JANUARY 16, 1953 - NOVEMBER 15, 2023

IT IS WITH GRATEFUL HEARTS THAT WE THANK OUR EXTENDED FAMILY, FRIENDS, AND NEIGHBOURS, FOR THE OUTPOURING OF LOVE AND SUPPORT GIVEN TO US AS WE TRAVEL THE ROAD OF SADNESS AND GRIEF WITHOUT OUR ROCK DENNIS.

WHETHER, IT BE FLOWERS, CARDS, LETTERS, FOOD, VISITS, TEXT MESSAGES, HUGS, THOUGHTS OR PRAYERS, OR FACEBOOK CONDOLENCES... PLEASE KNOW ALL ARE APPRECIATED.

AS DENNIS DID NOT WANT A FORMAL FUNERAL, OUR FAMILY HAS PLANNED A PARTY, TO CELEBRATE AND REMEMBER HIM, IN OUR BACKYARD ON AUGUST 10, BEGINNING AROUND 2:00 P.M.

WE ARE PREPARING FOR A BIG CROWD, RAIN OR SHINE, SO WHETHER YOUR CONNECTION TO DENNIS IS OLD OR NEW, OR THROUGH ANOTHER FAMILY MEMBER, PLEASE ATTEND. BRING A LAWN CHAIR, AND YOUR BEVERAGE OF CHOICE. WE WILL PROVIDE LUNCH, COFFEE, TEA AND SOFT DRINKS.

AS MEMORIES ARE A GREAT COMFORT AND HEALING TOOL, WE ARE HOPING TO HEAR LOTS OF STORIES, ABOUT HOW YOU REMEMBER DENNIS. WE WILL BE ADDING THESE STORIES TO DENNIS'S TRIBUTE BOOK, SO IF YOU HAVE A STORY, WE WOULD LOVE TO HEAR IT.

PLEASE EMAIL
denniscarson972@gmail.com if you need

The Cook Off is organized by the Breton Ag Society. Save the date. More details will follow.

This evening is designed to do the following:

- * To give your agency / organization the opportunity to let the community know who you are and what services and/or purpose you give to the community and surrounding area.
- * If you hold a registration night for your group this could be done at the same time.
- * If your agency is in need of recruiting new members or volunteers this would be a time for community members to see what groups are operating and decide where they would like to commit some of their time.
- * Promote your business or services that you provide to the area. Use it for staff recruitment.

More details coming soon. We look forward to showcasing all of the great businesses, groups and opportunities that evening along with the Cook Off being judged by the community members attending.

EMPOWERING COMMUNITIES TO KEEP SENIORS SAFE

June 15, 2024 Alberta News

Four Alberta communities will receive grants to set up a Safe Spaces program to help seniors fleeing elder abuse in their region.

June 15 marks World Elder Abuse Awareness Day. Alberta's government is proud to build on its commitment to safeguard the rights and well-being of seniors by addressing elder abuse across the province.

In partnership with the Alberta Elder Abuse Awareness Council (AEAAC), Alberta's government is supporting seniors by aiding communities to implement Safe Spaces programs. These Safe Spaces will support seniors escaping elder abuse, and help them access safe and secure spaces available in seniors lodges. The provincial government is investing more than \$2 million over the next three years to ensure rural Albertans and Indigenous communities across the province can access this program.

"Elder abuse is a deeply concerning issue that affects many seniors in our province. This is an unacceptable reality we are determined to change. Elder abuse can take many forms, and our government is taking strong action to address it. The new Safe Spaces program will ensure our seniors have a safe place to go if needed." Jason Nixon, Minister of Seniors, Community and Social Services

Elder abuse can take various forms, including physical, emotional, financial and sexual abuse, as well as neglect. Elder abuse not only violates the fundamental human rights of seniors but also undermines their dignity, safety and overall quality of life.

This funding is crucial to supporting seniors who may be at risk of or experiencing abuse. Community-based organizations in Hinton, Medicine Hat, Camrose and Claresholm/Vulcan will each receive \$10,000 as part of the first round of funding for the program.

"The significance of elder abuse safe spaces cannot be overstated. These havens offer not only safety but also hope and dignity to those older adults in need of Safe Spaces. The expansion into more communities will make a significant difference in the lives of those experiencing elder abuse across the province. It underscores our collective commitment to ensuring the safety, dignity and well-being of our seniors." Lilian Omorefe – Safe Spaces navigator, AEAAC, and Joanne Blinco - executive director, AEAAC

"The Safe Spaces Grant initiative is an opportunity for government, the Alberta Elder Abuse Awareness Council and rural communities to work together to find

creative solutions to meet the needs of older adults experiencing abuse. It is an example of how open-mindedness, commitment and collaboration can result in further steps forward to address elder abuse in our province." Charlene Sitar, regional elder abuse supports navigator, Hinton

Quick Facts

- The next intake of grant applications for the Safe Spaces program will open in late June 2024.
- The number of Albertans 65 and older will reach more than one million by 2035.
- The National Initiative for the Care of the Elderly (2015) estimates nearly 10 per cent of Alberta seniors have experienced elder abuse.

Letter to the Editor, June 13, 2024

Capital Gains Tax

For nine years, Justin Trudeau has continually made life tougher for hard working Canadians.

Starting June 25:

- Capital gains inclusion rate increases from 50% to 66.67% for individuals earning more than \$250,000 in capital gains in a year;
- All capital gains generated through a corporation will be subject to the 66.67% inclusion rate, and
- Lifetime capital gains exemption for eligible property will increase from \$1,016,836 to \$1,250,000.

This is simply a job-killing tax on health care, home building, small businesses, and farmers in order to pay for their uncontrolled inflationary spending.

Conservatives were the only party that voted against this Liberal capital gains tax hike. Why? Because the hike would only make our productivity, home building and doctor shortages worse. I ask, what other last-minute surprise tax hikes will this Liberal government bring forward? Who will pay for this tax? Firstly, people who have one-time sales or disposal of long-term assets, like a grandmother trying to give some of her farmland to her children for homes. Secondly, 300,000 businesses, and indirectly, their workers will pay this tax hike.

Conservatives will make hard work pay again and incentivize production in Canada with a 'Bring it Home' tax cut that will:

- Bring home production and paycheques, by making Canada the best place to invest, hire and make things.
- Bring home fairness by reducing the share of taxes paid by the poor and middle class while cutting tax-funded corporate welfare and cracking down on overseas tax havens.
- Cutting the paperwork and bureaucracy in the tax system by at least 20%.

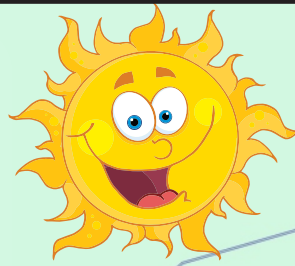

To fix what Justin Trudeau broke, Canada needs to overhaul the system to make taxes low, simple, and fair. Raising taxes to generate revenue is not the answer. This Liberal government needs to STOP its uncontrollable spending. Conservatives will not punish Canadians for their hard work but rather reward them for their success.

LETTERS TO THE EDITOR

THE CLOSING OF THE WINFIELD COMMUNITY HEALTHCARE CENTRE!

Dear Editor.

AHS is planning to close the Winfield Community Healthcare Centre permanently at the end of June. This office is a very vital service in Winfield and the large service area it serves! It provides home care services to approximately 110 clients, immunizations, dressing changes, water testing drop off, occupational therapy services, physical therapy services, etc. This office is of great importance, not only for the health services it provides, but also as an attractive reason for people looking for a retirement home! I have talked with some people that have recently moved to our community and they said the Healthcare Office was one of the reasons they chose Winfield. Also the in-house clients shop in our community. If they close this office and transfer clients to other communities we will lose that customer base that is vital to keep our local businesses viable.

We have a petition with 1800+ signatures that I have been trying to get an appointment with MLA Jason Nixon, to deliver and have some discussion with on this issue! But it's like he has no interest in meeting with me on this matter! Many phone calls and emails later to him, all to no avail! It's just like he's waiting till it's too late! Then I guess he can say sorry folks, nothing I can do now! That is not what we expect out of the MLA that was voted in and is paid to represent us, the constituents! This is totally unacceptable representation for us from him!

If he is going to give me the chance to deliver our petition and have a discussion on this matter it will need to be soon!

A very frustrated and disappointed
