THORSBY TEENS GOING TO INTERNATIONAL ARCHERY COMPETITION IN SOUTH AFRICA

submitted by Sarah Amalia

Archery has been a passion for Stephen Amalia since he was in grade seven.

Growing up in Thorsby, Stephen first tried archery in 2018 when Kelly Kijewski, a family friend and head coach for the Wetaskiwin NASP Archery Club, encouraged him and his older sister, Lena, to pick up a bow and give it a try.

Stephen was hooked from his first bullseye, and competed at both the Provincial and National level that first year.

Today, the 16 yr old grade 11 student is preparing to represent Canada at the Africa Genesis Archery (AGA) World Tournament being held in Limpopo, South Africa this July. It's a 10 and 15 metre barebow competition, on both bullseye and 3D targets, where all competitors shoot with the same equipment, without any additional aids such as sights or releases.

Africa Genesis Archery grew out of the National Archery in Schools Program (NASP) which started in the US in 2002 and has the largest participation of any student sport, with 1.3 million students from grade 4-12 involved each year. NASP started in Canada in 2009. It's designed to allow youths of all backgrounds and abilities to flourish in sport with boys and girls participating side by side and leveling the playing field of age, ability and affordability. Participants learn focus, self-control, discipline, patience, and success through regular practice and a competitive tournament schedule.

"The African event has 3 All-Star parts - a Development team, a Jr. team, and a Sr. team - all making up NASP Team Canada", explains Stephen, "I was excited to find out in the spring I had been chosen for the Jr team."

Shortly afterward, Lena, age 18, was contacted as a top-ranking NASP alumnus and asked to join the Sr. (Adult) team.

"It was fun to know Lena was coming with me," said Stephen, "We were practicing in a makeshift range in our basement all winter long. We only hit mom's bookshelf once, after an arrow went right

through the core of the target. It was time to replace it!"

Stephen is the current Canadian NASP male record holder with this year's National tournament score of 295/300. At that same tournament, his 14 yr old brother Ben, scored 289, placing 6th overall. And soon after that, in early May, Ben unexpectedly got the call inviting him to join the National Jr Team.

"We were really surprised, because we thought the team was set. But there was an unplanned opening and he was chosen. I'm pretty thrilled we're all able to go together." shared Stephen.

It is quite an accomplishment that three members of the same family have been chosen to join the National team to represent Canada on the world stage. They are practicing intensely as the competition nears, with the personal goal of letting fly at least 120 arrows a day, and have done up to 200.

"The Africans sometimes shoot up to 240 arrows on a tournament day," explained Stephen, "That's exhausting, so we're trying to build as much stamina as we can."

A trip of this magnitude is very costly, and the Amalia family's goal is to raise \$16,500 to send Lena, Stephen & Ben to Africa. For anyone who would like to contribute, you can contact them personally by calling 780-789-3377, texting 780-718-1626, or check out their GoFundMe and GiveSendGo fundraisers online under the name Amalias to Africa. No amount of help is too small.

September 30, 1948 – June 6, 2023

It is with profound sadness that the family of David Bruce Cropley, long time resident of Lindale, announce his sudden passing on June 6, 2023.

David was an accomplished carpenter and an avid Oiler’s fan that would never miss a game. He enjoyed the simple life and had a strong appreciation for nature, but his family and friends were most important to him.

He is survived by his loving wife, Patricia, of 52 years; his children, Daniel, and Pamela (Darren), grandchildren, McKenna (Travis) Petrie, Sophie (Tyler) Petrie, Nathan Petrie, Lola (Zach) Petrie, Tucker Cropley, Jesse Kawczak and Austin Kawczak. He also leaves to mourn, his siblings Kim (Peggy) Cropley and Judy Weir.

David was predeceased by his parents, Bruce and Margaret Cropley, his brother, Robert Cropley, brother-in-laws, Millson Matlock and Ron Matlock, and in-laws, Clarence and Rita Matlock.

The Cropley family wishes to express their sincere gratitude to the first responders and Breton RCMP officer on duty the night of Dave’s passing. The RCMP officer will forever hold a special place in their hearts as he supported the family during a time of immediate sorrow.

Your Say Leduc County

Public participation website now live

Leduc County knows that an engaged public and effective public participation improves the quality of the decisions we make, so we have now launched Your Say Leduc County.

Your Say Leduc County provides a space for County citizens to give their input on projects and share ideas for the future. The website features integrated tools strategically selected for each project. These tools include surveys, forums, polls, ideation walls, mapping tools, question-and-answer modules and more.

About public participation

While there are many different terms for public participation that are used interchangeably – including community engagement, public engagement, P2 and public consultation – they all mean the same thing. At Leduc County, we use the term “public participation.”

Public participation is any process that involves participants – external participants such as residents, business owners and community groups and/or internal participants such as staff – in problem solving or decision making and uses their input to make decisions.

Have your say

Register with Your Say Leduc County to stay involved in your community and provide input on key projects and decisions, visit www.yoursayleduccounty.com.

AN INVITATION TO REST

Submitted by Ebeline Zee-Hawtin, Secretary of SLW

You may have seen the new bench in front of St. Matthew's Lutheran Church, on the left as you face the front doors. It is placed there for anyone who wishes to spend some time on it- to relax, to rest weary feet, to chat with a friend, to wait for someone, or just to be still in the moment.

The bench is donated by St. Matthew's Women (SLW) and an appropriate plaque will be added. For some time, we have felt that a bench would feel inviting to those passing by. We have also discussed how we can honour the memory of past members as well as the service of all members, both past and present. It is in this spirit that the bench has been provided.

We hope our bench will give you pleasure, and we ask that you treat it with respect.

BREAKING NEWS!!

NOTICE OF PUBLIC HEARING!

Adopt Leduc County/Town of Thorsby Intermunicipal Development Plan and Repeal Intermunicipal Collaboration Framework between Leduc County and Town of Thorsby

TUESDAY, June 27, 2023 AT 7:00 P.M.

The Municipal Government Act (MGA) requires municipalities that share a common boundary to prepare and adopt matching Intermunicipal Development Plans (IDPs) and to establish Intermunicipal Collaboration Frameworks (ICFs).

In 2019, Leduc County and the Town of Thorsby worked collaboratively with input from the community to prepare an IDP and an ICF. Policies in the IDP and ICF require that these documents be reviewed every 4 years to ensure that the principles, policies, and intermunicipal service delivery remain current. In keeping with this requirement, Councils for Leduc County and the Town of Thorsby reviewed the IDP and ICF and are proposing minor revisions, primarily housekeeping in nature, to both the IDP and the ICF. As the MGA now allows municipalities party to an ICF to each approve the ICF by resolution, Leduc County and the Town of Thorsby are proposing to repeal the ICF and approve the updated ICF by resolution to streamline processes.

Details of the proposed bylaws to repeal and replace the Leduc County/Town of Thorsby IDP and repeal the ICF between Leduc County and the Town of Thorsby can be found on the Town's website accessible from the News section. Information can also be requested by contacting Liz Armitage, Development Officer at 403-383-2366 or larmitage@thorsby.ca.

A public hearing on the proposed bylaw to repeal and replace the Leduc County/Town of Thorsby IDP and the proposed bylaw to repeal the ICF between Leduc County and the Town of Thorsby will be held at the Thorsby regular Council meeting on **Tuesday, June 27, 2023, at 7:00 p.m.** Written or oral submissions can be made by any person who claims to be affected, or from any other person council agrees to hear from.

If you want to speak at the public hearing, you must pre-register by **Tuesday, June 20th, 2023, at 4:30 p.m.** You can pre-register by contacting the legislative clerk at 780-789-3935 ext. 27 or by emailing jcarleton@thorsby.ca.

To view the public hearing online, visit www.thorsby.ca and follow the link attached to the news post for the meeting.

Comments relating to these bylaws can be submitted online through The Town of Thorsby's website contact us submission, to jcarleton@thorsby.ca, by mail to PO Box 297, Thorsby, AB T0C 2P0, or by fax to 780-789-3779.

Comments must be received by Friday, June 20th, 2023, at 4:30 p.m.

If you make a written submission, the information you provide may be made public, subject to the provisions of the Freedom of Information and Protection of Privacy Act.

THORSBY COUNCIL NOTES

Committee of the Whole

June 13th, 2023

Submitted by Carol Rempel

Healthy Communities Delegation

Beverly Milroy, Health Promotion Facilitator presented the council with a plaque after providing an overview of the initiatives that took place from 2019-2023. Funds were made possible through Alberta Health Services, (\$20,000), Rural Mental Health Project/Canadian Mental Health Assoc. (\$25,000), Alberta Depot: Community Champion Program (\$20,000). The \$65,000 spent on community initiatives includes the design and development of Taylor Park, Thorsby Trail Network enhancement and expansion, community engagement that included students helping assemble benches, film drone footage of trails, create art for storyboards, and receiving garbage and recycling containers for the Town through the Community Champions Program. Beverly Milroy mentioned: "Our goal is to enhance the beauty of our natural areas and encourage people to engage in physical activities outdoors. A healthy community in a healthy society".

Leduc Regional Housing Foundation Delegation

Margo Haggerty, Executive Director of Leduc Housing Foundation reported that there will be more affordable housing development in our region. Planeview Manor in Leduc is to expand and build 24 units as the wait list is growing for a one-bedroom unit. "At present there is a need for 600 accommodations to place," says Councilor Musson. With limited funds available for construction, how do we combat the situation? Should each municipality increase the required funds for contribution?

New Librarian

The new Librarian hired is Paula Bosse. She will be starting immediately.

Report by Andrew Kearley

Assisted with concerns from the public and community groups in regards to the bleachers at the recreation centre as well as the weeds in the ball diamonds. Both projects are in progress. This year we will not be adding any calcium to the gravel for dust control as there is still enough calcium in the gravel to assist with dust control for this year.

Report by Kelley Probe, Recreation Manager

The new sidewalk to the south parking lot has been poured. Patch repairs were also completed on the existing sidewalk. Ruhr Valley has donated the lumber to replace the seating on our baseball stands. Public

Works is working on installing them. Thank you to both groups!

Thorsby, Calmar, and Warburg hockey associations have created a head association called **West 39 Minor Hockey Association** to manage hockey in the communities going forward. Ice requests for next season have already started.

Special Audit Meeting

The council has made a motion and passed the 2022 Audit Financial statements, the 2022 draft Audit results, and the 2022 trial balance and adjusting journal entries. All in favor. Carried

THOUGHTS OF A SENIOR

1. Your kids are becoming you.
2. You forget names...but it's OK because other people forget they even know you!
3. Going out is good...coming home is better.
4. You realize you're never going to be really good at anything.
5. The things you used to care to do, you no longer care to do, but you really do care that you don't care to do them anymore.
6. You sleep better on a lounge chair with the TV blaring than in bed. It's called pre-sleep.
7. You miss the days when everything worked with just an "ON" and "OFF" switch.
8. You tend to use more 4 letter words ...what? when?...
9. Now that you can afford expensive jewelry, it's not safe to wear it anywhere.
10. You notice everything they sell in stores is "sleeveless."
11. What used to be freckles are now liver spots.
12. Everybody whispers.
13. You have 3 sizes of clothes in your closet...2 of which you will never wear.
14. But Old is good in some things: Old Songs, Old movies, and best of all, OLD FRIENDS!
15. Stay well, "OLD FRIEND!" Send this on to other "Old Friends!" and let them laugh in AGREEMENT!
16. It's Not what you gather, but what you Scatter That Tells What Kind of Life you have Lived!
17. Be Kind!

SHAPING YOUR COUNTY

Leduc County's Land Use Bylaw

We're updating the Land Use Bylaw and we need your input to shape the future landscape of Leduc County.

What's a land use bylaw?

The Land Use Bylaw is the primary document we use to guide decisions on planning applications for everything from building a shed to building a shopping mall. It outlines what types of development is allowed on each parcel of land in the County.

Why are we updating it?

We want to create a user-friendly, comprehensive document that supports growth in the County, streamlines processes and protects our resources.

We're hosting four open houses to share our vision and gather your input on areas of the project.

Open House #1

Wednesday, June 21, 2023 from 3 to 7 p.m.

Leduc County Business and Entrepreneur Centre
(606 18 Ave., Nisku Business Park)

Open House #2

Wednesday, Aug. 9, 2023 from 3 to 7 p.m.

Sandholm Community Hall
(47376 Range Road 12, Leduc County)

Two more events (east and west County) coming Fall 2023.

Visit leduc-county.com/shapingyourcounty to learn how you can get involved and to sign up for project updates.

THORSBY COMMUNITIES IN BLOOM UPDATE

submitted by Barry Rasch

On May 29/2023 CIB Members and participating volunteers planted up the town starting at 6pm. It definitely was a warm afternoon and evening but we powered through to complete the job. It took roughly 3 hours to plant 40 planters finishing off with a delicious ice cream sandwich at the end. To our valued supporters we can't do all the great work we do in the community without your continued support. Darcy Powlik / Remax Realty thank you so much for the use of your covered trailer to get our plants safely back to Thorsby. That trailer was entirely full with delicate cargo on board. Thank You Crossroads Farm and Greenhouse in supplying all the great purple petunia choices and for the donated Salvia Pink/Purple Plants you generously donated to Thorsby CIB the official supplier of plants for the 2023 season.

You may ask yourself why has CIB been promoting the use of purple this year? Here's Why...

This year's colour is PURPLE. Purple has a variety of effects on the mind and body, including uplifting spirits, calming the mind, enhanced feelings of spirituality and encouraging imagination and creativity. From lilacs to coneflowers, from coast to coast, let's paint the country purple!

To our Adopt A Planter Sponsors and Planter Sponsors. Thank You Once Again. You make this all possible. Your generous support allows Thorsby CIB to continuously move forward on ambitions that support our community. This year has been our best year to date. The stickers will be going on shortly that identifies the sponsor for the 2023 season.

HERE IS WHY THE COST OF LIVING KEEPS RISING

Spending more money than you have is not a recipe for success. Anyone who has a personal budget can tell you this-- it is common sense to Canadians. However, this idea is unfathomable for this Liberal Government.

While Justin Trudeau and Chrystia Freeland spend like drunken sailors, Canadians are left to pay the bill. The price of this government is not the only thing that is increasing. The price of food, gas, heat, and other basic necessities continue to increase due to inflation and costly carbon taxes.

Interest rates continue to increase the price of mortgages. Each day I receive emails and phone calls from those struggling to get by. Those who could comfortably afford their mortgages when they originally took them out are now finding it difficult to keep up with their payments through no fault of their own.

Many are having to choose between heating their homes or fueling their vehicles to get to work, as well as skipping meals, and going to food banks because they cannot afford to eat. The increase in the cost of living is being felt by most.

At a time where it might seem difficult to remain optimistic, Conservatives are here to stand up for you. We have a plan to curb inflation, which in turn will lower interest rates and altogether will bring down the price of food. We will axe the carbon tax to lower the cost of heat and energy. We will build homes people can afford. We will balance the budget and implement a dollar-for-dollar program where every dollar of spending requires us to find a dollar of savings. This is the way common sense Canadians run their household budgets and this is the way we Conservatives will do just that.

Do you think it is time for common sense to prevail? I do.
