## THE HISTORY OF FARMER'S DAY IN ALBERTA

[www.ufa.com](http://www.ufa.com)

UFA Corporate Communications | May 24, 2018,

At one time Alberta children got to stay home from school on the second Friday in June to celebrate Farmer's Day.

Kevin Hoppins, UFA Board chairman, remembers those days fondly, but often wondered, "Why my urban classmates also got the day off school as this was Farmer's Day?"

"On our farm, having a day off of school for "Farmer's Day" meant that the crop had been seeded or that the spraying was yet to start. So this day offered a rest in between the busy farming season. As time passed I realized this significant day wasn't just for farmers— it was about the need to honour agriculture in the province," explains Hoppins.

Hoppins said that the roots of Farmer's Day in Alberta can be traced back as far as 1914, when the Roseview (near Carbon, Alberta) local chapter of UFA hosted an annual gathering called 'UFA Sunday'. The purpose was to provide local UFA members, regardless of their religious affiliations, an opportunity "to join in a religious service, as it was considered that by showing the similarity in aims of the church and the farmers' organization, good-will and co-operation would be promoted."

The idea soon spread and was adopted as a province-wide event at UFA's 1918 conference. The tradition continued for many years and in time included athletic events, speeches, sing-alongs and evening dances.

By the 1940s there were calls within the organization to expand the celebration to engage all Albertans in celebrating the contributions of farmers to the province. At the 1945 UFA Annual Convention, the co-operative passed a resolution that would fix a date "to be observed as 'Farmers' Day' in Alberta on which day our Locals shall be asked to arrange suitable functions throughout the Province designed to remind us of the importance of our industry and our Organization."

UFA then began lobbying the Alberta government for a day which recognized Alberta farmers' contributions. In 1951, Premier Ernest Manning's Social Credit Government proclaimed Friday, June 8 a school holiday to be observed as a Farmers' Holiday. For many years, the Alberta government would continue to proclaim one Friday in June to be a school holiday in recognition of farmers.

In 1975, the Alberta School Act was amended to allow school boards an option to declare a Farmers' Day school holiday on the second Friday of June in any year. This amendment remains part of the School Act to this day. In 2010, UFA Co-operative Limited revived the tradition of celebrating Farmer's Day at our UFA Farm and Ranch Supply Stores and Petroleum Agencies, honouring Alberta's agricultural producers, families and members of rural communities with picnics, games and music.

Thank you to the Cooperators, ATB Breton, Breton IDA, Breton Municipal Library and the Breton Historical Society for hosting and helping to celebrate the Older Adults in our community last week. We hope that all of you felt special and know how much you are appreciated.

Congratulations to the Breton Agricultural Society on their 40th Anniversary! This is one of the most active Volunteer groups in our community. Over the years the membership has been comprised of community members that are actively farming and ranching and members who live in our community that wish to support rural life. They are of all ages and backgrounds but the one thing that is common among them is their sense of COMMUNITY! Thank you to each and everyone of you who has been a member in the last 40 years. You truly have made a difference to our community and quality of life!

**Community Information Night - Celebrate Breton & Chili Cook Off** - Tuesday September 24 2024. This will be a time for community members to plan their fall activities, volunteer commitments and know of all the services available in and around our community, along with learning about the great businesses we have in our area. Breton FCSS will be coordinating this evening. We are adding a twist to this year's event and inviting any groups / businesses that would like to be a part of a Chili Cook Off. The Cook Off will be organized by the Breton Agricultural Society. Save the date and plan to join us that evening. More details will follow.

This evening is designed to do the following:

- \* To give your agency / organization the opportunity to let the community know who you are and what services and/or purpose you give to the community and surrounding area.
- \* If you hold a registration night for your group this could be done at the same time.
- \* If your agency is in need of recruiting new members or volunteers this would be a time for community members to see what groups are operating and decide where they would like to commit some of their time.
- \* Promote your business or services that you provide to the area. Use it for staff recruitment.

More details for the Chili Cook Off and Information night coming soon. We look forward to showcasing all of the great businesses, groups and opportunities that evening along with the Cook Off being judged by the community members attending.

# FRIDAY NIGHT FAMILY FUN

*Submitted by the Breton Ag Society*

The Breton Agricultural Society would like to invite you and your family to a fun evening out.

On Friday June 14 at 5:30 p.m. at the Breton Community Centre, we will be holding a "Pay What You Can" hamburger/hotdog meal with all the fixings to celebrate the Ag Societies 40th Anniversary. Supper will be followed by prizes for the Best Dressed 1984 themed costumes. Once the judging is complete and the cake is devoured, we will dance the night away with a DJ and celebrate with our neighbors and friends. There will be a cash bar on location and is looking to be a fabulous evening.

A "Pay What You Can" meal is open to everyone regardless of your financial situation. The Breton Ag Society recognizes that not everyone can afford an evening out or even a hearty meal so, we only expect you to pay what you feel you can afford. If you can donate to cover the costs of your meal, please do so but if this is not the case please come and enjoy on us.

As with all Ag Society events we are volunteer run and are in need of help from the community members to make these events happen. If you or a family member could supply a couple hours to help us with this event in any capacity please reach out to Darren Scott @780-696-3800.

The committee would like to do a 1984 theme for the evening so if you have any memorabilia, letters, flyers or papers and are comfortable with letting us borrow them for the evening please drop them off with Bonnie at the ATB in Breton.

The evening is shaping up to be a fabulous time and we look forward to seeing everyone in their 1984 themed costumes!!!

## BRAZEAU COUNTY COUNCIL HIGHLIGHTS

### June 4, 2024 Regular Council Meeting

#### **2024 Schedule of Fees**

Council approved the 2024 Schedule of Fees, with some changes from the previous schedule:

- Brazeau County flags will now be sold at actual cost, approximately \$160
- A fire suppression trailer has been added to the rental fleet
- The damage deposit for no spray signs has been removed
- All cemetery fees associated with grave opening/closing have been eliminated

#### **AG-16 Conference Reports Policy**

Council approved the AG-16 Conference Reports Policy, which requires Agricultural Service Board members to provide a written report, to be included in the ASB meeting agenda, following attendance at a conference. The policy was forwarded to Council from the Agricultural Service Board for approval.

#### **RCMP Update**

Staff Sergeant Dwayne Moore of the Breton Detachment and Sergeant Ryan Hoetmer of the Drayton Valley Detachment presented detachment updates.

In Drayton Valley, there has been a 30% increase in total Criminal Code offenses for the period of January to March when compared to the same period in 2023, with 121 offenses this year compared to 93 in 2023.

In Breton, total Criminal Code offenses have risen 6% when comparing the January to March 2024 time period to the same period in 2023, with 161 offenses in 2024, compared to 152 last year.

**Director of Emergency Management** Council welcomed Emergency Management Coordinator Ryan Barbazuk, who will act as the Director of Emergency Management in an emergency situation, and will provide leadership and training for County staff.

#### **Warburg Seed Cleaning Plant**

Warburg Seed Cleaning Plant manager Tom Luethi and board member Dale Sheeps gave a presentation to Council on the operation of the plant and the importance of local agriculture.

# WIZARD OF OZ

*Submitted by Russell Hickman*

It took a village, two actually, but Miss Joanne's youth theatre company production of The Wizard of Oz presented two shows Saturday on the Pembina Stage. Youth performers from Breton and Drayton Valley formed two casts for two shows at the Eleanor Pickup Performing Arts Centre. The colourful sets, costumes, dramatic sound and light effects and talented players brought to vivid life Baum's story of a Kansas farm girl swept into the world of Oz. Sparkling performances by Becca Janke and Jaidyn Westhaver as Dorothy led the way for great performances by both casts.

Producer Joanne Nelson credited her performers and crew for the success. "What an awesome, two shows, both groups did an amazing job. The set, sound effects, costumes and lights all came together after months of rehearsals. Major congratulations to director

*Jessica Doucette and, Darcy Mulroy and Liza Bell for bringing the arts for our youth into this community."*

The play begins with a blackened sky split by flashes of light, awash in rain and reverberating with thunder. Howling winds are lifting aloft barns, houses and cows momentarily revealed by the lightening. And then we meet Dorothy, and follow her quest for home. The Pembina stage is transformed from Munchkin Land to the Yellow Brick Road, to the Dark Forest, a field of Deadly Flowers and the Emerald City. Along the way she meets and befriends a Scarecrow, Tin Woodsman, and a Cowardly Lion all searching for something to make them whole. There are comic moments, sadness, fear and, of course, too cute: Munchkins, trees, deadly Flowers and even the Flying Monkeys. As Dorothy had clicked the heels of her Ruby Slippers, travelled home to Kansas and rushes into the open arms of her Auntie Em there was a teary moment, too.

Miss Joanne's Youth Theatre is starting work on a production of Fiddler On The Roof for 2025. See you in your seats!

*Pictured Left - Dorothy ( Becca Janke) leads Toto (Jordana Johnston) into the forest seeking the Wicked Witch. Miss Joanne's Production of the Wizard of Oz, directed by Jessica Doucette. Photo taken June 5, 2024 at Cast B dress rehearsal. Performance was 6 PM, June 8 on Pembina Stage, EPAC*

### AXE THE TAXES FOR SUMMER

After nine years of Justin Trudeau, Canadians are being forced to cancel their summer vacations as the Liberals' tax-and-spend agenda has made even a simple camping trip unaffordable. Parents can barely afford basic necessities, much less a summer vacation.

In the middle of this historic cost-of-living crisis, Trudeau and his NDP coalition partners decided to hike the carbon tax by 23%. This is just one step in his plan to quadruple the carbon tax over the next six years, making everything more expensive at the worst possible time. In fact, since Trudeau became Prime Minister, gas prices have surged by more than 50%.

Justin Trudeau may be able to jet set off on a \$230,000 taxpayer, luxury vacation, but most Canadians are having to scale back or cancel their summer plans after Trudeau's carbon tax made gas and groceries unaffordable.

Common Sense Conservatives are calling on Trudeau to give Canadians a summer break by axing the carbon tax, the gas tax, and GST between Victoria Day and Labour Day so families can afford a simple summer vacation. This would save Canadians \$670 over the summer.

Conservatives will axe the tax on everything for everyone in a carbon tax election, but until that can happen, Trudeau must adopt this common-sense measure to give Canadians a summer break.

# ENHANCING PUBLIC SAFETY WITH FIRE SERVICE GRANTS

June 3, 2024 Alberta News

**Alberta's government is supporting a new research initiative to gather fire services data that will help municipalities strengthen public safety in Alberta.**

Firefighters across Alberta play a critical role in the public safety of communities. Besides fighting fires, municipal firefighters provide first response to medical emergencies and other disasters, conduct search and rescue operations, and educate the public about fire safety and prevention.

Investing in services that support municipalities in strengthening public safety is a top priority for the government. Strong partnerships are key to keeping Albertans safe, which includes keeping firefighters safe. To help with that ongoing work, Alberta's government is providing grants totalling \$700,000 to municipalities and the Alberta Fire Chiefs Association (AFCA) for research and training.

It is vital that local fire services are equipped to respond safely and effectively to all emergencies, and firefighters are able to receive training in alignment with industry best practices. To ensure this, Alberta's government provides ongoing support to municipal fire services through annual grants for fire services training. A total of \$500,000 in grants through the Fire Services Training Program is provided each year to help fire departments cover costs such as fire services course fees and training materials. All municipalities, Metis Settlements, and First Nations communities in Alberta are eligible for these grants, which help prepare firefighters with the knowledge and skills they need to protect their communities.

Fire hazards, risks and responses change regularly and it is absolutely critical that local firefighters have all the information they need to be able to respond quickly, safely and efficiently. Research is needed to help local firefighting experts identify the specific data they need, the best ways to collect it, and how municipalities can use it to mitigate risks.

To accomplish this work, a one-time \$200,000 grant will help the Alberta Fire Chiefs Association to research and develop recommendations for how to strengthen provincial fire data reporting. Improving the quality of fire data reporting will put municipal leaders in a better position to make well-informed decisions about local fire services and protection strategies for their communities.

*"We are encouraged by the Alberta Government's commitment to supporting the AFCA's Fire Services*

*Data project, which involves researching a fire services data mechanism to enable data-driven decision-making. The \$200,000 grant to enhance fire data reporting is a testament to the power of collaboration between the government and fire services."* Randy Schroeder, president, Alberta Fire Chiefs Association

## Quick facts

- In Alberta, municipalities are responsible for determining local fire service levels and organization, budgets and training.
- The Alberta Fire Chiefs Association promotes, supports and facilitates fire protection and related emergency services, and advocates on behalf of fire chiefs and departments in Alberta.

# LETTERS TO THE EDITOR

To the Editor:

A letter to the editor from a Drayton Valley resident raised some concerns that he has about his tax increase this year. The following represents a small response to his questions.

He states that the Town pays \$2.27 million for RCMP services; Omniplex, \$.97 million. Please note that the County contributes approximately \$1.2 million (half the cost) to recreation; about \$1 million to RCMP; a one-time payment of about \$800,000 to the Eleanor Pickup Centre; \$100,000 to Rotary building.

The Farmer Report (of a few years ago) stated that Brazeau County donates about \$150 per person to Drayton Valley recreation, whereas the citizens in the rest of the province donate about \$37 per person in their municipalities. Come to your own conclusions. Note that facility usage numbers have never been provided

Don't be fooled by the "lack of increase" in taxes by the County. They have recently overspent their revenues by some \$35 million with the result that most (if not all) reserve accounts are virtually depleted. As a result, the number of hours for machinery and equipment has been increased by 1500 hours per machine before trade in. This, of course, will cost taxpayers extra for maintenance as well as reduced trade-in value. Benefit to the County? In addition, the UCP has since reduced the linear tax base to the County.

This writer has heard it stated that County finances are "good" because we own some gravel and have a paid-for county building. Neither of these items pay a single salary or maintain a mile of road. Here again, come to your own conclusions!

The County recently spent about \$9 million for the primary benefit of 56 people in Cynthia. Why are the rest of county taxpayers paying for their benefit? Should there not be a "local improvement tax" for those that receive the benefit. Does Drayton Valley operate the same way?

The above account does not include the benefits to the Town from the County residents spending money in Drayton Valley. In addition, remember that the County gave virtually all their businesses to the Town several years ago.

Any concerns that the writer has could be taken up with the DV Town Council.

Lynn Oberle, Brazeau County
