

THE BRETON BOOSTER

RIDE FOR MOM

Despite the smoke in the air, the Village of Breton welcomed approximately 350 riders on Saturday May 11. The Southern Alberta Bikers started at Blackjacks Road Roadhouse in Nisku, stopping in Breton for lunch on their 250km "Ride for Mom". The whole community came together to support the riders and the cause where the money raised will go to Leduc & District Victim Services.

Many businesses and community members pitched in to make this event a success. The Village of Breton showed their gratitude in a Facebook Post on Sunday. "To say Breton showed up in spades for the Ride for Mom would be an understatement!" Thank you so very much to Breton Soccer kids for their wonderful posters and welcoming cheers to the riders as they arrived. To their moms for helping serve the lunch. To Mullen Oilfield for the use of their BBQ, to Torq for bringing their event trailer...all the food and so many laughs. Chris and Ben you two were GREAT sports!!! Thank you to River's Edge from Drayton Valley. The talent this band possesses is out of this world! Tianna Frost for her time and great photos she was able to get (these will be posted in a few days) To Donna Chen and her amazing crew at Tim Hortons, to all the vendors who braved the smokey air and the last minute changes to move inside...to Village Council for serving all the riders (over 250 people!), to Jt for driving the chase truck and rescuing a few riders along the route...To Lorne for his drone footage and especially to the residents of this incredible Village! We have such a true gem here. Thank you to Ride for Mom organizers! What a terrific event you put together and thank you for choosing Breton"

BRAZEAU COUNTY COUNCIL HIGHLIGHTS

May 9, 2024 Regular Council Meeting

Appointment to Recreation Board

Council appointed Rina Saar to serve a two-year term as a member at large on the joint Town of Drayton Valley - Brazeau County Recreation Board.

The Board will initiate and provide direction for sport, culture, and recreation programs as designated by the councils of the Town and the County, and is directly accountable to the councils. It will be made up of two County councillors, two Town councillors, and two members-at-large, one a Town resident and one a County resident.

The Board will make recommendations to the councils on the management and operation of the recreation and cultural facilities as agreed to by both the Town and County and as identified in the Recreation and Culture Cost-Sharing Agreement.

The Board is advisory and all recommendations must be approved by both councils in order to take effect.

Canadian Fire Rescue College

Director Erik Ives gave a presentation regarding the Canadian Fire Rescue College, which is exploring Lodgepole as a campus location to train firefighters. Council will provide the college with a letter of support for the idea.

County of Wetaskiwin No. 10 ICF and IDP

Council gave first reading to Bylaws 1178-24 and 1183-24 to repeal the Intermunicipal Development Plan and Intermunicipal Collaboration Framework with the County of Wetaskiwin No. 10.

This will reduce the levels of regulation on boundary lands between Brazeau County and the County of Wetaskiwin No. 10, while still being able to review statutory plans, land use changes, subdivision applications, and discretionary development along the intermunicipal boundary.

A public hearing on Bylaw 1178-24 will be held at the June 4th Council meeting.

Appointment of Weed and Pest Inspectors

Council appointed Noahlea Townsend, Jenna Smith, Hannah Mahan, Lexis Elliot, Shaye Sommerfeld, Riley Rogers, Molly Goerzen, and Brent Erickson as weed and pest inspectors.

Council Meeting Livestreaming

Beginning with the May 21 meeting, Council meetings will be livestreamed on the Brazeau County YouTube channel. The link to watch the livestream will be posted

on the County Facebook page and website prior to the meeting. Concluded meetings will be saved to a playlist on the Youtube channel as well.

Reeve Bart Guyon congratulates finance manager Niranjan Tank for 10 years of service to Brazeau County. Congratulations Niranjan!

JOINT NEWS RELEASE

May 8, 2024

Residential Solar Installation Grant

The County of Wetaskiwin, in partnership with Joint Economic Development Initiatives (JEDI), is excited to announce the launch of a new Residential Solar Installation Grant Program aimed at helping County residents reduce their electricity costs through sustainable energy solutions.

Thanks to a generous donation of \$187,500 from the John Maude and Susan Quinn Charitable Foundation, this program will provide financial assistance to homeowners seeking to install solar PV systems on their properties. Eligible residents can receive a grant of up to \$7,500 to cover the costs of purchasing and installing a minimum 5kW solar PV system.

"We are grateful to the John Maude and Susan Quinn Charitable Foundation for their support in making this initiative possible," said Reeve Josh Bishop. "We're excited this program is available to assist our residents in reducing their electricity costs and enhancing energy efficiency."

Applications are now open and will be managed by JEDI, the economic development provider for the County. Residents interested in applying must obtain a quote for a solar PV system of at least 5kW and submit their application for pre-approval.

Additional requirements include obtaining necessary development and building permits and passing a final electrical inspection by Superior Safety Codes. The program emphasizes that funds will be allocated on a first-come-first-serve basis, and applications must be completed within eight months of receiving pre-approval.

For more details on the application process and eligibility criteria, residents can visit the County's website or contact the JEDI office.

BLAST FROM THE PAST - BRETON HISTORY

Breton Hotel

Breton Museum Facebook March 10, 2024

In 1930, about 3 years after the railway came to Breton, the Breton hotel was built by Wm. Spindler. Spindler's ran the hotel until 1936 when it was purchased by Charles Bowen.

The photo pictured here was after Mr. Bowen had added an addition to the hotel. Hardly recognizable today as the same building. Numerous individuals have owned the hotel over the years, and numerous additions have taken place. Some of the owners have included Bart Kuefler, Joe and Katie Eliuk and John Kanda.

When Joe and Katie Eliuk purchased the hotel in 1964, beer sold for 10 cent a glass, bottled beer was 30 cents and a case of beer for \$2.50. Oh for the good old days.

Strength

“Confronting our feelings and giving them appropriate expression always takes strength, not weakness. It takes strength to acknowledge our anger, and sometimes more strength yet to curb the aggressive urges anger may bring and to channel them into nonviolent outlets. It takes strength to face our sadness and to grieve and to let our grief and our anger flow in tears when they need to. *It takes strength to talk about our feelings and to reach out for help and comfort when we need it.*”

FEDERAL CAPITAL GAINS TAX: Minister Horner

May 13, 2024, Alberta News

President of Treasury Board and Minister of Finance Nate Horner sent the following letter to Canada's Deputy Prime Minister and Minister of Finance on the changes to the federal capital gains tax:

"I am writing to convey Alberta's strong objections to your budget proposal to raise the capital gains inclusion rate. It adds a further layer to the expanding array of federal policies harmful to savings and investment and, by extension, Canadian productivity and our future standard of living.

"Your proposed tax increase is also damaging and unfair to the many small business owners who planned for retirement and are relying on the assets they built up and held in their small businesses. I urge you to reconsider the fairness of a retroactive tax increase on their savings and investments. These individuals and families do not have the luxury of a taxpayer-supported defined benefit pension plan that you and your cabinet colleagues have.

"Like other provinces, we are also frustrated that the federal government proposed such a major change to the shared federal-provincial tax base without consultation or engagement. Measures like these are forced upon provinces and undermine our pro-growth economic policies that seek to propel our whole country forward.

"Canada's lacklustre productivity is among the biggest challenges facing Canadians, and a serious threat to our continued prosperity and high standards of living. While you argue that Canada continues to attract significant investment and that our Marginal Effective Tax Rate is still the best in the G7, you cannot deny that this tax increase will further chip away at our tax advantage. And, more significantly, it builds on the piling of federal policies harmful to investment. These policies are weakening our standing in the world, and the standard of living of our people.

"As has been noted by the Canadian, Ontario and Alberta Medical Associations, your tax increase also comes at a time when the Canadian healthcare system is under extreme pressure and our ability to attract and retain physicians is a serious challenge. Raising taxes on these professionals will only exacerbate the crisis and put more financial strain on provincial governments.

"On behalf of the Government of Alberta, I am calling on you to cancel your proposed tax increase on capital gains. Canada needs policies that promote investment, innovation, and risk-taking, not new taxes that hinder productivity."

MIRACLE PRAYER

Dear heart of Jesus, in the past I have asked many favors, this time I ask you this special one (*mention your favor*) Take it dear heart of Jesus and place it within your heart where your father sees it. Then in his merciful eyes it will become your own favor, not mine. AMEN.

Say this prayer 3 times for 3 days and your favor will be granted. Never been known to fail. Must promise publication of prayer.

DRIVE SAFE

Alberta RCMP targets unsafe driving during Canada Road Safety Week and Victoria Day long weekend

Alberta RCMP, May 13, 2024

Edmonton, Alta. – From May 14-20, your Alberta RCMP, in partnership with the Canadian Association of Chiefs of Police, will be promoting safe driving behaviours as part of Canada Road Safety Week and conducting targeted enforcement during National Impaired Driving Enforcement day.

The annual campaigns aim to reduce roadway collisions, injuries, and deaths by promoting public compliance with safe driving measures, especially during the Victoria Day long weekend.

For 2024, the RCMP will be focusing enforcement efforts on behaviours that present serious risk to drivers, passengers, and pedestrians. These includes:

- Drug and alcohol impaired driving
- Fatigue
- Distracted driving
- Aggressive driving
- Driving without a seatbelt

These following tips can help you avoid unsafe driving behaviours:

- If you consume drugs or alcohol, arrange for transportation from a sober friend, taxi, family member, or ride-sharing service.
- Get enough sleep, and if you find yourself getting tired while driving, find a safe place to pull over for a rest.
- If you are becoming agitated with another driver, or encounter another motorist driving aggressively, safely pull over and contact the police.
- Always buckle up no matter how short your trip is.

“In 2023, the Alberta RCMP removed 7,707 impaired drivers from provincial roadways, an average of 21 impaired drivers per day,” says Sgt. Darrin Turnbull, Alberta RCMP Traffic Services. “During last year’s Canada Road Safety Week alone, RCMP officers removed 205 impaired motorists from Alberta’s streets and highways.”

As part of Canada’s Road Safety Strategy 2025, you can play a part in making Canada’s roads the safest in the world.
