*Update*

Seasons Greetings! December is going to be a Merry & Bright one for the Village of Warburg. This year our annual Christmas raffle donors have been exceptionally generous with well over \$600 worth of prizes (so far) available to be won for as little as \$5 a ticket.

Unlike last year where all proceeds went towards bringing you more programming & library upgrades- a 50/50 on all money raised will be our grand prize this year. At this time of year, every penny counts & some lucky Warburg resident could be winning a hefty prize if we do as well as we did last year.

Our selection of prizes is ever growing, but so boasts beautiful hand quilted blanket & table runners, multiple gift baskets that ANYONE would love to win, gorgeous Christmas decor, throw blanket, and much more coming in.

Ticket prices are as follows: 1 for \$5, 3 for \$10, 8 for \$20, 40 for \$100. Come on down to the library as tickets are now available for purchase!

The Raffle draw takes place on December 21, so there's still plenty of time to come on down & buy your tickets.

Keep your eyes on our FB page for our December craft, it's going to be fabulous.

## November 18, 2022 MP Soroka's Question on Taxation

OTTAWA: Gerald Soroka, Member of Parliament for Yellowhead asked the following question in the House:

*"Madam Speaker, government members continue to blame everyone else but themselves for the affordability crisis plaguing Canadians across the country. The NDP-Liberals stay in luxurious \$6,000-a-night hotels and tell Canadians to cancel their Disney+ subscriptions, as if saving \$14 a month will afford groceries, gas and home heating. When will the government stop the tax hikes and stop its inflationary spending already?"*

Hon. Chrystia Freeland (Deputy Prime Minister and Minister of Finance, Lib.) replied:

*"Madam Speaker, I would like to take this opportunity to talk about hard-working Canadians, unionized working Canadians. Our government believes in supporting them, and that is why one of the first things we did was repeal anti-worker Harper legislation: Bill C-377 and Bill C-525. If the Conservatives really want to support Canadian working people, they should promise never again to put forward anti-worker legislation."*

On a side note, it is unfortunate, in my opinion, that Minister Freeland dodged my question and I was unable to present a rebuttal. Will we ever get a legitimate response from this so-called 'caring' NDP-Liberal government?
