WE'RE BACK BRETON MUSEUM CELEBRATES BLACK HISTORY MONTH

February 5, 2023

Yes!! After nearly three years of not being able to gather for large events, the Breton Museum is excited to once again partner with the Faith Covenant Church and the Breton Food Bank to celebrate Black History Month.

This year we are presenting a film screening of the National Film Board documentary called John Ware Reclaimed, by Calgary filmmaker and historian Cheryl Foggo. Cheryl Foggo will be in attendance at the film screening and provide a thought provoking author talk about her journey of discovery into the life and times of this historical Alberta icon. Cheryl has sent many years conducting research on John Ware and his family, looking to separate fact from mythology.

John Ware was an early black cowboy, from southern Alberta, who travelled north from Texas with some of the first cattle drives in the 1880's, to what would become the province of Alberta. After arriving in what was then the North-West Territories, later to become Alberta, he worked for several of the large southern ranches, including the famous Bar U Ranch.

In 1887 John established his own ranch on Sheep Creek near Millarville, Alberta. John married Mildred Lewis, from Calgary, in 1892 and they raised their family on this ranch until 1902.

The Ware family then moved eastward to near Duchess, Alberta along the Red Deer River, establishing a new ranch.

Tragedy followed the Ware family to this new ranch, shortly after their arrival, when a flood destroyed their home along the river. John rebuilt his home and ranch headquarters on higher ground and started to move forward with his ranch. However, in March 1905, Mildred passes away leaving John a widow with five small children. Just six months later, John Ware is tragically killed when his horse trips in a badger hole and fell on him, killing John.

Please join the Breton Museum, as we Celebrate Black History Month, on February 5, 2023 at the Breton Faith Covenant Church starting at 1:30. Admission to the author talk and film screening is by donation. We encourage you to also bring a donation of non-perishable food items for the Breton Food Bank.

Breton Agricultural
Society

NEWS

It has been a while and so many new things are happening. This is a quick recap of what the Ag Society has been up to and planning for the next few months.

The Breton Ag Society had our AGM on Dec 16. We have a fabulous board and some great new members to operate with this next year. Our new executive consists of President – Trent Wirsig, Vice President – Kimberly Bradshaw, Secretary – Brandy Bundt and Treasurer – Alice Fenton.

On Jan 13 and 14 the board attended a strategic planning workshop to figure out what direction the Agricultural Society is headed and came up with some strategies to work with in the next few years. We learned plenty of information and came away feeling recharged and ready to implement some great ideas.

Thursday January 19 saw the EIEI Joe Farm Safety Show at the Breton Elementary School. Laughs were had by all and many important farm safety tips were passed on to the children by Joe and his wonderful puppets. This educational farm safety show was open for all public to attend and was

sponsored by the Breton Agricultural Society.

The first weekend in February will see members attend the annual Alberta Association of Agricultural Societies conference at the River Cree Resort Casino in Edmonton. We are looking forward to learning some new things and bringing some wonderful ideas back to our community from fellow ag societies across Alberta.

Monday February 20 we will be hosting a Family Day “pay what you can” breakfast at the Breton Community Centre. We will be looking for anyone that would like to donate a few hours by helping cook, plan, serve or clean. If giving back to your community is something that interests you, please contact a member of the Ag Society and we can accommodate your schedule. More detail to come in the next couple weeks.

Planning is in the very initial phases for a St Patrick’s Day event on Friday March 17 at the Breton Community Centre. This will be a fun entertaining evening so keep your calendars open and watch for more details to come in the near future.

The Ag Society also has their minds whirling about an agriculture project centered in Breton. It will be geared towards helping feed the people of Breton and area, as well as learning some new agriculture related skills. Information will follow as well once more details have been decided on.

On April 15 and 16 we will be headed to Camrose to work a casino for the society. All proceeds will be used in and around Breton for running our fabulous programs, educating people about agriculture and so much more.

We at the Breton Agricultural Society would like to welcome all community to join us in any capacity you are able. We are open to people of all ages. Whether it is volunteering for a few hours, having us partner with one of your projects, bringing great ideas to us of things you would like to see happen in our community, attending one of our great events or becoming an active member on an on-going basis, we would love to work with you in any capacity. Please feel free to contact any of the membership or email us at bretonagsociety@gmail.com to connect with us.

RCMP POLICING PRIORITIES

The RCMP is committed to preserving the peace, upholding the law and providing quality service in partnership with the communities it serves. The purpose of this brief, seven-question survey is to ensure the public has a say in what the RCMP priorities are for the region. This is not a crime reporting tool but allows the public to provide input into how policing priorities are formed.

Each year, RCMP from the Drayton Valley and Breton detachments establish policing priorities to ensure that, in addition to responding to calls for service, members focus on the policing issues identified by the public as being the most important. These priorities are determined based on the feedback the RCMP receives from the municipalities and communities they serve.

Brazeau County, the Town of Drayton Valley, and Parkland County have partnered with the RCMP to conduct this brief survey to ensure that RCMP priorities align with those of the public. Information collected from this survey will be reviewed and considered by the RCMP, County and Town Councils. Please note, Tomahawk is served by the Drayton Valley RCMP detachment and this survey is intended for residents of Tomahawk and the immediate area only.

This survey will remain open until February 6th, 2023.

This survey can be taken online at: <https://www.surveymonkey.com/r/TJ8P6FP>

Soul Care

Friends...

I can't believe that we are almost done this January month! I still have my Christmas tree up as we have just finished celebrating Lunar New Year in our household. I feel like it was just yesterday we were celebrating Christmas dinner and now I am getting ready for our March birthdays!

Does anyone else feel a bit busy? I am not sure what happened, but we have seemed to slip into 'a lot' once again. Maybe it is because we missed some things that we have not been able to do in the last few years? Maybe it is because we need to catch up? Maybe it is because we are enjoying the things we are a part of? Whatever the reason is, it feels full.

Now, I am ok with full, if you are wanting that or enjoying it, it is when it starts to drain you and becomes a burden, then it is not so great for our physical or mental health and we lose sight of the things that really matter.

There is an exercise that I like to do and want to share it with you today.

Sit down and grab a piece of paper and make some columns such as work/home/family /hobbies/sports/school and so on.

Every single one of us, in one way or another, is involved in something daily and many of these things are 'must do's' in our lives. Today, I want to invite you to see what gives you life and what sucks life out of you on this list.

The things that drain you are hard on our physical and mental health and when that happens, we lose sight of what or who really matters.

Now, we also are aware that there are seasons we are in that can drain us and we know we will come out of this season, this is more about something that is a 'constant' drain in your life. We can't change things if we don't name them and address them. Nothing will resolve or 'get better' if we don't take some action.

So, before January slips away and you have another year of 'busy and full' I invite to you take some inventory of your life and name the things that are draining you. Next week we will continue our exploration of what gives us life and what drains us in order to be able to show up for what or who really matters.

Peace my friends,

Natasha Westerhoud

Greetings from Breton Elks Lodge #402

Well! Happy New Year everyone. This might be a bit old by now, but this is our first story of the year 2023. Hopefully everyone had a good holiday season and is now ready for the adventures of a new year. First off our day light hours are increasing everyday so that can only mean that spring is on the way. Although, it will be a few more weeks before it will really be here.

Now getting down to the business at hand, we have to say a huge thank you to the entire community for their support of the Community Supper that was sponsored in the Community Centre by the Breton Elks. Everyone had an opportunity to enjoy a fine feast indeed. This meal was only made possible by the devotion of the volunteers that spent 90 plus hours in the kitchen. A big thank you to Village Council who came out in full force, also with volunteers from Warburg plus Breton Royal Purple Elks members and a full force of Breton Elks. Along with the hard work and great food \$520.00 in cash donations was received as well as \$325.00 for Food Bank and \$363 was raised for Christmas Wishes. So once again a big thank you to the community for all the great and generous support.

Moving forward, the ice skating rink appears to be in great condition and is seeing a flow of consistent traffic.

Again as time moves forward reservations for the upcoming camping in the R.V. Park will begin February 1. A true sign of spring coming. Family Day events are now in the planning stage. A fun filled weekend is in the making.

The National Curling Bonspiel is planned for March 25 in Stavelly. Many memories of past bonspiels still linger. The annual Walk for Children will be held in Hanna May 13th and plans are in progress for this day.

Rounding out the calendar for the coming season is the Annual Provincial Conference which will be held in Stettler June 1 to 4th, 2023. And as a final touch the National Convention in July. This event is of

special interest to our lodge this year as our own Brother Don Gillis will be bestowed the honor of being installed as Grand Exalted Ruler of the Elks of Canada. This Special Ceremony is in the planning stage for May 13 in our own Community Centre. Congratulations to Brother Don and all the best in the top position for all Canadian Elks.

In conclusion, I want to wish everyone a safe, happy and healthy journey into the spring season.

Will chat soon.

RCMP POLICING PRIORITIES

The RCMP is committed to preserving the peace, upholding the law and providing quality service in partnership with the communities it serves. The purpose of this brief, seven-question survey is to ensure the public has a say in what the RCMP priorities are for the region. This is not a crime reporting tool but allows the public to provide input into how policing priorities are formed.

Each year, RCMP from the Drayton Valley and Breton detachments establish policing priorities to ensure that in addition to responding to calls for service, members focus on the policing issues identified by the public as being the most important. These priorities are determined based on the feedback the RCMP receives from the municipalities and communities they serve.

Brazeau County, the Town of Drayton Valley, and Parkland County have partnered with the RCMP to conduct this brief survey to ensure that RCMP priorities align with those of the public. Information collected from this survey will be reviewed and considered by the RCMP, County and Town Councils. Please note, Tomahawk is served by the Drayton Valley RCMP detachment and this survey is intended for residents of Tomahawk and the immediate area only.

This survey will remain open until February 6th, 2023.

This survey can be taken online at: <https://www.surveymonkey.com/r/TJ8P6FP>

Breton Royal Purple Elks No. 285

The Breton Royal Purple Elks are in the process of preparing their next Community Calendar. This calendar is not your traditional January through December calendar. This calendar runs from May through April. It has many attractive and interesting items on it. You can find the phone number of many businesses in the community along with birthdays, anniversaries, memorials and community group meeting dates.

We are looking for a picture to put on it. In the past 25 plus years we have had a variety of pictures.

There have been pictures of many of the Royal Purple donations to the community for example:

- Royal Purple ladies presenting the Breton Extended Care Centre with a new BBQ
- the new playground equipment in Centennial Park which the Brother Elks worked hand in hand to accomplish this wonderful transformation
- the Memorial Monument which the Royal Purple dedicated in June 1991
- Royal Purple Group picture on their 50th Anniversary

Some other examples of the pictures are:

- many graduation classes
- the Carolyn Strand Civic Centre building
- Miss Joanne's Dance Class
- group picture of the Brother Elks in their attractive new green shirts
- many scenic pictures

If you have a picture that you would be willing to share with the community, please submit it to the Breton Royal Purple. A clear picture is necessary as it will be on 175 calendars. The deadline for submissions is February 15th, 2023. Please submit your jpg or pdf photo to: bretonrp285@gmail.com or call Margaret Smith at 780-696-2427 to arrange a convenient time to arrange a convenient place or time to drop off a picture. Note: that we are unable to return any pictures which are submitted.

If you would like to acquire a calendar, have your birthday or anniversary added to the calendar feel free to contact Margaret at the above noted phone number.

Laurie's Laughs

In Memory of

How to prevent your kids from borrowing the car...

Once you understand
why the pizza is made
round,
Packed in a square
box,
And eaten as a
triangle..
Then you will
understand women

My wife just stopped and
said, "You weren't even
listening, were you?"

I thought to myself...
"That's a pretty strange
way to start off a
conversation."

EVERY ONCE IN A WHILE
SOMEONE AMAZING COMES INTO
YOUR LIFE.

...AND HERE I AM. YOU'RE
WELCOME.
