WINTER AFTERNOON AT RUNDLE'S MISSION

Submitted by Audrey Brosseau

A group of outdoor enthusiasts enjoyed the mild weather last Sunday as they visited, drank hot chocolate, and roasted hot dogs over a fire at Rundle's Mission. About 25 people joined in this annual Winter Afternoon event.

Mike Black gave a demonstration on how to wax your skis and answered lots of questions about cross country skiing. The ski trails were slightly icy due to the warm weather, but some adventurous skiers tackled the trails while others just enjoyed a walk, the beauty of the natural setting and socializing.

Thanks to Mike for doing the clinic as well as for his work on setting tracks on the ski trails. Thanks also to the Rundle's Mission members who helped with the event. The public is welcome to use the ski trails at any time for skiing, walking, or to snowshoe. A great way to enjoy winter!

JOB POSTING

Full Time Support Worker II - Warburg Cloverleaf Manor

George Spady Society

The George Spady Society is recognized as a leader in the development and delivery of effective services for the care, treatment, and support of individuals with substance-related disorders and dual diagnoses. People who come to us find dignity, hope and healing as they set a new path towards health and well-being. George Spady Society provides a continuum of support services supporting people with complex life circumstances associated with substance-related and concurrent disorders and homelessness, empowering them to improve their lives through client-centered, evidence-based best practices.

Description of Duties and Responsibilities

The Support Worker II will work day shifts. Their role will involve ensuring the basic rules are followed and the building is a safe, secure environment. The Support Workers will follow the policies and procedures of the GSS and will assist the Manor staff with any emergency issues as required.

Support Workers will provide support, advocacy and information and after hours support to the residents. They will sensitively and appropriately support residents to meet their personal care needs to a high standard.

The Support Worker II will have an understanding of mental health issues, trauma informed care, Harm Reduction practices and the willingness and ability to work within this framework.

Position Requirements

- The successful candidates will ideally have a degree or diploma in a Human Services field with a minimum of 1 year of direct experience in working in a residential setting. A combination of education and experience will be considered.
- An open, accepting and non-judgmental attitude with an ability to build rapport with clients and staff
- Experience working with people with complex life circumstances associated with substance-related disorders mental health issues, mobility issues and homelessness
- Basic understanding of harm reduction principles based on dignity, hope and healing as individuals move forward towards improved health and well-being

Hours of work: 12 hour shifts. Days.

Starting at \$44,700.00 per year

To apply for this position, please submit your cover letter and resume by February 20, 2023 to Lisa Macdonald at lmacdonald@gspady.ab.ca

We would like to thank all applicants; however, only those selected for an interview will be contacted.

HAPPY FAMILY DAY!!!

A family can mean many different things, whether it's a friend group, your beloved pets, or anyone else you consider family. To some, Family Day is a holiday spent alone, but know that you are not alone and that some families arrive with time. Take the day to relax, be near the people you care about, or even go out and find fun activities in the area.

From the Mayor, Council, and Administration, we wish everyone a wonderful Family Day love weekend!

FUNDRAISING NEWS

Warburg Parent School Society Fundraising Newsletter

In this issue:

- About WPSS
- Fun lunches
- Donate your bottles
- Schedule for 2023
- Next meeting 27 Feb

Warburg School Council is a structured group of parents, the school principal, teachers, students and community members whose purpose is to advise the principal and the school board respecting matters relating to the school. It is a means for parents and community members to work together with the school to support and enhance student learning.

Warburg Parent School Society is a fundraising branch of the Warburg School Council and its primary directive is to raise funds to purchase items that benefit all students of the school. In the past, the Society has purchased a large laminator, the score clock in our high school gymnasium, STEAM (Science Technology Engineering Arts Math) items for individual classrooms and 60 pairs of snowshoes to name only a few. Their fundraising was instrumental in recently purchasing a large number of items to begin our coding and robotics program at the school. Current fundraising efforts will go in part towards the purchase of some much-needed outdoor playground equipment.

Do you have a few hours to spare, every couple of months?

The fun lunches we try to offer regularly to Warburg School are enjoyed by students and staff alike, providing more choices to the kids and a reprieve for us parents from making daily lunches! We are looking for more volunteer drivers to pick up our fun lunches, with a time commitment of about 3 hours maximum in one morning, every few months. Collection is usually from Leduc, Stony Plain or more locally, e.g. Warburg Corner Restaurant. Coming up for St Valentine's Day, we are offering Pizza 73 (driver confirmed), and St Patrick's Day pasta from Boston Pizza. You can be a parent, guardian, grandparent or a kind citizen.

Schedule for 2023

March: Little Caesar pizza kits
Rafflebox 50/50
April: "Sweetness" Cookies
May: Spring Flowers
June: Rafflebox 50/50 draw

We appreciate you and any help you can give, so we can continue to offer this service and more to our little school. Please contact us at the email address below.

Do you have ideas for future fundraisers or are you interested in volunteering? If so, please contact a current Warburg Parent School Society member or email the Society at: warburgparentsociety@gmail.com

TIPS From TOPS!

From Pearl Elson

Our meetings are designed to encourage weight loss, maintenance, to educate and to provide support. New members are welcome to attend a meeting with no obligation. Meetings are held at the Thorsby Senior's Centre on Monday mornings with weigh in from 9am to 9:15am and the meeting following from 9:15am to 9:45am. There is an annual fee to TOPS International of \$49 and a monthly fee to the Thorsby Chapter #1694 of \$5. The first month chapter fees are free. Phone Jane at 780-789-3789 or Cheryl at 780-848-7673 for more info.

THORSBY CLUB CELEBRATES 50 YEARS

TOPS AB 1694 Internationally the TOPS (Take off Pounds Sensibly) organization is celebrating its 75th Anniversary. The Thorsby club celebrated their 50th year on February 6th with 12 members present. The TOPS mission is to promote ways to become healthier through professionally prepared and medically approved programs regarding fitness, nutrition, portion sizes at mealtime, self care, and behaviour modification. The organization is open to all men, women, and teens over 13 and meets once a week. Each meeting starts with a private weigh-in before a roll call where members announce if they lost or gained weight over the previous week.

Thorsby is a small town (present population 1,119) and has been able to keep TOPS going for 5 decades, having started out with 4 members, and meeting in the different homes until they were able to secure a location. Founding members were Mary Patrick, Mrs. George, Irma Schmidt and Agnes Kilik. At that time there was a monthly fee of 25

cents. The idea of having such an organization in Thorsby came from Irma Schmidt and Agnes Kilik. They had been going to one in Calmar and thought "Why not have one in Thorsby?". Mrs. George was the first chair succeeded by Sandy Broadbent. At various times the club has met in the Lutheran Church, Thorsby High School, Thorsby Fire Hall, Action Centre and at present in the Seniors' Centre. Over the years we have had as many as 40 members and a good number of these have achieved their goals. At present 3 of our club have achieved their KOPS (keep off pounds sensibly) status and regularly attend our meetings. These gals are an inspiration for all of us. We would like to dedicate our 50th Anniversary to Barb Bensen who was our dedicated weight recorder for 41 years. Sadly, Barb passed away Dec 21/2022. The meetings themselves are designed to encourage weight loss, maintenance, support, and education. New members are welcome to attend with no obligation. Meetings are held at the Thorsby Seniors' Centre on Monday mornings with weigh-in from 9am to 9:15am and the meeting following from 9:15 to 9:45.

There is an annual fee of \$49 to TOP'S International and a monthly fee to the Thorsby Chapter #1694 of \$5. Phone Jane 780-789-3789 or Cheryl 780-848-7673

Talk Ask Listen Mental Wellness in Agriculture

Knowing that knowledge is power and farming is unique, our goal for this workshop is threefold. One, that you walk away with greater awareness and understanding of mental health. Two, you can use this training knowledge in the cab of your tractor or at the office. And three, help you and those around you break down barriers and dispel the stigma through three actions - talking, asking and listening.

The "Talk, Ask, Listen" workshop was created by farmers for farmers. It has already been delivered to thousands of producers across Canada.

Message from
Gerald Soroka, MP

OTTAWA: Gerald Soroka, Member of Parliament for Yellowhead, gave the following statement in the House.

"Mr. Speaker every day, I hear from countless people in my riding voicing their frustrations as they try to survive under this Liberal-made affordability crisis.

After eight years under this Liberal government everything in Canada is broken.

After eight years, Canadians are out of money and can't afford to eat, heat, or house themselves.

And just when you think it couldn't get any worse or more expensive, the carbon tax is, again, increasing on April 1st.

It's no surprise Canadians are turning to their food banks as this is their only means to feed their families.

After eight years, this government has plagued the country with travel woes, passport & immigration backlogs, an affordability crisis, offers MAID as a solution instead of assistance. It eased bail access for criminals, and eliminated mandatory minimum sentencing for offenders.

After eight years, it is time for this Liberal government to come to an end.

Conservatives will keep the heat on and take the tax off."

THE AFFORDABILITY ACTION PLAN

MLA REPORT

from The Office of MLA Mark Smith,
Member of the Legislative Assembly
for Drayton Valley - Devon

As we move into 2023, Alberta's economy continues to show strength and resilience.

Our province created 42,000 full-time jobs in December, and 88,800 new jobs in 2022 (almost 25 per cent of all new jobs created in the country). Further, the jobs outlook is strong for 2023, with forecasters predicting more economic growth and diversification on the horizon.

International credit rating agencies are taking note of Alberta's excellent fiscal management. This past week, Moody's Investors Services upgraded Alberta's credit rating to AA2. This decision speaks volumes about our United Conservative government's management and decision-making as we focus on healthcare, education, the economy, and more.

Investors are also looking at Alberta, once again, as a top destination for their capital. 2021 and 2022 saw major investments from companies like Telus, Mphasis, Amazon, Walmart, Air Products, Dow, PIP International, de Havilland, Phyto Organix Foods, and more. Investment isn't slowing down in 2023, however, with Imperial Oil recently announcing that it is building a \$720 million renewable diesel facility – the largest facility of its kind in Canada – in Alberta's Industrial Heartland. This project will create more than 600 high-paying jobs for Albertans during the construction phase, and more once it is finished.

Opportunities are abounding for workers in manufacturing, technology, food processing, and other burgeoning industries. Even film is booming in Alberta, with several major projects on-the-go, including HBO's the Last of Us, one of the largest film or television projects in Canadian history. Episode one of the Last of Us has drawn over 18 million viewers already and the show, which cost more than \$10 million per episode to film, has officially been renewed for a second season. The show filmed in locations across Alberta – including Canmore, High River, Fort Macleod, Edmonton, Calgary, and Waterton Lakes National Park – and has been a boon for many local economies.

Our United Conservative government's economic record stands in stark contrast to the NDP's. We're creating hundreds of thousands of new jobs whereas they lost nearly 200,000 jobs over their time in government. We're cutting taxes and balancing the budget whereas they increased taxes on all Albertans and ran massive deficits. And we're attracting investment and overseeing credit rating increases whereas they pushed people and businesses away and oversaw consecutive credit ratings downgrades.

Another thing we are doing to defend to Alberta's economy is opposing Justin Trudeau's "just transition" plan, which would disrupt millions of jobs across Canada. Instead, we are encouraging the liberal government to work with us on developing federal legislation that will signal to all Canadians and investors from around the world that our governments have worked cooperatively on designing incentives and initiatives to create jobs, reduce emissions, and accelerate investment opportunities.

You can see Alberta's economic recovery taking shape across our province, with people going back to work in a wide variety of fields, industries, and sectors. In every corner of the province and in all sectors of the economy, optimism is growing for the future – and our United Conservative government is working tirelessly to make sure Albertans are going back to work and participating in this renewed Alberta Advantage.

We aren't just cleaning up the NDP's mess. We are building a province that is stronger and more resilient than ever.

I can be reached at the main constituency office in Drayton Valley at 1-800-542-7307 toll-free. The office is open Monday to Friday. The Devon constituency office is open every Wednesday and the phones are manned Tuesday to Friday at 780-987-3666 or I can be emailed at draytonvalley.devon@assembly.ab.ca anytime.

1 MILLION ALBERTANS TO RECEIVE AFFORDABILITY PAYMENTS

February 09, 2023

More than one million Albertans are enrolled and scheduled to receive their first of six \$100 affordability payments, representing \$96 million in inflation relief.

Alberta's economy has recovered strongly, but Albertans are struggling to heat their homes and feed their families. Alberta's Affordability Action Plan is helping to keep Alberta affordable.

An online application system was designed using in-house expertise and resources to seamlessly process affordability payments to provide families, seniors and the most vulnerable with the help they need in a timely manner. The affordability payments are just one of a suite of measures announced in November that are now underway to help Albertans get through this affordability crisis.

Of the one million Albertans currently receiving payments, 300,000 were auto-enrolled and more than 700,000 applied through the portal. More than 650,000 who applied through the portal have received their first payment, with the rest to receive their first payment in the coming days.

The \$600 in affordability payments adds to the hundreds of dollars Albertans are receiving and saving under the Affordability Action Plan. This includes an estimated \$900 saved by suspending the provincial fuel tax, expanding electricity rebates, increasing benefit payments in core support programs and pausing private passenger vehicle insurance rate increases through to the end of 2023.

In addition to these supports, Alberta's government has provided additional financial support to food banks and other community groups, increased funding for low-income transit pass programs and indexed personal income tax.

Quick facts

- Within the first 24 hours of the portal opening, more than 140,000 applications were successfully processed for payment, helping more than 190,000 children and 65,000 seniors.
- On Jan. 31, more than 575,000 Albertans received their first payments via direct deposit or cheques, helping more than 400,000 seniors and more than 174,000 children.
- Albertans can learn more about all the broad-based and targeted affordability relief programs online.

Supporting children, seniors and vulnerable Albertans
As of Feb. 8, 950,000 Albertans have received, or had a parent or guardian receive on their behalf, their first of up to six monthly \$100 payments.

- This includes 469,000 children, 380,000 seniors and 118,000 vulnerable Albertans on core support programs such as AISH, Income Support and the Persons with Developmental Disabilities (PDD) program.
- So far, Albertans have received \$96 million in affordability payments. It is estimated that over the full six months, a total of about \$500 million will flow through.

Payments have been delivered via direct deposit or cheque for all Albertans who successfully enrolled before Jan. 27. Albertans who enrolled after Jan. 27 will get their payments within 10 days of completing their application.

For help with their applications, Albertans can:

- Call the Verified Account support line at 1-844-643-2789.
- Call the Affordability Action Plan Information Line at 1-844-644-9955.
- Visit any registry agent or Alberta Supports centre in person to receive support in 50 locations and more than 100 languages at no charge.

Inflation relief for all Albertans

Other affordability supports providing relief include:

- \$500 in total electricity rebates.
- Hundreds of dollars for drivers in estimated fuel tax relief.
- Six per cent indexation increases to core support programs such as AISH, Income Support, the Seniors Benefit and Alberta Child and Family Benefit.
- Natural gas and electricity price protection.
- Personal income tax changes that will help keep more money in the pockets of individuals and families.

Many components of Alberta's three-year \$2.8-billion Affordability Action Plan will continue to provide support for Albertans into the future.

- These include natural gas rebates and fuel tax relief, based on price triggers, and the indexation of Alberta's tax system and social supports.

Alberta's government has also negotiated an agreement with the federal government on affordability measures for child care that will save parents between \$450 and \$635 monthly for a full-time child in care.
