THE ADVENTURES OF LAYLA

by Shawna Ofstie

Many of you may remember my introduction of Layla Peck in the May 5 edition of Connect 39 and her story "A Day in the Desert". For those of you who don't, Layla is a talented writer in grade 2 at Thorsby Elementary School. Layla's teacher, Mrs Walker, one of Layla's biggest fans, wants readers to see what talent young kids can have and showcase this little girl's talent as an author at only 8 years old.

As promised here is Layla's next adventure.

A DAY IN THE AMAZON RAIN FOREST

by Layla Peck, Grade 2, 8 years old

One day there was a girl, Layla. One night when she was asleep, she woke up to a bright light in her closet. She went to see what it was. When she opened up her closet, she didn't see any clothes. What she saw was the whole rain forest... the amazon rain forest!! She left a note on her bed and she was gone. But there was a storm. A very powerful storm. When the first rain drop fell on her head,

that was no ordinary rain drop. It was a magical one and it turned her into a, a, a, a frog!

She thought, "How do I get back home like this??! I forgot there was a door behind me." But when she looked behind her, the door was not there!

A little bee came buzzing along, and she said "I know the key of getting back home."

"What is it?!"

"You have to search the whole forest and then you will find it"

"I will find it", but then the bee was gone.

That little frog started searching, and searching, and searching, finally she gave up. But in the distance she saw something glow. It was bright yellow. She was interested, she slowly hopped closer to it. It was a glowing leaf. She picked it up, and then she could hear the little bumble bee's voice. "Yes you found it, just wait and it will lead you home."

She wondered "What if my mom and dad are awake? What time is it at home!" She was very worried and then, the wind pushed her forward, so far forward that she came to the edge of the forest.

She saw the same portal as before, "Finally, home sweet home." She hopped right through it and...

...she was home and she was human once again. She rushed to see the time (it was only 5:45am) and she never ever told her family about that night.

THE END

Thank You

Paint, chemicals, and building supplies are **prohibited** from being dumped.

This area will be monitored via camera both before and after the availability period, and any illegal dumping after the time period will be reported to the RCMP.

Please follow any attendant instructions when on-site.

Thank you for your consideration!

LAWN MOWING THANK YOU

Congratulations Thorsby – you did it! **You get 10 grass blades out of 10 from administration.** Well done. Just a friendly reminder that the alleys behind your properties must be mowed against your fences and a commercial property must mow outside it's fence perimeter against the fence as well. Remember everyone has boulevards, that piece of grass to the front of your home (before or after sidewalk) and as a commercial property to the street.

Boulevard means the area between the street line and the nearest edge of a roadway and/or the area separating the roadways or a divided highway.

How do we know you all did great? We drove every street! Only 3 letters going out.

After the deadline this month, we'll have another report. Let's make it ZERO letters next month. We dare you!

We're updating the Land Use Bylaw and we need your input to shape the future landscape of Leduc County.

What's a land use bylaw?

The Land Use Bylaw is the primary document we use to guide decisions on planning applications for everything from building a shed to building a shopping mall. It outlines what types of development is allowed on each parcel of land in the County.

Why are we updating it?

We want to create a user-friendly, comprehensive document that supports growth in the County, streamlines processes and protects our resources.

We're hosting four open houses to share our vision and gather your input on areas of the project.

Open House #1
Wednesday, June 21, 2023 from 3 to 7 p.m.
Leduc County Business and Entrepreneur Centre
(606 18 Ave., Nisku Business Park)

Open House #2
Wednesday, Aug. 9, 2023 from 3 to 7 p.m.
Sandholm Community Hall
(47376 Range Road 12, Leduc County)

Two more events (east and west County) coming Fall 2023.

Visit leduc-county.com/shapingyourcounty to learn how you can get involved and to sign up for project updates.

**Margaret "Maggie"
Rose Webber (Zajes)**

February 16, 1939 – May 29, 2023

Marg will be remembered for her laugh, fiery spirit, and big heart. Born in Creekland, Alberta, she spoke fondly of growing up on her parents' farm alongside her six siblings. At a fateful school dance, she set her eyes on Bill, the man she would marry in 1956. They settled just north of Warburg on the land she loved and called home for 56 years. Together they played baseball, bowled, and danced. They also welcomed three sons within four years—Randy, Brian, and Jim. If anyone could manage a houseful of boys, it was her. She always said she was introduced to her daughter when her youngest son started dating Holly in high school. Later, Marg would entertain her grandchildren and great grandchildren with stories of their adventures, which were usually funny and sometimes peppered with colourful language. A hard worker, Marg was a meat cutter, worked in many community businesses and in home care, and operated Mini Creeks Cleaning Services. She was always a family caregiver, and friends just had to call if they needed someone to be in their corner or to speak a hard truth. She was happiest picking berries, gardening, canning, and cooking for anyone she thought needed it. In her spare time, she enjoyed knitting and reading. Shortly after being admitted to Devon General Hospital, she was diagnosed with cancer and passed away peacefully, surrounded by family and friends. She will be missed immensely.

Margaret is survived by her son Randy Webber; granddaughter Cassandra (Eric) Carr; great granddaughters Crystal, Randi, Jazzmyn, & Micha; grandson Brian Webber; son Jim (Holly) Webber; granddaughter Jaclyn (Logan) Lawrence; great grandson Seth; grandson Jesse (Nikki) Webber; great grandson Griffin; brother Karl (June) Zajes; sister Mary Ratz; and numerous extended family & friends. She was predeceased by her husband William "Bill" Webber (1988); son Brian Webber (1969); parents Karp & Wasylena Zajes; sisters Annie Peterson & Tillie Mielnik; and brothers Tony Zajes & Stanley Zajes.

A private burial will take place on June 10, 2023. In lieu of a service as per Marg's wishes, everyone is welcome to join the family for a community gathering at Sunnybrook Community Hall from 12:00pm to 2:00pm.

Donations may be made in Marg's name to the Canadian Cancer Society.

2023 Citizen Satisfaction Survey

Take the survey by June 19!

As a Leduc County citizen, your priorities and feedback on the municipal services we provide are important.

We've partnered with market-research firm Leger to conduct our second-ever citizen satisfaction survey. The survey provides an opportunity for residential citizens — including property owners and renters — to share input on the services and programs they receive and what they think the County should prioritize.

You must have your **unique survey code** to take the survey. A survey code was sent to each residential property owner via letter; letters should be delivered by **May 26**. If you haven't received your letter, misplaced your survey code or are a renter, call **780-979-2389** or email **MichelleE@leduc-county.com**.

The anonymous survey is open until **June 19** takes 10-to-15 minutes to complete.

The input you share will help administration and Council identify areas of success and gaps with our programming and services. It also helps us deliver the services you need and want, while providing good value for your taxes.

FUNDRAISING NEWS

Warburg Parent School Society
Fundraising News

Thank you everyone!

To everyone who has contributed to our fundraisers, sponsored our projects and volunteered with us this school year, Warburg Parent School Society would like to extend a huge thank you! Your generosity has enabled us to fund various projects for the students of Warburg School this year, including the purchase of the Apollo playground structure, stage platform and stairs, a new 3D printer, the Fitset Ninja activity day for all students, Jr/Sr awards contribution, the Mary Lambert presentation and new bike racks for elementary students. Our amazing volunteers have also made it possible for us to offer affordable fun lunches from Boston Pizza, Subway, Pizza 73, and our local restaurants. These will continue in the Fall, as long as we have willing volunteers to assist us.

To kick off the Fall semester, we will again be offering **Krispy Kreme Doughnuts**, to be pre-ordered and delivered around the Community Awareness/Meet the Teacher event in September! Watch our Facebook page for details in late August, and also in your school communications from Warburg School.

And don't forget our **online 50/50 raffle!** To celebrate the beginning of the summer break, we will be drawing our 50/50 raffle winning ticket on 23rd June 2023. Tickets available now! Be in it to win it, and grab your ticket while you can! Go to www.rafflebox.ca/raffle/warburg-pss

Livestock watering and ALUS project tour

Water is an essential nutrient and a clean, fresh supply benefits animal health. Watering systems that keep livestock out of surface water bodies are a common ALUS project and the type used depends on a variety of factors.

Hop on the bus and join us for a morning tour of ALUS participant watering systems and hear directly from the farmers that installed them.

NOTICE OF PUBLIC HEARING!

Adopt Leduc County/Town of Thorsby Intermunicipal Development Plan and Repeal Intermunicipal Collaboration Framework between Leduc County and Town of Thorsby

TUESDAY, June 27, 2023 AT 7:00 P.M.

The Municipal Government Act (MGA) requires municipalities that share a common boundary to prepare and adopt matching Intermunicipal Development Plans (IDPs) and to establish Intermunicipal Collaboration Frameworks (ICFs).

In 2019, Leduc County and the Town of Thorsby worked collaboratively with input from the community to prepare an IDP and an ICF. Policies in the IDP and ICF require that these documents be reviewed every 4 years to ensure that the principles, policies, and intermunicipal service delivery remain current. In keeping with this requirement, Councils for Leduc County and the Town of Thorsby reviewed the IDP and ICF and are proposing minor revisions, primarily housekeeping in nature, to both the IDP and the ICF. As the MGA now allows municipalities party to an ICF to each approve the ICF by resolution, Leduc County and the Town of Thorsby are proposing to repeal the ICF and approve the updated ICF by resolution to streamline processes.

Details of the proposed bylaws to repeal and replace the Leduc County/Town of Thorsby IDP and repeal the ICF between Leduc County and the Town of Thorsby can be found on the Town's website accessible from the News section. Information can also be requested by contacting Liz Armitage, Development Officer at 403-383-2366 or larmitage@thorsby.ca.

A public hearing on the proposed bylaw to repeal and replace the Leduc County/Town of Thorsby IDP and the proposed bylaw to repeal the ICF between Leduc County and the Town of Thorsby will be held at the Thorsby regular Council meeting on **Tuesday, June 27, 2023, at 7:00 p.m.** Written or oral submissions can be made by any person who claims to be affected, or from any other person council agrees to hear from.

If you want to speak at the public hearing, you must pre-register by **Tuesday, June 20th, 2023, at 4:30 p.m.** You can pre-register by contacting the legislative clerk at 780-789-3935 ext. 27 or by emailing jcarleton@thorsby.ca.

To view the public hearing online, visit www.thorsby.ca and follow the link attached to the news post for the meeting.

Comments relating to these bylaws can be submitted online through The Town of Thorsby's website contact us submission, to jcarleton@thorsby.ca, by mail to PO Box 297, Thorsby, AB T0C 2P0, or by fax to 780-789-3779.

Comments must be received by Friday, June 20th, 2023, at 4:30 p.m.

THORSBY JR/SR HIGH SCHOOL PARENT COUNCIL UPDATE

FROM KIM CHUNG, President

Well folks, between playschool, elementary, junior and senior highschool, I have been on a board or council for 18 years now. As my daughter is graduating this year, I am officially retiring from these roles!

You may ask, "Kim, why did you do this for so long?" My answer? It was for many reasons. When we first moved here, I didn't know anyone and it was (and still is) a great way to meet people in the community. I also feel like I should give back to those who are helping me in some way and thought this was a great way to do that. I have also found, over the years, that kids are really completely unreliable in passing on any information, let alone the important stuff, and this was a really good way to stay up to date in the happenings of the schools.

I will say though, that I go back to the people every time. I have so enjoyed meeting and working with everyone and I have developed relationships that will last beyond my council years which is invaluable. Thank you to all of you for your time and dedication!

My last meeting will be on Tuesday, June 13th at 6:30pm. We will be having a short meeting at the school and then moving somewhere else for a celebration of the year(s). We hope you can join us if you are interested in learning anything at all about the school council. It doesn't mean you have to take on a position (although we are still looking for a president) - you can just come for the information and to make sure you have a say in what happens at the school. We hope to see you there!

THANK YOU PHYLLIS SCHNICK

On April 16, 2023, there was a small appreciation event held at the Warburg Legion Hall for long-time resident, Phyllis Schnick. She has recently decided to reside closer to her son and daughter-in-law where the climate might be a bit warmer. But many friends and community members from Warburg and area wanted a chance to honour her, wish her well, and say thank you for all she has done. Phyllis was appreciative and overwhelmed by this kind gesture. As she reflected on the many years past, she recalled so many things!

As a teacher, she was highly respected for her dedication and professionalism. She connected with her students and still has many interesting stories to tell! But she continued on to many other roles in the community. She was also a business woman, served on the Board of Education (as chair of that board as well), volunteered to lead community events and was closely involved with promoting our school and community. Some highlight accomplishments include:

- working at governmental levels to promote rural education
- helping develop High School Students' Union and Parent Councils which gave voices to students and parents alike
- leading in the planning of the very successful Homecoming of 2005
- being part of the creation and unearthing of the 50 year Time Capsule
- being instrumental in starting the local community papers because rural communities were not well represented in the Leduc Rep at the time
- working with FCSS and village council to find ways to improve or enhance the village
- serving for many years in the United church congregation

But more than that, Phyllis has been a friend to so many people. She is able to truly connect with

individuals and recognize their strengths and struggles. She cares deeply about each one!

What she would like to share with you is this: whatever accomplishments there have been (whatever they may be), there has been success because of all the wonderful people she has worked with. She didn't achieve anything by herself, but always with the support and encouragement of those who served with her. She is grateful for the journey and the memories. She thanks all of you for the lovely event in April which once again reminded her of why she loves this village and its people. God bless!

RCMP WARNING

LEDUC RCMP IS WARNING THE PUBLIC ABOUT SEXTORTION TACTICS BEING USED TO TARGET THE PUBLIC

Leduc, Alta. – Leduc RCMP have recently received several reports of financial sextortion involving adults and are encouraging everyone to learn what financial sextortion is and how to protect yourself and those around you from this crime.

Financial sextortion is a type of online blackmail that is, sadly, on the rise. It involves someone asking you to send them sexual images or videos of yourself and then threatening to share them with others unless you pay them. Offenders often pose as someone of a similar age and use fake accounts to target victims, deceiving them into sending explicit photos or videos. The offender then threatens to release the sexual materials unless the victim sends them money. These offenders know what they are doing, are organized, and are very good at what they do. They will rely on threats and aggressive behaviour to get you to send them what they want – it is important to remember that there is help available.

What to do if you are being financially sextorted:

- Stop all communication with the offender.
- Deactivate, but do not delete your social media account or images.
- Save a copy of any images you sent, and take screenshots of the messages and the person's profile including username.
- Do not comply with any threats, do not send money or more images.
- Trust your instincts, practice caution when communicating online.
- Reach out to a trusted person, and report what happened to your local police. It is important to know that you will not be in trouble with law enforcement and that you are not the one to blame in this situation. By reporting, you can help to keep others safer as well.
- Trust that there is life after images.

Even though financial sextortion is committed virtually, it can have serious impacts offline. After the threats and aggression, victims can feel alone, ashamed, scared, and sometimes desperate – to the point where they can harm themselves. Countless adults and children in Canada and around the world have been threatened this way. There are resources and supports available to help. You are not alone.

If you need help, there are resources available to you:

- The Canadian Anti-Fraud Centre has sextortion resources available to the public. www.antifraudcentre-centreantifraude.ca/scams-fraudes/extortion
- The Department of Justice's Victim Services Directory can provide information on resources in your community available to victims of online sexual exploitation. www.justice.gc.ca/eng/cj-jp/victims-victimes/
- Don't Get Sextorted has information on staying safe and getting help. www.dontgetsexorted.ca
- Need Help Now provides information on emotional support, reporting, helping a friend, and answering frequently asked questions.
- Public Safety Canada provides youth, parents and caregivers with educational resources on [Online Dangers](#), including sextortion.
- Kids Help Phone can provide [urgent support](#) in terms of emotional support and steps on what to do next.
- www.cybertip.ca provides information on staying safe online and how to report any concerns. You can provide your name and contact information, or complete the form anonymously.

If our oil and gas came with a label you would learn Indigenous opportunity thrives here.

You would also learn Alberta is a leader in many other ways. In addition to forming meaningful partnerships with Indigenous communities, we are focused on innovation in the industry. We know it is critical to reduce emissions, so we are investing heavily in innovation. We also know oil and gas will be required for decades to come. That's why we continue to excel in environmental performance, regulatory quality and human rights. And we can help bring LNG – a cleaner-burning fuel – to the world.
