Happy Seniors Week - This week we celebrate all the Older Adults in our community. There are several activities planned throughout the week. Everyone is welcome to attend. We also encourage community members to reach out to the older adults they know and make them feel extra special this week. The list of activities is included in the Booster. Thank you to ATB, Breton IDA, The Cooperators, The Breton Library and the Breton Historical Society for hosting this week and celebrating with us.

When I am Old

When I'm an old lady, I'll live with each kid,
and bring so much happiness, just as they did.
I want to pay back all the joy they've provided.
returning each deed! Oh they'll be so excited!!
(when I'm an old lady and live with my kids)
I'll write on the wall with reds, whites and blues,
and I'll bounce on the furniture wearing my shoes.
I'll drink from the carton and then leave it out.
I'll stuff all the toilet and oh how they'll shout
(when I'm an old lady and live with my kids)
when they're on the phone and just out of reach,
I'll get into things like sugar and bleach.
oh they'll snap their fingers and then shake their head,
and when that is done, I'll hide under the bed!
(when I'm an old lady and live with my kids)
when they cook dinner and call me to eat,
I'll not eat my green beans or salad or meat,
I'll gag on my okra, spill milk on the table,
and when they get angry, I'll run if I'm able!
(when I'm an old lady and live with my kids) I'll sit close
to the tv, through the channels i'll click,
I'll cross both eyes, just to see if they stick.
I'll take off my socks and throw one away,
and play in the mud till the end of the day!
(when I'm an old lady and live with my kids)
and later in bed, I'll lay back and sign,
I'll thank god in prayer and then close my eyes.
my kids will look down with a smile slowly creeping,
and say with a groan, "she's so sweet when she's
sleeping!"

Community Information Night - Celebrate Breton & Chili Cook Off - Tuesday September 24 2024. This will be a time for community members to plan their fall activities, volunteer commitments and know of all the services available in and around our community, along with learning about the great businesses we have in our area. Breton FCSS will be coordinating this evening. We are adding a twist to this year's event and inviting any groups / businesses that would like to be a part of a Chili Cook Off. The Cook Off will be organized by the Breton Agricultural Society. Save the date and plan to join us that evening. More details will follow.

This evening is designed to do the following:

- * To give your agency / organization the opportunity to let the community know who you are and what services and/or purpose you give to the community and surrounding area.
- * If you hold a registration night for your group this could be done at the same time.
- * If your agency is in need of recruiting new members or volunteers this would be a time for community members to see what groups are operating and decide where they would like to commit some of their time.
- * Promote your business or services that you provide to the area. Use it for staff recruitment.

More details for the Chili Cook Off and Information night coming soon. We look forward to showcasing all of the great businesses, groups and opportunities that evening along with the Cook Off being judged by the community members attending.

NOVEMBER 15, 2023

IT IS WITH GRATEFUL HEARTS THAT WE THANK OUR EXTENDED FAMILY, FRIENDS, AND NEIGHBOURS, FOR THE OUTPOURING OF LOVE AND SUPPORT GIVEN TO US AS WE TRAVEL THE ROAD OF SADNESS AND GRIEF WITHOUT OUR ROCK DENNIS.

WHETHER, IT BE FLOWERS, CARDS, LETTERS, FOOD, VISITS, TEXT MESSAGES, HUGS, THOUGHTS OR PRAYERS, OR FACEBOOK CONDOLENCES... PLEASE KNOW ALL ARE APPRECIATED.

AS DENNIS DID NOT WANT A FORMAL FUNERAL, OUR FAMILY HAS PLANNED A PARTY, TO CELEBRATE AND REMEMBER HIM, IN OUR BACKYARD ON AUGUST 10, BEGINNING AROUND 2:00 P.M.

WE ARE PREPARING FOR A BIG CROWD, RAIN OR SHINE, SO WHETHER YOUR CONNECTION TO DENNIS IS OLD OR NEW, OR THROUGH ANOTHER FAMILY MEMBER, PLEASE ATTEND. BRING A LAWN CHAIR, AND YOUR BEVERAGE OF CHOICE. WE WILL PROVIDE LUNCH, COFFEE, TEA AND SOFT DRINKS.

AS MEMORIES ARE A GREAT COMFORT AND HEALING TOOL, WE ARE HOPING TO HEAR LOTS OF STORIES, ABOUT HOW YOU REMEMBER DENNIS. WE WILL BE ADDING THESE STORIES TO DENNIS'S TRIBUTE BOOK, SO IF YOU HAVE A STORY, WE WOULD LOVE TO HEAR IT.

PLEASE EMAIL

Brazeau County

NOTICE

Roadside Vegetation Control Program

Brazeau County Agricultural Services Division will be carrying out roadside spraying of prohibited noxious, noxious weeds and woody vegetation (brush) throughout the County from May to October. For public safety, a buffer zone will be maintained between these roadside spray areas and county residences/yard sites.

As per our Vegetation Management policy, spraying on roadsides is done under the authority of Alberta's Weed Control Act. Brazeau County is required to control the weeds on the roadside just like any other landowner is on privately owned land. As well, in the public interest of safety, brush control is performed to increase the sightlines on roadways and intersections. As a result, costs of maintaining these open roadways are reduced where brush and trees are managed properly as it makes snow removal easier and allows roads to dry out quicker after precipitation falls.

The following programs related to herbicide use are available to residents:

- Hawkweed Program (County staff will treat up to 5 acres infested with Hawkweed on private land at no cost)
- Herbicide Rebate Program (the County will reimburse landowners 50% of the cost of herbicide used on the landowner's property to control prohibited noxious and noxious weeds)
- No Spray Agreement (the County will not use herbicides in the ditch adjacent to a landowner's property; responsibility for weed control is assumed by the landowner)

For further information about any of the above mentioned programs, please visit www.brazeau.ab.ca or contact the Agricultural Services Division at (780) 542-7777.

A PIECE OF BRETON HISTORY FOR SALE ON JULY 1

by Allan Goddard, Breton Museum

Thanks to a generous donation from a former Breton family, the Breton and District Historical Society is pleased to offer a rare opportunity to bid on two original editions of the "Ladder of Time" history books on July 1st. The books will be auctioned off at 2 PM on July 1st at the Breton Community Hall Grounds.

Over the years the Historical Society has received numerous inquiries about purchasing a copy of the "Ladder of Time". Unfortunately the book has been out of print for many years and our only suggestion to these individuals was to look in used books stores, antique stores or second hand shops. Don't miss this opportunity to acquire a copy of "The Ladder of Time" documenting the memories of the Breton community from its earliest days to the late 1970's. When the book was released in 1980 the "Ladder of Time" won first prize for community history books that year.

The one copy is in immaculate condition. The second copy has some binding damage and has been well loved but is complete, both are looking for a new forever family to love and cherish them. Don't let this opportunity pass you by if you or someone you know has been looking for a copy of this book. If you are unable to attend the live auction but would like to bid on the books please contact the Breton museum and they will arrange for your bids to be included in the auction.

SENIORS' WEEK KICKOFF: INVESTING IN SUPPORTS

June 03, 2024 Alberta News

Alberta's government is beginning celebrations for the 38th annual Seniors' Week with an investment in new and existing supports for seniors.

In recognition of the contributions older Albertans make to our families, communities and province, Alberta's government has proclaimed, in perpetuity, the first full week of June as Seniors' Week in Alberta.

Seniors are pillars of Alberta's communities, and Seniors' Week is an opportunity to celebrate their invaluable contributions to the province. Alberta's government is taking action to promote healthy aging in Alberta with an \$18-million investment over three years for new and existing seniors' services initiatives across the province. This funding will support initiatives such as home support and outreach services for seniors.

"Seniors' Week is an opportunity to celebrate the contributions our seniors have made to our families, our communities, and to our province. Our government is committed to supporting seniors in living and aging independently in their communities, which is why this funding is so important. Access to more in-home and community supports, along with strengthening outreach services in rural communities will ensure seniors across the province can continue to contribute and be vital members of our communities for years to come." Jason Nixon, Minister of Seniors, Community and Social Services

The inability to navigate and access services often leads to isolation, hospitalization, or long-term placement for seniors. Older Albertans will have more peace of mind knowing there will be a range of flexible and personal supports, such as meal preparation, housekeeping, or yard care, available to them when they need them.

The total funding from Alberta's government includes \$12 million over three years, allocated to organizations covering the entire province including Carya on behalf of the Way In Network in Calgary, the Edmonton Seniors Coordinating Council, and other community-based support services across the province. An additional \$6 million over three years will be allocated to the United Way of Calgary and Area on behalf of Healthy Aging Alberta to expand in-home, non-medical support services. Together, this funding will help senior Albertans maintain their independence and quality of life.

"Healthy Aging Alberta, guided by the Community Leadership Council, is committed to creating a province where everyone plays a role in improving the well-being of older adults. This investment by the Government of Alberta will help aging Albertans stay active, contributing members in their communities – enhancing our ability to provide

access to social connections, assisted transportation, home supports and the nutrition they need to live a good life. We deeply appreciate the partnership of our government and everyone who joins us to make Alberta one of the best places in world to age well." Susan Brooke, vice-president, Community Impact & Partnerships, United Way of Calgary and Area

"We are deeply grateful for this generous funding from the Alberta government, which will significantly enhance our ability to support seniors. Seniors are important contributors to our communities, and this investment will help us to ensure that they can continue to live independently and with dignity in the communities they have helped build. This funding is critical to connecting seniors to non-medical supports that enhance their quality of life and well-being. We look forward to working with our partners to implement and expand this initiative and continue to make a meaningful difference in the lives of older Albertans." Paula Telfer, chief executive officer, Carya Calgary

Quick facts

- As part of Seniors' Week, the Town of Banff received an Age-friendly Alberta Recognition Award, for making services in the community more accessible and inclusive for seniors.

- In 2023, the seniors population increased by about 2,500 each month.
- The province's seniors population is expected to increase to more than one million by 2035.
- The breakdown of the funding to be distributed over three years:
 - \$12 million over three years for in-home supports:
 - \$4.5 million to Carya on behalf of the Way In Network in Calgary.
 - \$4.5 million to the Edmonton Seniors Coordinating Council.
 - \$3 million for community-based supports in other major centres across the province.
 - \$6 million over three years to the United Way of Calgary and Area on behalf of Healthy Aging Alberta to expand in-home non-medical support services.

ALBERTA PROCLAIMS FIRST CANADIAN ARMED FORCES DAY

June 02, 2024 Alberta News

Alberta is honouring current and veteran soldiers, sailors, aviators and their families for their dedicated service to Canada.

Military service is ingrained in Alberta's DNA and forms part of its unique culture and identity. Alberta's government is proud to proclaim the first Sunday in June as Canadian Armed Forces (CAF) Day in perpetuity. The day recognizes the important role of Canadian Armed Forces members and veterans have in building a strong province where everyone has the chance to thrive. It also recognizes the indispensable role of their families and communities to support their service.

"Albertans have a long and proud history of military service in the Canadian Armed Forces that stands out in memory, from Vimy Ridge to the War in Afghanistan. When our nation has called, Albertans have always been there to answer. Today we pay tribute to their bravery and dedication. I hope all Albertans take the opportunity to recognize the personal and family sacrifices of members of the Canadian Armed Forces and appreciate their service." Tanya Fir, Minister of Arts, Culture and Status of Women

"This annual commemoration reaffirms our deep respect and appreciation for the bravery, dedication, and sacrifice of the men and women serving in the Canadian Armed Forces, both past and present. Alberta has a long, proud history of military service, and we are honored to recognize the invaluable contributions of our soldiers, sailors, and aircrew who defend our freedoms and protect our nation. On Canadian Armed Forces Day and every day, we express our sincere gratitude to the members of the Canadian Armed Forces and their families for their unwavering commitment to our country." Justin Wright, MLA for Cypress-Medicine Hat and military liaison to the Canadian Armed Forces

"Members of the Canadian Armed Forces and their families serve our country every day, in and out of uniform. And whether deploying on overseas operations, responding to natural disasters, or training at home, no CAF member could without the support of our loved ones and neighbours. As teachers, lawyers, mechanics, students, public servants and every type of profession, primary reservists also rely on the legal protections Alberta's government has created to ensure they can serve their country. Thank you for your support!" Major Bryn Wright CD, Deputy Commanding Officer, The Loyal Edmonton Regiment (4th Battalion, Princess Patricia's Canadian Light Infantry)

Alberta's government will host an inaugural Alberta

Salutes Garden Party at Government House to celebrate CAF members, veterans, their immediate families and families of the fallen in recognition of the commitment they have all made to Alberta and Canada.

Alberta's government provides a variety of supports to members of the Canadian Armed Forces and their families, including:

- waiving the waiting period for Alberta Health Care Insurance Plan (AHCIP) coverage,
- providing admission to all of Alberta's museums and historic sites to CF One members,
- providing \$3.4 million in 2023 for Veterans' House Canada, supporting 40 veteran-focused supportive housing units in Edmonton, and
- introducing and strengthening job protection leave for reservists in 2022.

Quick facts

- Alberta has the third-highest number of active-duty members in Canada.
- About one in every 10 veterans in Canada is Albertan.
- About one in every 10 serving members of the Canadian Armed Forces is located in Alberta.
- Canadian Armed Forces Day was established in 2002 by the federal government and takes place on the first Sunday in June. The day celebrates active and past members of the Canadian Armed Forces.

IN HONOUR OF SENIORS WEEK

Here are some Jokes About Aging That Make Growing Old So Much Funnier

As Benjamin Franklin once pointed out, nothing is certain except death and taxes..and the fact that your skin is destined to lose its fight with gravity. You don't have to like it, but at least you can laugh about it thanks to these silly old-people jokes that poke fun at the inevitable.

1. What's the secret to having a smoking hot body as a senior? *Cremation.*
2. What is a prize old people can win for aging? *Atrophy.*
3. What's the best part of old age? *That it doesn't last very long.*
4. These are not gray hairs! They are wisdom highlights.
5. Which underwear brand do seniors love best? *It Depends.*
6. Old age makes us great multitaskers. Why, I can sneeze and pee at the same time!
7. One benefit of old age is that your secrets are always safe with your friends ... because they can't remember them!
8. Age is an issue of mind over matter. If you don't mind getting older, then it really doesn't matter.
9. Stop thinking of them as "hot flashes." Think of them as your inner child playing with matches.
10. How is the moon like dentures? *Both come out at night.*
11. Now that I've gotten older, everything's finally starting to click for me. My knees, my back, my neck.
12. I've decided: Whatever age I am is the new 30!
13. What goes up but never comes down? *Your age.*

Marriage and family.

14. Of all your children, the only one who won't grow up and move away is your husband.
15. An old woman is sitting at a bar when an older gentleman sits down beside her. "So," he says, "*do I come here often?*"
16. My husband cooks for me like I'm a goddess—by placing burnt offerings before me.
17. Where can single men over 65 find younger women who are interested in them? *In the bookstore, under "Fiction."*
18. Bickering with your spouse is like trying to read the Terms of Use for a new service. In the end, you just give up and click "*I agree.*"
19. Why should you marry someone older than you? *As your looks fade, so will their eyesight.*
20. After a big fight, my wife yelled at me, "*You know, I was a fool when I married you.*" So I replied, "*That may be true, but I was in love and didn't notice it.*"
21. Be kind to your kids. They choose your nursing

home.

22. Why do retirees smile so much? *Because they can't hear a word you're saying.*
23. Apparently saying, "*Oh, this old thing?*" isn't an appropriate way to introduce my wife.

Retirement

24. What do you call someone who enjoys Mondays? *Retired.*
25. You know it's time to retire when your co-workers are wearing clothing from your youth and calling it retro.
26. The truth is, retirement kills more people than hard work ever did.
27. Retirement is wonderful. It's doing nothing without worrying about getting caught.
28. When is the best time to start thinking about your retirement? *Before the boss does.*
29. My company recently gave me an aptitude test, and I found out the work I was best suited for was retirement.
30. What's the key to a structured retirement? *A rigid nap schedule.*
31. Retirement is what happens between doctors' appointments.
32. Money isn't everything, but it sure keeps you in touch with your children.
33. Sometimes the best part of your career is retirement.
34. Why was the retiree's wife tired? *She got twice as much husband for half the pay.*
35. What's worse than middle age? *Knowing you'll grow out of it.*
36. How many retirees does it take to change a light bulb? *One, but it'll take all day.*

Funny one-liners about aging

37. You know you're getting old when your birthday cake is a fire hazard.
38. If I ever decide to buy a horse ranch in my old age, I'm going to name it "*Pasture Prime.*"
39. You're not getting old; you're becoming a classic.
40. The older we get, the earlier it gets late.
41. You know you're getting old when your birthday cake is a fire hazard.
42. With age comes wisdom ...and hair in really weird places.
43. Allow me to politely suggest that this be the year you start lying about your age.
44. Don't let aging get you down; it's too hard to get back up again.
45. I'm getting older and wider instead of older and wiser!
46. With old age comes wisdom ... and early-bird specials!
47. At my age, the only pole dancing I do is while holding on to the safety bar in the bathtub.
48. When you consider the alternative, old age really isn't so bad.
49. Aging gracefully is a nice way of saying you're slowly looking worse.

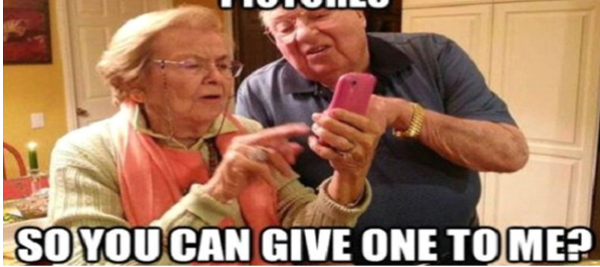

Laurie's Laughs

OLD AGE

TO REACH OLD AGE WITH WISDOM...
ONE HAD TO BE
YOUNG AND STUPID
WITH A LOT OF
LUCK

DID YOU MAKE SURE TO TAKE TWO PICTURES

SO YOU CAN GIVE ONE TO ME?

IT SAYS TIK-TOK,

BUT WHERE'S THE DAMN CLOCK?

That moment when...

the music you listened to in High School is being played on "The Oldies" station.

OLD PEOPLE AT WEDDINGS ALWAYS POKE ME AND SAY "YOU'RE NEXT."

SO, I STARTED DOING THE SAME THING TO THEM AT FUNERALS.
