## THORSBY SCHOOL PARKING

*Submitted by the Town of Thorsby*

CAO Donna and CPO Dejan want to remind you all of the following:

1. There is a no parking sign turning the corner at 52 street to 48 Ave toward the school
2. The no parking zone ends at the driveway indicated in yellow
3. The new home on the next lot has parking in front of it and the residents living there have the access to park in front of their home

We know that there has been an empty lot there for a long time, but now we have new residents in Thorsby and that is now their home. We also know that there is heavy congestion of traffic at the schools twice daily and we ask that you exercise slow speed, patience, and understanding as the street parking opportunities have changed.

## ST. PATRICK DAYS ON THE ICE

*Submitted by the Mulhurst Legion Branch No. 246*

If you are looking for a great way to celebrate St. Patrick's Day, then why not head down to the frozen shores of Pigeon Lake at Mulhurst Bay on **Saturday, March 16, 2024.**

Just like pussy willows starting to bud and birds starting to fly north, eager golfers are returning to the ice of Pigeon Lake.

If you have never heard of the **Annual Ice Golf Tournament at Mulhurst Bay** or you are an active participant, come and join us this Saturday. The golf balls start to fly at 1:00 pm but you can start the day with a hearty breakfast at the Mulhurst Legion.

Doors open at 9:00 am for everyone to enjoy a back bacon and egg sandwich, hash brown patty and your choice of coffee, tea, pop or water for only \$10.00. If you can't make it down to the Legion that early in the day, then join us for lunch with a pulled pork bunwich, coleslaw and your choice of beverage, also for only \$10.00. Food will be served until 2:00 pm.

The weather should be warm, so if you are participating in the golf tournament or are just looking for something to do this Saturday, come and join us at the Mulhurst Legion starting at 9:00 am.

Meet your favorite golfer or just enjoy a coffee with friends. Play some cards, purchase some Nevada pull tickets or just come down and check out what the Legion has to offer this Saturday.

Please visit us during our weekday hours of Tuesday 10:00 AM - 6:00 PM, Wednesday 12:00 Noon - 6:00 PM, Thursday 12:00 Noon - 7:00 PM, Friday 10:00 AM - 5:00 PM, Saturdays 10:00am - 1:00pm.

Gumboots and garden plans, it's that time already! Whether it's a flower garden, vegetable garden, or a combination showpiece, we have the books that can help you get ready for our all too short growing season. From Lois Hole's favourites and always helpful advice through books on colour planning and perennials, we have it all!

Here at the library we are busier than ever, and we really enjoy all the many people who come in to use our facilities – the children's' area, the cozy reading corner, the tables for study and gaming, and of course the computers with free wifi. The library is much more than lending borrowing books, although we do a lot of that! It's a place to connect with friends, to get help accessing documents (printing is \$0.25 a page, colour or black and white), or simply to relax for a while.

If you have an hour or two to spare, as busy as we are we can always use some help keeping the library in order with tidying shelves, sorting games, assisting with programs, and putting things back where they belong. We are really grateful to all our volunteers whether they are here for one hour or many.

Thank you so much to the people who have been bringing in games for our board game kit collection. The number of games available is increasing, and they are out and about in the community. Top hits at the moment are "The Floor is Lava", and the ever popular "Apples to Apples", with Chinese Checkers being the newest arrival to hit the shelves. We welcome donations not just of games, but books, dvds, and other useful material. It all helps keep the library growing!

And now, a look at the After Hours Book Drop. The book drop is intended to be a convenient way for books to be returned to the library even when the library is closed. It is located inside the Recreation Complex, just outside the library door, and is accessible whenever the complex is open. It is a convenient way to return library materials if you can't get to the library during regular hours. That being said, it is not a garbage can.

In the last few months, staff have been finding garbage left inside the book drop, candy wrappers usually and most recently a piece of chewed discarded gum. We need everyone's help to address this, as there is a real

risk of damage to library materials. We would hate to have to remove the book drop, but if the problem persists we may have to consider doing just that.

Teens, Audrey's Teen Time runs next Wednesday, March 20, from 3:30 to 4:30. Come to the library for fun social time, games and of course, snacks!

During Spring Break the library will be hosting a Board Game Cafe for teens (10 and up), one day only, Wednesday March 27 1:00 – 4:00. Come with your friends and enjoy playing anything from Ticket to Ride through Labyrinth, with snacks and hot chocolate!

March 15 is the International Day to Combat Islamophobia. To learn more, come down and check out the resources that we and our fellow libraries have. We are happy to bring in material when we don't have it on the shelf here.

See you at the library!

## Happy St Patricks Day!

# WARBURG SEED CLEANING CO-OP CELEBRATES 60 YEARS

*submitted by Warburg Seed Cleaning Co-op*

The Warburg Seed Cleaning Co-op started in 1964 when farmers in need of a better way of cleaning their seed and controlling the spread of weed seeds got together to raise 1/3 of the funds needed to build the Plant. The other 2/3 of the funds came from Leduc County and the Province of Alberta. In the early years, the main business was just seed cleaning. Over the years, the business has grown to include forage seed sales, fertilizer sales and spreader rental, grass seeder rentals, Pedigreed seed sales and herbicide sales. The plant was also the canola gathering point for Canbra Foods which eventually was taken over by Richardson Pioneer. We obtained more land for our bin yard which meant we could offer more varieties of seed to sell. We currently have 38 seed bins and 3 fertilizer bins in the bin yard plus bins for our feed grain and a bin to store sunflowers for bagging. A ring road was built to accommodate the large trucks and trailers and a warehouse so we could better handle forage seed, tote bags, conduct repairs and have a place for storage. Part

of the warehouse also serves as AWSA compliant herbicide Storage.

2010 saw the installation of an optical sorter and a new wind & screen. The color sorter was a major advancement to grain cleaning. In the past few years there has been some major updates such as a new gravity table, a 4000 bu. Bin for incoming seed storage, 6000 bushels of overhead clean seed storage, the addition of a 90 foot truck scale and a new color sorter with true color and infrared cameras for even more advanced cleaning capabilities. We added a roller mill and blender for feed sales so we can offer a variety of feed grains in small 50 pound bags, mini bulk bags or bulk and upgraded our bagging system. We moved into our new sales office in October of 2022.

In 60 years, Warburg Seed has had a lot of changes and we couldn't have done it without all of our customers! Thank you for your support!

## BRETON SCHOOL MODERNIZATION PLAN PUT ON HOLD

*Submitted by Wild Rose School Division*

With the announcement of the latest budget and the Approved School Capital Projects, the modernization of Breton High School was noticeably absent from the list. This project was approved for design funding in the 2023 budget. Planning has been underway to modernize Breton High School to fit all Breton students (K-12) and to demolish Breton Elementary. This includes the preparation of construction tender documents, including drawings and specifications.

*"While we are disappointed that the Breton project was not approved for construction funding, we are hopeful that with all of the work and planning that has already occurred, this will just be a temporary pause and that it will be approved in the 2025 budget,"* stated Board Chair, Daryl Scott.

*"It is unfortunate that after a year's work on design plans, the Breton community is left wondering when or if this will happen,"* said WRSD Superintendent, Brad Volkman. *"Regardless, the staff of Breton Elementary and Breton High School remain committed to providing powerful learning environments for our students."*

The plan to bus Breton High students to Warburg for the next school year will not be happening. There will be no need to vacate the building as there will be no construction occurring.

## Back in the Day

- Flat Screens are nice and all but they'll never compare to the Television/record player/liquor cabinet combo extravaganza we had as kids
- My generation never had babysitters. Our parents just told us to lock the door and don't open it for nobody.
- When I was a kid there were two ways to die, Natural causes and talking back to our parents.
- One minute you're young and fun and the next minute you predict the weather with your bad knee.
- If you think you are smarter than the previous generation. 50 years ago, the owner's manual of a car showed you how to adjust the valves. Today it warns you not to drink the contents of the battery.

## Best Childhood memory

- Falling asleep on the Couch and waking you in bed, I miss teleporting. It never happens to me anymore.
- It amazes me that a phone card back in the day could stretch from one room to another, but you can't get a USB cord to last a week.
- Shoutout to everyone who can still remember their childhood phone number but can't remember the password they created yesterday. You are my people.
- My mind still thinks I'm 25. My body thinks my mind is an idiot.
- People with siblings have better survival skills because they've had experience in physical combat, psychological warfare and sensing suspicious activity.

## GET DOWN TO BUSINESS:

### Alberta RCMP gives tips to combat business fraud

*Media Relations RCMP Alberta, March 11*

This March, the Alberta RCMP will be sharing information and resources in support of the Alberta Community Crime Prevention Association's (ACCPA) Fraud Prevention Month campaign

[www.albertacrimeprevention.com/fraud-prevention-month](http://www.albertacrimeprevention.com/fraud-prevention-month)

The campaign, which will include a weekly theme, seeks to educate Albertans on the many ways that fraudulent activity impacts their communities.

This week's theme focuses on business fraud and scams, which includes, but is not limited to:

- Scams targeting businesses and/or businesses targeting consumers;
- Businesses targeted by phishing scams and/or phone scams;
- Business emails being compromised;
- Mortgage fraud;
- Money laundering in real estate;
- Door to door scams;
- Contractor and home repair schemes;
- Duct cleaning services; and,
- Unlicensed businesses.

How can you better protect yourself from these types of scams? Here are some helpful resources on [www.getcybersafe.gc.ca](http://www.getcybersafe.gc.ca):

- Learn the warning signs of script spoofing in emails and URLs;
- Learn how to protect your business from cyber attacks; and,
- Learn how to spot the warning signs on fake emails.

*"I cannot overstate the importance of protecting your personal and financial information. Whether you are a business owner or someone looking to employ a company's services, you must take every precaution by familiarizing yourself with the warning signs of a possible scam."* Cpl. Sean Milne, Alberta RCMP Provincial Financial Crime Team

If you believe you may be a victim of fraud, or are currently being targeted by fraud, please report it to your local law enforcement and the Canadian Anti-Fraud Centre (CAFC) at 1-888-495-8501. Instances of compromised personal and/or financial information should be reported to your bank and credit card company. To learn more about the various types of frauds and scams, please visit the CAFC's scam webpage.
