

# THE BRETON BOOSTER

## BRETON WILL BENEFIT FROM \$1.6 MILLION DOLLAR DONATION

Devoted pet lovers in need across Alberta, including Breton, are receiving some much needed support thanks to a sizeable donation from Pet Valu. The specialty pet retailer announced today it is donating more than \$1.6 million worth of cat and dog food to help pets across Canada; more than \$400,000 worth, weighing 90,000 lbs, will go to Food Banks Alberta. Food Banks Alberta will distribute kibble to its 113 member organizations across Alberta, including Breton, who in turn will include it in the hampers of clients who have pets.

With the goal of helping as many pets in need as possible, the pallets of Performatrin will be shipped from warehouses in Toronto, Calgary and Vancouver to the Ontario SPCA, Food Banks Alberta, the Animal Food Bank, the BC SPCA, and Wild West Animal League. These organizations will then distribute the food to rescue partners, food banks and communities across Ontario and western Canada.

### Successful Black History Event Held

*By Allan Goddard, Breton Museum*

On February 5, after a two-year hiatus due to Covid restrictions, the Breton Museum was back, in the flesh, to celebrate Black History Month. About 130 people attend the event hosted by the Breton Museum in partnership with the Breton Faith Covenant Church and the Breton Food Bank.

This year’s event was the screening of the National Film Board’s Documentary called “John Ware

Reclaimed”, by Calgary filmmaker Cheryl Foggo. Cheryl is an award-winning author, playwright, filmmaker and historian. Well known in the heritage field for preserving black history in Alberta, Cheryl has spent many years researching the life and times of John Ware, the black southern Alberta cowboy and rancher.

As the audience settled into the comfortable venue of the church for the screening, the Museum Manager Allan Goddard welcomed everyone back and commented on how good it was to see everyone in person again. Greetings from the Village of Breton Council were conveyed by Councillor Heather Barrett, followed by an opening prayer by Pastor Natasha Westerhoud. The museum manager introduced the guest speaker, and Cheryl gave an overview of her journey into the making of the film.

After viewing the very interesting seventy-minute film, about this iconic Albertan individual, the audience broke for light refreshments. The afternoon concluded with a question-and-answer session with Cheryl Foggo.

There's been a lot of talk lately about restrictive Land Use Bylaws. People are worried about a loss of freedoms.

### That is not the Brazeau County way.

In fact, we are going in the opposite direction. Our Council believes in keeping taxes and fees low, on keeping red tape to a minimum, and we believe in putting citizens first

- We cut taxes by 30% in 2015, have given 30% tax rebate incentives, and have not raised them since.
- In the past few years, Council has cut \$5 million from the operating budget, streamlined operations, and reduced fees.
- We have adopted a customer-focused philosophy, so that the citizen comes first. As part of this outlook, we keep rules and regulations to a minimum.

We have no plans to significantly revise our Land Use Bylaw, whether to restrict livestock or anything else.

We believe in a minimum of regulation and interference, to allow residents as much freedom as possible to determine how best to use their own land.

We believe in listening to the residents, because this is your County. The reeve and each councillor welcomes concerns, ideas, and solutions, and the public input session at each Council meeting is another avenue we offer to receive feedback.

We will not make major changes to any bylaw without hearing from citizens first.

While global and national agendas with a number of different ideologies attached may change, Brazeau County is charting its own course, working toward prosperity, freedom, and a high quality of life for every resident.

Please do not hesitate to contact the reeve or your councillor if you have any concerns.

## Division 1 By-election Ballots

Council gave all required readings to Bylaw 1135-23 to allow for the printing of ballots in lots for the 2023 Division 1 Councillor By-Election.

The *Local Authorities Election Act* sets out a provision allowing municipal councils to pass a bylaw for the printing of ballots in lots, if they choose. Historically, Brazeau County has had its ballots printed in lots for municipal offices in the election.

Printing ballots in lots allows each candidate to have their name appear on the top of the ballot an equal number of times.

Council also approved the use of special ballots during the 2023 Division 1 Councillor By-Election for those who meet the criteria under the *Local Authorities Election Act* and that application for special ballot may be made by telephone, by e-mail, or in person to the Returning Officer in the prescribed form.

The use of special ballots allows for voters who will be away from the local jurisdiction on Election Day, as well as those with mobility issues to vote in the Municipal Election without attending a voting station.

Brazeau County has offered special ballots for eligible voters in the 2015 Reeve By-Election and both the 2017 and 2021 municipal elections.

Special ballots may only be requested and approved as per the criteria set out in the Local Authorities Election Act S. 77.1(1). Once the Returning Officer receives and approves applications for special ballot, a package is prepared for the voter after the election has been declared. It is the voter's responsibility to ensure the package containing their sealed vote and other necessary documentation is returned to Brazeau County prior to the close of voting on Election Day.

Nomination Day will be four weeks prior to election day on March 6, 2023 until 12 p.m., and election day is April 3, 2023. Advance voting dates will be set in the near future.

Reeve Bart Guyon presented Supervisor of Fleet and Facilities Mike Kwirant with a Longe Service Award for 25 years of service to Brazeau County. Congratulations Mike!

Those who are interested in putting their name forward as a candidate in the by-election for Division 1 will find more information on the Brazeau County website and in the January-February issue of the Brazeau County News. Nomination papers are accepted at the Brazeau County Office during regular business hours until 12 p.m. on Nomination Day.

Anyone with questions regarding the by-election can contact the Returning Officer at [cwhalen@brazeau.ab.ca](mailto:cwhalen@brazeau.ab.ca) or 780-542-7777.

The audience were engaged as Cheryl answered numerous interesting questions asked by the audience. While the film delved into the life of John Ware and his family, the audience were especially interested in the fact, there still remain many unanswered questions about his life. Cheryl's research continues, so who knows there may be a sequel down the road.

The Breton Museum would like to express our heartfelt thanks to the Faith Covenant Church and their volunteers for the use of their venue, and thank you to Ali for running the sound system. Also, thank you to Barb and John Meininger for coordinating the refreshments provided for the event. Finally, to all who attended the event, thank you for supporting the Breton Museum and the Breton Food Bank with your donations of food items.

# Soul Care

**Today I am taking the time to spend with Jesus.**

It seems such a simple task, yet it can be so hard as our days fill up with so many distractions. I used to get up early and take time to read the Bible and pray, but now this is not an option as my oldest seems to be awake at 5:30AM! And honest to

goodness there is no way I can get up at 4:30 or 5, it is just not happening.

So, I decided, today I will spend time with Jesus. I want to spend time with Him because I need to explore a question, I was challenged with during our church service yesterday. Most of us know we believe IN God, but do we believe God?

**You see, there is a difference.**

So today I am exploring my heart and asking myself, Do I believe God when He promises that ...

**He gives strength to the weary.** I am tired, anyone else? Some days are simply hard and tiring.

It says in Isaiah 40:31 "But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint."

**He will give you rest.** To whom can I give all this, this burden I am carrying? God promises to give us rest. In Matthew 11:28-30 it says "Come to me, all who labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn from me, for I am gentle and lowly in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light."

**His love never fails.** Anyone else ever feel so confused and angry as to what has happened around the world or to you or a loved one? Have you every thought that "If God loved you, you wouldn't be going through this," or "Where was God when my child was suffering... In Isaiah 54:10 it says, "For the mountains may depart and the hills be removed, but my steadfast love shall not depart from you."

**He will never forsake you.** Every feel alone or lost? Not sure how you feel, but there are days I feel very alone in the things that are going on in my life and then I see in Deuteronomy 31:6 these words: "Be strong and courageous. Do not fear or be in dread of them, for it is the Lord your God who goes with you. He will not leave you or forsake you."

Today I am spending time talking to Jesus and filling myself up with His truth and His love so that not only can I say I believe in God, but I believe God and all that He promises me! I want to live into His promises believing all that He wants for my life.

I invite you this week to do the same, spend time with Jesus and read your Bible exploring this question – Do you believe God?

Peace my friends.

**CHICKEN WILD RICE SOUP**

"This is a good recipe for busy people. You can put it in the crock pot and it will be ready after work."

To make it on the stove instead, cook over low heat until rice and potatoes are tender, then add the milk and flour and heat until thickened.

- 1 cup uncooked wild rice
- 3 cups diced, cooked chicken breast meat
- 2 tablespoons chicken bouillon granules
- 1 onion, chopped
- 5 cups water
- 4 potatoes, cubed
- 1 1/2 cups milk
- 2 tablespoons all-purpose flour

In a large saucepan over medium-high heat, bring rice, chicken, bouillon, onion and water to a boil.

Remove from heat and pour into slow cooker. Stir in potatoes.

Combine milk and flour and stir until smooth. Stir into soup mixture.

Cook 6 to 8 hours, until rice and potatoes are tender and flavors are well blended.
