GORD BAMFORD IN THORSBY MAY 6

The Thorsby & District Chamber of Commerce is partnering with Arctic Spas and the Town of Thorsby to bring Gord Bamford to Thorsby on May 6, 2023. This fundraising concert is in support of the Arctic Spas Recreation Complex for much needed maintenance and upgrades. This would not be possible without the generous sponsorship and work of Arctic Spas (Blue Falls Manufacturing) and our local community.

Thorsby will be Gord's 7th concert on his Canadian Dirt Tour 2023. Bamford has received 26 Canadian Country Music Awards and multiple Juno Award Nominations. Growing up in Lacombe, AB, Gord is a huge supporter of small town venue's. The Gord Bamford Charitable foundation has generated over \$5.08 million supporting over 63 children's charities across Canada.

Local Artist, Randi Boulton, winner of the Singer/Songwriter of the year Award at Red Deer Entertainment Awards in 2019 will also be making an appearance in Thorsby on May 6.

Get your tickets before they are gone at www.showpass.com/gord-bamford-canadian-dirt-tour-thorsby-ab/

THE BENEFITS OF PLAYDOUGH

Playdough is a favourite activity for many children. They love to squish it, roll it, sculpt it and mold it. Did you know that playdough is also wonderful for your child's development? Playdough will strengthen their fingers and develop the muscles that will help them hold a pencil to learn to write. Using playdough with a parent, friend, or sibling teaches your child important social skills such as sharing, turn taking and playing with other people. Playdough also encourages children's language, literacy, science and math skills. Pounding, flattening, and squeezing are healthy and safe outlets for extra energy that can also help children cope with strong feelings. When children seem stressed or angry, get out the playdough and props!

Playdough can provide hours of fun, creativity and learning. All you need is the playdough and some basic props you may already have at home. Below are some ideas of household items you can use in your playdough creations. Try out our favourite recipe below to make your own playdough!

For more sensory ideas, information about our programs, or to drop-in and make some of your own playdough, visit us at our Thorsby Family Resource Network (FRN) site. We are located at 4908 48 St. in the modular across from the Arctic Spas Recreation Complex. We are open for drop in on Tuesdays from 2 to 8 p.m. and Thursdays from 9 a.m. to 4 p.m. You can reach us at 780-979-2385 or frn@leduc-county.com.

Around-the-House Playdough Props

- Birthday candles
- Cookie cutters
- Combs
- Large buttons and other objects that can be pressed into the playdough to make a design
- Feathers, gems, beads, straws, etc.
- Leaves, twigs, pebbles
- Plastic knives, forks, and spoons
- Rolling pin or bottle
- Small toy people and animals
- Muffin tin or silicone muffin cups

Play Clay Recipe

Source: www.naeyc.org/our-work/families/playdough-power

- 2 ½ cups flour
- ½ cup salt
- 1 tbsp alum powder (in spice area of food store)
- 2 cups boiling water
- 3 tbsp vegetable oil (start with 1 tbsp & add more as needed)
- Food colouring
- *Glitter (optional)

Mix dry ingredients. Add food colouring to water, then add water to dry ingredients and mix. Next, add the oil and knead until smooth. For a sparkly effect, you can also add glitter in the dry ingredients. Store in an airtight container.

PUBLIC HEARING

Adopt Village of Warburg/Leduc County Intermunicipal Development Plan and Repeal Intermunicipal Collaboration Framework between the Village of Warburg and Leduc County

Monday, April 24, 2023, at 7:30 p.m. at Village of Warburg Office (5212-50 Avenue)

The Municipal Government Act (MGA) requires municipalities that share a common boundary to prepare and adopt matching Intermunicipal Development Plans (IDPs) and to establish Intermunicipal Collaboration Frameworks (ICFs).

In 2019, the Village of Warburg and Leduc County worked collaboratively with input from the community to prepare an IDP and ICF. Policies in the IDP and ICF require that these documents be reviewed every 4 years to ensure the principles, policies, and intermunicipal service delivery remain current. In keeping with this requirement, Councils for the Village of Warburg and Leduc County have reviewed the IDP and ICF. Minor revisions, primarily housekeeping in nature, are proposed to both the IDP and the ICF. As the MGA now allows municipalities party to an ICF to each approve the ICF by resolution, the Village of Warburg and Leduc County are proposing to repeal the ICF and approve the updated ICF by resolution to streamline the processes.

Details of the proposed bylaws to adopt the updated Village of Warburg/Leduc County IDP and repeal the ICF between the Village of Warburg and Leduc County can be found on the county's website on the public participation opportunities web page. Information can also be requested by contacting Christine Pankewitz, Municipal Administrator, at the Village of Warburg office 780-848-2841 or village@warburg.ca

A public hearing on the proposed bylaw to adopt the updated Village of Warburg/Leduc County IDP and the proposed bylaw to repeal the ICF between the **Village of Warburg and Leduc County will be held at the Village of Warburg (Council Chambers, 5212-50 Avenue) regular council meeting on Monday, April 24, 2023, at 7:30 p.m.** Written or oral submissions can be made by a person who claims to be affected, or from any other person council agrees to hear from.

If you want to speak at the public hearing, you must **pre-register by Wednesday, April 19, 2023 at 4:30 p.m.** You can pre-register online by emailing village@warburg.ca

Comments relating to these bylaws can be submitted by mail to Village of Warburg Box 29, Warburg, AB T0C 2T0, online by emailing to village@warburg.ca or by fax to 780-848-2296.

If you make a written submission, the information you provide may be made public, subject to the provisions of the Freedom of Information and Protection of Privacy Act.

FUNDRAISING NEWS

Warburg Parent School Society
Fundraising News

Warburg School Council is a structured group of parents, the school principal, teachers, students and community members whose purpose is to advise the principal and school board in matters relating to the school. It is a means for parents and community members to work together with the school to support and enhance student learning. We meet monthly during the school year and all are welcome to attend. It's the best way to know what is happening in our school and to be involved. Watch for meetings scheduled on the school events calendar or "Like" our Warburg School Parent Council page on Facebook for regular posts. Our next meeting is 17th April 2023 at 3.30pm, in school, with an option to join us online.

Warburg Parent School Society is a fundraising branch of the Warburg School Council and its primary directive is to raise funds to purchase items that benefit all students of the school. In the past, the Society has purchased a large laminator, an electric pottery kiln, 60 pairs of snowshoes and the flashing light crosswalk to name only a few. WPSS fundraising was instrumental in purchasing multiple items to begin the coding and robotics programme at the school and recent efforts were successful in raising the substantial funds needed for a new, large piece of playground equipment, our Project Apollo! More on that soon. A huge **THANK YOU** to all who made this possible.

If you wish to know more about the Parent Council and how our fundraising proceeds are used, please read our update letter emailed 24th March 2023 by the school to all Warburg School parents.

Current fundraisers - 50/50 Raffle, Spring Flowers & Greenhouse Giftcards!

We have three big fundraisers we are running right now:

- We are offering our beautiful Spring Flowers in partnership with Growing Smiles again this year, selling plants and flowers grown in Alberta greenhouses. Order online by visiting our website at www.warburgpss.growingsmilesfundraising.com or by paper order form at the school office. Closing date for orders is 26th April, with delivery / pick up day being 11th May, just in time for Mother's Day!
- Brand new this year, and also perfect for Mother's Day, we have partnered with three local greenhouses to offer \$25 giftcards, with 20% of every card sale coming back to our school. **Crossroads Greenhouse, Willow Valley Greenhouse** and **J & G Greenhouse** are all generously taking part, and gift cards can be ordered at the Warburg School office or Warburg School parents can purchase online via their parent portal. Closing date for orders is 13th April.

- And another new one—we are offering a chance to win up to \$10,000 via our very first online 50/50 Raffle, hosted by Rafflebox. Purchase your \$10 ticket on our website at www.rafflebox.ca/raffle/warburg-pss, closing date is 23 June 2023 at 9am with the draw later that same day in Warburg School.

Support one, support three, or wait for the next one (tentatively Little Caesar pizza kits), we appreciate you all. Please see Warburg School communications, posters in the Warburg community and follow our Facebook page for more details.

Wilma Grace (Waslow) Syniak

September 18th, 1938 – March 30th, 2023

“Strong willed to the end”

It is with great sadness & much love we say goodbye to a devoted wife, loving mother, grandmother & great grandmother. Wilma was born in Thorsby & lived most of her life in the rural area near Warburg.

Wilma will be greatly missed by daughters Terri & Sandi, sons Gene (Lan), Dean (Allison); & grandchildren Curtis (Justina), Nickie (Brandon), Samantha, Hayley, Matthew, Amy, Creedence, Jordan & Draven; nine great grandchildren & many nieces, nephews & dear friends.

Predeceased by husband Metro, parents Matt & Amy Waslow; sisters/brother-in-laws Annice (Roy) Morrison, Marie (Bev) Frank.

Wilma proudly raised her family while being strongly rooted within the community. She'll be remembered for her kindness, hospitality, gardening & especially her cooking. From her perogies & cabbage rolls at many catering events that even enticed former Premier Klein to sneak into the kitchen for extras, to her famed “Wilma Burgers” at the Warburg Arena.

A private burial ceremony will be held at a later date. In lieu of flowers, donations can be made to the Leduc Hospital Foundation. <https://lchfoundation.ca>

A special thank you to Dr. Sampson, Dr. Rankin, Dr. Zawartka & the exceptional staff in unit 22 of the Leduc Hospital.

STRATEGIC

10 FUN FACTS ABOUT EASTER YOU PROBABLY DIDN'T KNOW

taken from www.sykescottages.co.uk/blog/10-fun-facts-about-easter-you-probably-didnt-know/

1. The Easter Bunny legend began in Germany - The origin of the Easter Bunny dates back hundreds of years, beginning in pre-Christian Germany. Here, the hare was said to be the symbol of the Pagan Goddess of Spring and Fertility. As Christianity spread across Europe, Pagan traditions were blended with Christian holidays, which saw the Easter Bunny lay a nest of colourful (today, chocolate) eggs for children who were well-behaved on Easter Sunday.

2. The holiday was named after the Anglo-Saxon Goddess, Eostre - According to scholars, this Christian holiday was named after the Anglo-Saxon goddess, Eostre, who was depicted as a Fertility Goddess and a Goddess of Dawn and Light. She was honoured at Pagan festivals celebrating the arrival of spring, further highlighting the blend of Pagan traditions with Christian holidays.

3. More than 1.5 million Cadbury Creme Eggs are produced every day - Cadbury's makes 500 million Creme Eggs every year! If you piled them on top of each other, it would be 10 x higher than Mount Everest.

4. The act of painting eggs originates from a Ukrainian tradition - For countless generations, Ukrainians have been decorating eggs as a calling out to the Gods and Goddesses of health and fertility. This traditional act of pysanka ("pih-sahn-kah") is made by using wax and dyes, but this colourful custom didn't take off until Ukrainian immigrants came to the U.S.

5. The world's largest Easter egg weighs in at 5000lbs - Standing 31ft tall and 18ft wide is the world's largest Easter egg. Found in Vegreville, Alberta, the egg weighs a hefty 5000 lbs and took 12,000 hours to complete. Named the Vegreville Pysanka, the world's largest Easter egg is actually more of a jigsaw than a sculpture, as it is made from 3500 pieces of aluminum.

6. Pretzels used to be associated with Easter - Pretzels are associated with Easter because the twists resemble arms crossing in prayer. From the 1950s, it was tradition for Germans to eat a pretzel and a hard-boiled egg for dinner on Good Friday.

7. The UK's first chocolate egg was produced in Bristol in 1873 - It was during the 19th century that the Fry family of Bristol ran the largest chocolate factory in the world and produced the first chocolate egg, in 1873. It was two years later in 1875 that saw Cadbury's make their first Easter egg.

8. In Germany, it is illegal to dance on Good Friday On Good Friday, which sees the start of the Easter weekend, it is illegal to dance in public in the majority of

states in Germany. Even Europe's clubbing capital, Berlin, becomes a dance-free zone out of respect for the religious day. In Baden-Württemberg, music is allowed to be played but dancing is not allowed, whilst in Bavaria, if you are caught playing music of any kind in a bar, you could be fined up to 10,000 euros. So why the boogie ban, Germany? The thinking behind this ban is out of respect for Christians, who mourn the death of Jesus on Good Friday and Easter Sunday, and in Germany, these days are considered to be holidays of silence.

9. Easter is celebrated on the Sunday after the full moon following March 21st - Ever wondered why Easter Sunday changes date every year? It's down to the lunar calendar and the position of the moon. Easter in fact falls on the first Sunday after the full moon that takes place on or after March 21st, which is said to signal the start of spring.

10. In 2007, an Easter egg sold for £9 million - Concluding our guide to facts about Easter takes us back to 2007! Possibly the world's most expensive egg was sold at Christie's in London for £9 million, breaking Faberge records. The enameled egg contains a multi-coloured cockerel which at every hour pops out of the egg and flaps his wings, before nodding his head three times. The egg was made by Karl Fabergé in St Petersburg in 1902 and is the second-largest egg ever made by Fabergé.

Proposed Genesee Carbon Capture Project

Join us at a Community Open House

Genesee Community Hall
51020 Range Rd 30, Leduc County
Wednesday, April 12, 2023 from 4 to 8 pm

Join us to learn more about our proposed project to add carbon capture technology to our Genesee Generating Station to reduce emissions when Genesee Units 1 and 2 are repowered to natural gas. The carbon capture equipment will be located on a brownfield site (previously developed land) on the south-side of Capital Power's existing Genesee Generating Station. Our project team will share information about the proposed technology, location and schedule. We'll also be there to answer questions and listen to feedback.

The proposed project is expected to capture up to approximately 3 million tonnes of CO₂ annually using Mitsubishi Heavy Industry's proven Advanced Kansai Mitsubishi Carbon Dioxide Recovery Process™.

Capital Power anticipates submitting regulatory applications for the proposed project in the first half of 2023. Separate applications will be filed to amend the existing approvals for Genesee 1 and 2 to Alberta Environment and Protected Areas (formerly Alberta Environment and Parks) and the Alberta Utilities Commission (AUC).

Pending regulatory approval and a final investment decision, construction is expected to begin in Q2 2024, with an anticipated in-service date in late Q4 2027.

2023 Dust Control Program

Application deadline: Monday, May 15

Leduc County is currently accepting applications for our 2023 dust control program. There are two product choices available:

1. Calcium chloride

Calcium chloride is a top shoot dust control product that is applied by spraying over the gravel surface.

- Two applications of product will be completed for every residence applying for this dust control product. The second application will be automatically applied approximately six-to-eight weeks after the first application (weather permitting).
- Residents desiring a calcium chloride dust control product on the County road adjacent to their residence will be required to complete an application form and must prepay a fee of **\$436.00** for the first 122 metres (400 feet). Dust control requested beyond 122 metres (400 feet) will be charged an additional **\$8.93/metre**.

2. Incorporated petroleum

Incorporated dust control is a petroleum-based product that is applied to the road surface and mixed in and packed by graders.

- It is warranted for one year from the date of application.
- Residents desiring an incorporated dust control product on the County road adjacent to their residence will be required to complete an application form and must prepay a fee of **\$4,436.00** for the first 122 metres (400 feet). Dust control beyond 122 metres (400 feet) will be charged an additional **\$40.98/metre**.

Other information

- GST will be added to all prices listed above.
- The prices listed are after receiving a Leduc County subsidy of **\$654.00** per strip.
- This subsidy is provided to County residents living in permanent residences along a county gravel road.
- Businesses will be charged the full rate without subsidy.
- The dust control program begins as soon as possible after seasonal road bans have been lifted.

How to apply

- Apply and pay for dust control online at **leduc-county.com/dust-control**.
- Application forms are also available for pick up at our Road Operations department, located at 1103 5 Street in Nisku.
- For more information, call **780-979-6185**.

We Got This!

**Supporting ourselves, our families and our
friends through stressful times**

Stress and burnout generally go hand-in-hand. Burnout is what we experience after a prolonged period of unrelenting, cumulative stress – and that stress can come from any (or all) aspects of our lives. If you think of an overflowing cup that simply cannot hold anymore – that's stress. When we just pour that cup out until there's nothing left – that's burnout.

Leduc County is proud to present this free, interactive, community workshop that will help participants learn the best tools to manage stress, prevent burnout, and support those who are experiencing their effects.

This workshop is provided by Leduc County Family and Community Support Services in partnership with VIV Mental Health. *Lunch will be provided.*

2023 ANNUAL THORSBY HAYMAKER RODEO

May 27 & 28, 2023

NEW
WEEKEND!

Howdy Folks!

The Thorsby Haymaker Rodeo Association would like to take this time to invite you and your company to participate as a sponsor in the upcoming Thorsby Haymaker Rodeo that will be held on May 27th & 28th, 2023 (New Weekend).

Our energetic committee has been working hard behind the scenes to coordinate the contractor, the cowboys, and the stock to provide you with yet another exciting rodeo! Without the help of our volunteers and sponsor support, our May long-weekend Rodeo would not be what it is today.

We ask that you take the time to peruse the attached Sponsorship Selections sheet. If there is no selection which meets your needs, please contact us.

If you have chosen to become a sponsor, your company name will appear in our Rodeo program, around the inside of the arena and will be announced throughout the Rodeo weekend.

We would like to thank you for taking the time to participate in our rodeo, both in sponsorship and support!

Sincerely,

Thorsby Ag Society

NOTICE OF PUBLIC HEARING

Adopt Leduc County/Village of Warburg Intermunicipal Development Plan and Repeal Intermunicipal Collaboration Framework between Leduc County and Village of Warburg

TUESDAY, APRIL 25 AT 1:45 P.M.

The *Municipal Government Act* (MGA) requires municipalities that share a common boundary to prepare and adopt matching Intermunicipal Development Plans (IDPs) and to establish Intermunicipal Collaboration Frameworks (ICFs).

In 2019, Leduc County and the Village of Warburg worked collaboratively with input from the community to prepare an IDP and an ICF. Policies in the IDP and ICF require that these documents be reviewed every 4 years to ensure that the principles, policies, and inter-municipal service delivery remain current. In keeping with this requirement, Councils for Leduc County and the Village of Warburg have reviewed the IDP and ICF. Minor revisions, primarily housekeeping in nature, are proposed to both the IDP and the ICF. As the MGA now allows municipalities party to an ICF to each approve the ICF by resolution, Leduc County and the Village of Warburg are proposing to repeal the ICF and approve the updated ICF by resolution to streamline processes.

Details of the proposed bylaws to adopt the updated Leduc County/Village of Warburg IDP and repeal the ICF between Leduc County and the Village of Warburg can be found on the county's website on the public participation opportunities web page. Information can also be requested by contacting **Laurie Johnson, Senior Planner**, Regional Planning at **780-955-6405** or laurie@leduc-county.com.

A public hearing on the proposed bylaw to adopt the updated Leduc County/Village of Warburg IDP and the proposed bylaw to repeal the ICF between Leduc County and Village of Warburg will be held at the Leduc County regular Council meeting on **Tuesday, April 25, 2023 at 1:45 p.m.** Written or oral submissions can be made by any person who claims to be affected, or from any other person council agrees to hear from.

If you want to speak at the public hearing you must pre-register by **Tuesday, April 18, 2023 at 4:30 p.m.** You can pre-register online through Leduc County's website or by contacting the legislative coordinator at **780-770-9259** or joyceg@leduc-county.com.

To view the public hearing online, visit leduc-county.com.

Comments relating to these bylaws can be submitted online through Leduc County's website, to laurie@leduc-county.com, by mail to 101-1101 5 Street, Nisku, AB T9E 2X3, or by fax to 780-955-8866. **Comments must be received by Friday, April 14, 2023 at 4:30 p.m.**

If you make a written submission, the information you provide may be made public, subject to the provisions of the *Freedom of Information and Protection of Privacy Act*.

MARCH HIGHLIGHTS:

March 14, 2023 – Area of Carnwood

Breton RCMP received multiple 911 hangups in the Carnwood area. Members attended and located a female on standing on the road with her belongings. Investigation determined that the female had been asked to leave a residence in the area and ransacked the home on her way out. The female was arrested and released on an undertaking with conditions. Louisa RAIN (42), a resident of Wetaskiwin, AB., was charged with the following:

- Mischief, Damage to Property Under \$5,000

March 23, 2023 – Area of Breton

Breton RCMP attended an oil lease site for a report of trespassing in progress. Upon arrival, members located a white van loaded with electrical copper wire and multiple tools commonly used to break in to properties. There was excessive damage to the cable trays and structures on the site. Two males and one female were subsequently arrested and held for bail hearings. Luke Deschatelets (39), a resident of Drayton Valley,

AB., was charged with the following:

- Mischief, Damage to Property Under \$5,000
- Fail to Comply with an Order

David Smerychynski (33), and Renee Boyko (50), both residents of Tomahawk, AB., were charged with the following:

- Break and Enter with Intent to Commit an Indictable Offence
- Possession of Break-in Instruments
- Theft Over \$5,000
- Mischief, Damage to Property Over \$5,000

Deschatelets, Smerychynski, and Boyko are scheduled to appear in Breton Provincial Court on April 26, 2023.

REMINDER – April is SPEED month for the Alberta Traffic Safety Calendar. Police will be looking out for aggressive and speeding drivers. Stay alert, and pay attention to your surroundings as you travel.
