OUR CHARITY STEER

by Joseph Saarela, Thorsby 4-H Multi Club Reporter

For the last several years our 4-H club, Thorsby 4-H Multi Club has been raising a charity steer and selling it at our annual sale. Last year we gave \$10,075 to Stars Air Ambulance.

This year we decided to give the net proceeds of the steer to Davin Mayr. Davin is a past 4-H member of our community who was in a dirt bike crash last October that left him paralyzed from the chest

down. We sympathized with Davin's story because it could of happened to any of us riding our dirt bike like him, quadding or falling off our horse. Davin is going to use the money we raise to help buy a standing wheelchair that will take him from a sitting to standing position. This chair will enable him to be employed once again and get back to his passion of working in the shop on his brothers and sisters' various dirt bikes, quads and skidoos.

We are looking forward to our Beef Show and Sale on May 1st at the Thorsby Haymaker Centre. We hope everyone will come and support our members who are selling their steers and help us help Davin with the sale of our charity steer.

DEVON RCMP RECOVER STOLEN PROPERTY, LAY CHARGES

Devon, Alta. – On the afternoon of April 6, 2023, the Devon RCMP, with assistance from Parkland and Leduc RCMP Crime Reduction Units, executed a Search Warrant on a commercial dwelling and two motor vehicles following an investigation into a report of a theft of copper wire. The theft had occurred during the early morning hours of April 5 at the Superior Car Wash.

Following the execution of the Search Warrant, police recovered the copper wire as well as clothing believed to be worn by the suspects during the commission of the offence.

20-year-old Mackenzie Thomson and 43-year-old Cory Smith have been charged with Theft Under \$5000 and Mischief to Property. Both were remanded into custody until their next court appearance on April 11, 2023.

The Search Warrant execution resulted in a significant police presence within the community. Sergeant Christopher Mosley, Detachment Commander of the Devon RCMP, advises that the public was not at any risk, however due to potential risks to the police, additional officers were utilized. Sergeant Mosley said, *"The assistance provided by our neighboring detachments to bring this investigation to a safe and successful conclusion is a prime example of the excellent working relationship that our detachments share, and showcases the outstanding work done by Alberta RCMP officers every day."*

NOTICE OF PUBLIC HEARING

Adopt Leduc County/Village of Warburg Intermunicipal Development Plan and Repeal Intermunicipal Collaboration Framework between Leduc County and Village of Warburg

TUESDAY, APRIL 25 AT 1:45 P.M.

The *Municipal Government Act* (MGA) requires municipalities that share a common boundary to prepare and adopt matching Intermunicipal Development Plans (IDPs) and to establish Intermunicipal Collaboration Frameworks (ICFs).

In 2019, Leduc County and the Village of Warburg worked collaboratively with input from the community to prepare an IDP and an ICF. Policies in the IDP and ICF require that these documents be reviewed every 4 years to ensure that the principles, policies, and inter-municipal service delivery remain current. In keeping with this requirement, Councils for Leduc County and the Village of Warburg have reviewed the IDP and ICF. Minor revisions, primarily housekeeping in nature, are proposed to both the IDP and the ICF. As the MGA now allows municipalities party to an ICF to each approve the ICF by resolution, Leduc County and the Village of Warburg are proposing to repeal the ICF and approve the updated ICF by resolution to streamline processes.

Details of the proposed bylaws to adopt the updated Leduc County/Village of Warburg IDP and repeal the ICF between Leduc County and the Village of Warburg can be found on the county's website on the public participation opportunities web page. Information can also be requested by contacting **Laurie Johnson, Senior Planner, Regional Planning** at 780-955-6405 or laurie@leduc-county.com.

A public hearing on the proposed bylaw to adopt the updated Leduc County/Village of Warburg IDP and the proposed bylaw to repeal the ICF between Leduc County and Village of Warburg will be held at the Leduc County regular Council meeting on **Tuesday, April 25, 2023 at 1:45 p.m.** Written or oral submissions can be made by any person who claims to be affected, or from any other person council agrees to hear from.

If you want to speak at the public hearing you must pre-register by **Tuesday, April 18, 2023 at 4:30 p.m.** You can pre-register online through Leduc County's website or by contacting the legislative coordinator at 780-770-9259 or joyceg@leduc-county.com.

To view the public hearing online, visit leduc-county.com.

Comments relating to these bylaws can be submitted online through Leduc County's website, to laurie@leduc-county.com, by mail to 101-1101 5 Street, Nisku, AB T9E 2X3, or by fax to 780-955-8866. **Comments must be received by Friday, April 14, 2023 at 4:30 p.m.**

If you make a written submission, the information you provide may be made public, subject to the provisions of the *Freedom of Information and Protection of Privacy Act*.

LEDUC COUNTY COUNCIL NOTES

March 14, 2023

FYI: This is not all of the notes from the meeting only sections taken from www.leduc-county.com/en/county-government/council-meeting-notes.aspx

Disclaimer: Council meeting notes are an informal recap of each regular Leduc County Council meeting.

These notes are not an official record of Council meetings; official minutes are posted online at www.leduc-county.com once approved by Council.

Leduc County/City of Leduc Tax Share Agreement

Leduc County has been sharing property tax revenues collected from Edmonton International Airport (EIA) lands with the City of Leduc since 1989. The original memorandum of understanding was renegotiated and replaced with a new agreement in 2010. The 2010 agreement specifies that the parties were to initiate a review of the terms of the agreement by 2017; however, other priorities forced a delay in the review process.

The two parties, represented by negotiation committees comprised of Council members appointed by the respective Councils, began formal negotiations to review and replace the 2010 agreement in November 2019. In early 2022, the two parties authorized their respective administrations to meet and discuss the possible terms of a new agreement.

Administration presented Council with a draft agreement, and recommended Council approve the Leduc County/City of Leduc tax revenue sharing agreement, entitled "Agreement Relating to the Edmonton International Airport," and authorize the Mayor and Chief Administrative Officer to sign the agreement on behalf of Leduc County.

Council approved the recommendation.

Sponsorship – Leduc Community Hospital Foundation

In 2023, the Leduc Community Hospital Foundation is celebrating 30 years of supporting the community and raising funds for the Leduc hospital.

Leduc County is an annual sponsor of the Foundation through their spring golf tournament with a sponsorship of \$1,750.

This spring, Parks and Recreation will partner with the Foundation for a partners in health challenge. The goal is to challenge the community to improve their health through activity.

Administration recommended Council approve a sponsorship of \$2,500 to the Leduc Community Hospital Foundation in support of its 30 anniversary and a partners in health community challenge.

Council approved the recommendation.

Sponsorship – New Humble Farmraiser event

On April 15, the New Humble Community School Association is hosting a farmraising event to support their vision of enhancing their outdoor facilities, farm and programs.

Administration recommended Council approve a sponsorship of \$1,000 to the New Humble Community School Association in support of their farmraiser event.

Council approved the recommendation.

Sponsorship – Amplified Alzheimer's event

A committee of local volunteers is planning an event on Aug. 26 to raise awareness and support for the Alzheimer's Society of Alberta. The committee continues to refine the event with the hopes of raising more than \$10,000 to be donated to the Alzheimer's Society of Alberta.

Administration recommended Council approve a sponsorship of \$1,000 to the Amplified for Alzheimer's committee for an Alzheimer's awareness and fundraising event.

Council approved the recommendation.

2022 year-end information update – transfers to reserves

As part of the annual year-end process, administration brings forward a recommendation to transfer surplus dollars to reserves. At this time, \$2.7 million is available to transfer to reserves due to higher than anticipated interest, additional permit revenues, and operational savings.

Administration recommended that Council approve the following year-end financial transactions:

1. Transfer of \$700,000 to capital asset lifecycle management – building management reserve.
2. Transfer of \$1,000,000 to operating stabilization and contingency reserve.
3. Transfer of \$1,000,000 to operating special purpose multi-year/future year projects reserve.
4. Any additional surplus dollars, above approximately \$60,000, identified during the year-end process be transferred to the operating stabilization and contingency reserve.

Council approved the recommendation

Bylaw 06-23: Borrowing for the re-construction of Township Road 510 from Nisku Spine Road to Range Road 243.

As part of the 2023 interim budget approved on Nov. 28, 2022, capital project (2023-RD-002) to reconstruct Township Road 510 from Nisku Spine Road to Range Road 243 was approved using debenture as a funding source. In accordance with Section 254 of the MGA, a borrowing bylaw must be passed prior to the project starting.

Administration recommended Council give first reading to Bylaw 06-23 authorizing long-term debenture borrowing for the re-construction of Township Road 510 from Nisku Spine Road to Range Road 243 for up to \$9,000,000 for a term not to exceed 20 years.

Council approved the recommendation.

Penalty waiver request – Deluxe Burger

Administration received a letter from Field LLP dated Jan. 20, 2023, on behalf of tax roll 8037550, requesting the following:

- Set up an 18-month payment plan to pay outstanding levies between 2019 and 2022
- waive existing penalties
- cancel future penalties

Other than a request to provide a tax statement, the company had not contacted Leduc County for any consideration prior to the letter being received. The last payment of \$20,208.33 was made on May 5, 2019

Administration recommended Council deny the request to pay levies of \$55,512.94 in 18 months, cancel future penalties and waive existing penalties of \$29,117.04.

Council approved the recommendation and denied the request.

Removal of reserve designation for the purpose of a sale of a portion of County-owned land - Plan 0124826, Block 2, Lot 6 MR, Roll 6319110

Leduc County received a request from an adjacent land owner to purchase a portion of Plan 012 4826, Block 2, Lot 6MR (Roll 6319110). Inter-departmental consultation has concluded that a portion of this parcel could be sold because future County need of the property is not anticipated.

Administration recommended that Council direct administration to advertise for a public hearing pursuant to S. 674 Municipal Government Act to remove the reserve designation from Plan 0124826, Block 2, Lot 6MR (Roll 6319110) for the subsequent sale of a portion of the parcel. Upon removal of the reserve designation, administration will utilize policy CM-07 Land Disposal to direct the land sale process by means of a competitive bid.

Council approved the recommendation.

2023 Dust Control Program

Application deadline: Monday, May 15

Leduc County is currently accepting applications for our 2023 dust control program. There are two product choices available:

1. Calcium chloride

Calcium chloride is a top shoot dust control product that is applied by spraying over the gravel surface.

- Two applications of product will be completed for every residence applying for this dust control product. The second application will be automatically applied approximately six-to-eight weeks after the first application (weather permitting).
- Residents desiring a calcium chloride dust control product on the County road adjacent to their residence will be required to complete an application form and must prepay a fee of **\$436.00** for the first 122 metres (400 feet). Dust control requested beyond 122 metres (400 feet) will be charged an additional **\$8.93/metre**.

2. Incorporated petroleum

Incorporated dust control is a petroleum-based product that is applied to the road surface and mixed in and packed by graders.

- It is warranted for one year from the date of application.
- Residents desiring an incorporated dust control product on the County road adjacent to their residence will be required to complete an application form and must prepay a fee of **\$4,436.00** for the first 122 metres (400 feet). Dust control beyond 122 metres (400 feet) will be charged an additional **\$40.98/metre**.

Other information

- GST will be added to all prices listed above.
- The prices listed are after receiving a Leduc County subsidy of **\$654.00** per strip.
- This subsidy is provided to County residents living in permanent residences along a county gravel road.
- Businesses will be charged the full rate without subsidy.
- The dust control program begins as soon as possible after seasonal road bans have been lifted.

How to apply

- Apply and pay for dust control online at **leduc-county.com/dust-control**.
- Application forms are also available for pick up at our Road Operations department, located at 1103 5 Street in Nisku.

2023 ANNUAL THORSBY HAYMAKER RODEO

May 27 & 28, 2023

NEW
WEEKEND!

Howdy Folks!

The Thorsby Haymaker Rodeo Association would like to take this time to invite you and your company to participate as a sponsor in the upcoming Thorsby Haymaker Rodeo that will be held on May 27th & 28th, 2023 (New Weekend).

Our energetic committee has been working hard behind the scenes to coordinate the contractor, the cowboys, and the stock to provide you with yet another exciting rodeo! Without the help of our volunteers and sponsor support, our May long-weekend Rodeo would not be what it is today.

We ask that you take the time to peruse the attached Sponsorship Selections sheet. If there is no selection which meets your needs, please contact us.

If you have chosen to become a sponsor, your company name will appear in our Rodeo program, around the inside of the arena and will be announced throughout the Rodeo weekend.

We would like to thank you for taking the time to participate in our rodeo, both in sponsorship and support!

Sincerely,

Thorsby Ag Society

Gail has been sprouting Spaghetti Squash and will bring some of the transplanted plants that will be ready to go into the ground early May. We would love to have Spanish onions, any unique seed someone can share with others and trade for something else.

Earth Day Craft: This will run Saturday April 22 at 1 pm – 3 pm, there will be a table setup with a variety of items to choose from to show how much you love the Earth. Books to read that explain how long the earth has been around and fun facts. Any seeds left over from the Seed exchange can be picked up that day.

NATIONAL HUSBAND APPRECIATION DAY

Copied from Twitter feed

More romantic than Father's Day, more serious than National Boyfriend Day, and with less pressure than Valentine's Day, Husband Appreciation Day is observed on the third Saturday in April (April 16). Also known as National Husband Day or World Husband Day, we love this little-known holiday dedicated to the men in our lives who show up for us in bold and subtle ways every day of the year. Its fun-loving spirit gives us lucky spouses an opportunity to be creative and thoughtful in how we show our appreciation to our partners.

Other days of the year to celebrate our partners are National Spouses Day on January 26, and Wife Appreciation Day on September 19.

Here are a few quotes and tidbits to celebrate...

- *"After marriage, husband and wife become two sides of a coin, they just can't face each other, but they stay together"* Al Gore
- *"A good wife always forgives her husband when she's wrong"* Barack Obama
- *"When you are in love, wonders happen. But once you get married, you wonder, what happened"* Steve Jobs

And the best one is...

- *"Marriage is a beautiful forest where brave lions are killed by beautiful deers"* Brad Pitt

Laughter Therapy:

- While getting married, most of the guys say to girl's parents, *"I will keep your daughter happy for the rest of her life."* Have you ever heard a girl saying something like this to the boy's parents like I will keep your son happy for the rest of his life.... Nooooo ... because women don't tell lies!
- If wife wants husband's attention, she just has to look sad and uncomfortable. If husband wants wife's attention, he just has to look comfortable & happy.
- A Philosopher HUSBAND said: Every WIFE is a 'Mistress' of her Husband. "Miss" for first year & "Stress" for rest of the life...
- Position of a husband is just like a Split AC, No matter how loud he is outdoors, He is designed to remain silent indoors.
- Husband to wife: U should learn to embrace your mistakes.....She hugged him immediately.
