

THE BRETON BOOSTER

COUNCIL HIGHLIGHTS December 20, 2022 Regular Council Meeting

Reduced Speed Limit at Moose Hill Bridge

Council gave three readings and adopted Bylaw 1133-23 to reduce the speed at the Moose Hill Bridge down to 30 km/hr from the current speed limit of 80 km/h in order to reduce undesired dynamic/live loads and to increase overall motorist safety while crossing the bridge due to sight distance and width restrictions at this location. The reduced speed limit zone of 30km/h at the Moose Hill Bridge starts roughly 75 meters west, and extends approximately 75 meters east of the bridge.

Lobbying for Traffic Safety

The County will lobby for improvements to Highway 621 and to Highway 22, specifically the intersections with Range Road 64 and Range Road 70A.

Both highways require enhancements to improve safety, and both are integral to the Western

Economic Corridor.

Please note that the February 7, 2023 Council meeting has been moved to February 1, 2023.

For detailed information on Council meetings, including current minutes, please visit www.brazeau.ab.ca. Please direct inquiries to the office of the CAO at cscharfl@brazeau.ab.ca or 780-542-7777.

***Changes for 2023 - Starting in January 2023 the Thorsby Target & Warburg Bugle will be combined as Connect 39. The first issue with this change will be January 6.*

Deadlines for both papers will be 10am instead of noon but otherwise the Breton Booster will not be affected.

Thank you for your understanding!

Margaret Elizabeth Jost
February 7, 1939 - December 5, 2022

Our beloved cousin and friend, **Margaret Elizabeth Jost** of Winfield, Alberta passed away peacefully at the Rimbey Hospital and Care Centre on Monday, December 5, 2022 at the age of 83 years.

It is always difficult to summarize the life of someone so loved and missed. Margaret was a kind and beautiful soul, and she will be forever in our hearts. Margaret lived a modest life. She loved her home and garden, and the peace they gave her. Margaret was always happy to share a meal, and provide a shoulder to lean on when needed. Words can't express the depth of the loss felt by her family and friends, but we are comforted knowing that she is safe in the warmth of angels.

Margaret will be lovingly remembered by her cousins Rose Marie and Catherine Garvey; many additional cousins residing in British Columbia; as well as several second cousins. She will also be lovingly remembered by her dearest friends Raymond (Janet) Becker of Buck Lake; Fairlie Janz of Winfield; and Shannon Leask of Pendryl; in addition to numerous other relatives, friends, neighbours, and acquaintances. Margaret was predeceased by her parents Ed and Elizabeth "Lizzie"; and her brother Edward "Eddie" Jost in 2021.

A Graveside Service will be held in the Maywood Cemetery, Buck Lake at a later date.

If friends desire, memorial tributes in Margaret's memory may be made directly to the charity of one's choice. Condolence messages may be forwarded to the family by visiting: www.ofc-ltd.ca

Counselling Subsidies – Breton and Area FCSS is pleased to offer Counselling Subsidies. – A subsidy is available for individuals, couples and/or families who are struggling with common, everyday issues to access short-term preventative counselling services. The goal is to:

- Improve relationships with better communication and conflict resolution skills;
- Improve mood with anger management and emotional support;
- Enhance personal growth with creativity, spirituality, self-esteem, self-awareness, goal setting;
- Improve parenting skills by focusing on attachment;
- Reduce stress with life balance; and/or
- Learn new skills and behaviors

The cost of counselling can be a barrier for many individuals and families. This subsidy is available to those who do not have access to coverage through health benefits or employee benefits, such as an Employee Assistance Plan (EAP), and whose family income is less than \$75,000 per year. Fees

are determined according to a sliding scale based on income and family size. Fees range from \$15 per session to \$45 per session. The maximum number of sessions available is seven for individuals and nine for couples or families.

We know that in this current environment many may have additional stress and anxiety. We also know that transportation may be an added barrier. These sessions can be arranged to be in person in the Karunia offices in Leduc, over the phone in your own safe environment or virtually on your computer.

To apply for the subsidy services, application forms are available through the Breton FCSS Office at 4916 50th Avenue or by contacting them at fcss@breton.ca or calling 780-696-3636. ALL APPLICATIONS ARE STRICTLY CONFIDENTIAL.

Breton and Area FCSS will be doing the intake of the applications. Counselling services are provided by Karunia Counselling by Registered Psychologists, Registered Provisional Psychologists, Canadian Certified Counsellors and Masters or PhD level student interns under the supervision of a qualified psychologist.

Breton and Area FCSS would like to thank each and everyone of you who have volunteered or given your time to help someone in our community this year. We have very generous people that live in our community who are always willing to lend a helping hand and it is very much appreciated. Merry Christmas to all and wishing everyone a year of good health and happiness in 2023.

I will be out of the office from December 23 and returning January 9. The office will be open January 3 – 5 if you would like to leave a message.

MLA REPORT

from The Office of MLA Mark Smith,
Member of the Legislative Assembly
for Drayton Valley - Devon

As the MLA for Drayton Valley - Devon, I had the distinct honour of awarding the Queen Elizabeth II'S Platinum Jubilee Medal to 18 deserving recipients in our constituency.

I would like to pay tribute to those who have given of their time and talents in service to their communities, our province and our country.

As you know, Alberta's Platinum Jubilee Medal commemorates the 70th anniversary of Her Majesty Queen Elizabeth II's accession to the Throne as Queen of Canada upon the death of her father, King George VI, on February 6, 1952.

Her Majesty was crowned on June 2, 1953, during Her Coronation ceremony, which was held at Westminster Abbey, as Coronations have been for 900 years. Steeped in this rich history, Her Majesty's Coronation made history as the first ever to be televised and was watched by 27 million people in the UK alone and millions more around the world.

And so, with Her Majesty representing both the storied past of Britain, as well as the modern-day world, she has dedicated more than 70 remarkable years of continuous service to Canada, the United Kingdom and the Commonwealth. This extraordinary achievement makes her Britain's longest reigning and longest-lived monarch.

Her Majesty has expressed her wish that Jubilee events be an occasion for enjoying a sense of togetherness and optimism about the future which makes this the perfect opportunity to celebrate the achievements of people who make our community better.

Our medal recipients lead rather than wait to be led. They tackle challenges head-on. They see problems as opportunities instead of obstacles. I would like to congratulate the following outstanding individuals on receiving this special distinction in the Drayton Valley – Devon constituency.

CHURCH

LEARNING TO LIVE IN THE POWER OF GOD

Some key thoughts from the Bible:

- God loves us all!
- He is here to save us:
 - In eternity (heaven),
 - In issues we face in this present life.
- He does this through our relationship with Him. We each have our own role to play.
- Friends, spiritually speaking, we cannot just sit back and hope for the best. Many things happen in this life that are unfortunate and not part of God's good will for us.
- Church is about learning our role and pro-actively participating in relationship with Him.
- We are learning to live in the power of God.
- We are learning to live in His love.
- His love is a caring, positive, affirming environment.

2023 NEW YEAR'S BABIES WILL NOT BE ANNOUNCED

Alberta Health Services - December 29, 2022

EDMONTON — Given the current capacity challenges at our healthcare facilities brought on by a surge in respiratory illnesses, Alberta Health Services and Covenant Health will again not be identifying or announcing this year's New Year's babies.

We hope to resume this practice in 2024.

While we understand that this is a traditional news event, it is simply not possible to invite media into our facilities at this time, or facilitate media interviews. In addition, our labour and delivery teams are extremely busy and priority must be given to patient care.

We congratulate families on their new additions and welcome these brand-new Albertans to the world.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.
