charlotte Perfilow, Ceilidh (Robb) Price, Angela (Wayne) Clausen, Frances Perfilow (Bill Merkley), Jim (Krista) McClurg, and Brodie (Joe) Richard. His grandchildren will deeply miss his bear hugs and wise (and sometimes wisecracking) advice and love. Caeden, Macy and Cory (Schall) Price; Jaime and Julia Clausen, Ethan Merkley, Clarissa, Callan and Colleen McClurg; Johnny and Jane Richard. He was able to meet his first great grandson – Easton Grant, just before his passing. He is also survived by his sisters Helen Spasoff, Irene (Cat) Kuropatwa and Sister-In-Law Robyn Kuropatwa. Nieces and nephews will surely feel his loss – Justin Perfilow, Jonathan and Barry Rumbles, Bryce Borgel, Kendall Kuropatwa, Ron (Jr), Jon and Angel Spasoff.

Joe was predeceased by his Father Kirill Perfilow; Mother Sofia Kuropatwa, brothers Ritchie Kuropatwa and Henry Perfilow, brother-in-law Ron Spasoff.

Our family is so incredibly grateful to the nurses and doctors at the U of A Hospital – particularly the Walter C. Mackenzie Health Sciences Centre Units 54C and 53C. We are also grateful to Nurse Practitioner Michelle Williams and local pharmacist, Devang, Joe's Warburg care team. We know any of you had found a special connection with Joe (he had that effect on people) and you tried with every ounce of your ability to save him for us.

In lieu of flowers, please forward a donation to the Warburg Cultural Society - Box 636, Warburg, AB T0C 2T0 or The Genesee Community Cemetery, or to any charity dear to your heart.

In honour of Joe, if you suffer from chronic heartburn, be sure to visit your doctor and request an endoscopy. It may save your life!

A Celebration of Life for our beloved Joe will be held on Tuesday, March 21, 2023 (his 75th birthday). Details to come.

Warburg School NEWS

from Warburg School Facebook

Our Remembrance Day ceremony on November 4th was a truly poignant experience. Our grades 1, 3 and 4 class performances moved our guests to tears. M.C.'s Mackenzie & Hayden were superb in keeping the program in order. Thank you to our special guests, Canadian Forces Sgt. Breese, RCMP Cst. Dino, Warburg Legion members Mellafont and Mitchell, M.P. Gerald Soroka, Mayor Mayr and our student army cadet, John A. Also to our creative coordinator, Mrs Babcook, and the many helping hands among staff & students for their help as we honoured our veterans, past and present.

Did you know that many of our students quietly participate in the ceremony by honouring their family members who have served our country? The students' pay homage to their past & present family members by placing a poppy on a cross held by a student army cadet (this year it is John A.) It is truly a beautiful moment to see our students' lined up awaiting their turn with their thoughts turned toward honouring veterans.

In Flanders Fields

by John McCrae

In Flanders Fields, the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie,
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

News Release

Connect Care now in more sites, programs across Alberta

25,000+ staff, physicians, other healthcare providers involved in Launch 5

November 6, 2022 - Alberta Health Services (AHS) completed its largest launch of Connect Care to date, involving more than 25,000 staff and physicians at 135 AHS sites.

The initiative supports standardized care across AHS and enables all health records from AHS and its subsidiaries and partners to be accessed through a common provincial information system. It also provides clinicians with common decision-making support.

Launch 5 was the first to involve sites and programs in all five AHS zones. The launch involved acute and long-term care sites in the Calgary, North and Central zones of AHS, and two major provincial programs: Cancer Care Alberta and Alberta Kidney Care.

"The Connect Care system improves the ability to manage medical records, which benefits not just our front-line healthcare providers, but allows patients to play a greater role in their care," says Health Minister Jason Copping.

Albertans who have visited a site where Connect Care is in place can sign up to www.myhealth.alberta.ca/myhealthrecords, an online patient portal where people can see their health information, test results and medications; manage appointments; and communicate securely with their AHS healthcare team.

There are now nearly 75,000 staff, physicians and other healthcare providers using Connect Care to improve care for patients in North, Edmonton, Central, Calgary, and South zones.

"Expanding Connect Care is an important step in healthcare in this province and provides us with a central access point for patient information across

AHS," says Mauro Chies, AHS Interim President and CEO. *"Eventually, health information will be accessible from any AHS location in the province, giving healthcare teams a more complete health history for patients, access to consistent information on best practices, and resources at their fingertips while maintaining the privacy of their information. Healthcare teams will also be able to communicate with patients and each other more easily."*

There was no significant patient impact reported as teams at these sites transitioned to the new information system. The cutover to the new system occurred at 5 a.m.

"Connect Care ensures all physicians, front-line staff and other care providers have access to the same clinical standards and best healthcare practices, and can provide high-quality care the same way, no matter where you are in Alberta," says Dr. Francois Belanger, Vice President, Quality, and Chief Medical Officer at AHS.

"We had safeguards and protocols in place to protect patients during launch, ensuring the care we provide is never compromised, including our standard practice of reducing some surgical activity at our launching sites for the transition period. Patients may see AHS staff taking a little extra time to complete their charting and other tasks during launch, and we appreciate the patience of the public while we undertake this important improvement."

There are nine Connect Care launches, which started November 2019 and will continue to the final implementation in fall 2024. When fully in place, 150,000 staff and physicians will be using Connect Care at 682 sites across Alberta.

"We are grateful to our patients, physicians, nurses, midwives, other front-line staff, technical teams, and patient and family advisors who have been instrumental in building the system, preparing for and implementing the launch," says Sean Chilton, AHS Vice President, People, Health Professions and Information Technology.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.
