

THE BRETON BOOSTER

IS IT TIME FOR YOUR MAMMOGRAM?

**Screen Test is coming to Drayton
Valley September 27 to October 7 &
Breton October 8 & 9, 2024**

Screen Test is a free service provided by Alberta Health Services that offers screening mammograms. Our mobile screening units travel to 120 communities throughout Alberta to provide convenient access to breast cancer screening.

Having regular screening mammograms is the best way to find breast cancer early, before symptoms appear and when treatment may work better.

Who should have a screening mammogram?

If you're 45 to 74, you don't need a referral to have a mammogram. Make screening part of your regular health routine. Plan to have a mammogram every 2 years or as decided by you and your healthcare provider.

If you're 40 to 44 or over 75, discuss the risks and benefits of screening with your healthcare provider. You will need a referral if you're 40 to 44 and it's your first mammogram, or if you're over 75.

**Call 1-800-667-0604 (toll-free to
book a mammogram with Screen
Test.**

Breast density scores are now included in your Screen Test result letter

Breast density is the amount of dense tissue compared to the amount of fat in a person's breasts. It can be harder to find cancer in dense breasts because this tissue appears white on a mammogram, the same colour as many kinds of breast cancer. It's common to have dense breast tissue.

Dense breasts are only one of many risk factors for breast cancer. Other factors, such as age and genetics, have a bigger impact on your overall risk. You can't tell how dense your breasts are by size, look or feel. The

only way to find out is by having a mammogram.

Talk to your healthcare provider about your breast density score and your personal risk of breast cancer. Learn more about breast density on screeningforlife.ca

TRUTH & RECONCILIATION

Each year, September 30 marks the National Day for Truth and Reconciliation.

The day honours the children who never returned home and Survivors of residential schools, as well as their families and communities. Public commemoration of the tragic and painful history and ongoing impacts of residential schools is a vital component of the reconciliation process.

Wear orange

Both the National Day for Truth and Reconciliation and Orange Shirt Day take place on September 30.

Orange Shirt Day is an Indigenous-led grassroots commemorative day intended to raise awareness of the individual, family and community inter-generational impacts of residential schools, and to promote the concept of "Every Child Matters". The orange shirt is a symbol of the stripping away of culture, freedom and self-esteem experienced by Indigenous children over generations.

*On September 30, we
encourage all
Canadians to wear
orange to honour the
thousands of
Survivors of
residential schools.*

BRAZEAU COUNTY COUNCIL HIGHLIGHTS

September 17, Regular Council Meeting

Members At Large

Council amended the Procedural Bylaw to remove the reference to members at large on Council committees serving only one-year terms.

Council also approved a At Large Appointee Selection Guidelines Policy, which provides guidelines to promote fairness in divisional representation of well qualified members-at-large.

It also invites interested applicants to an open house prior to the Organizational meeting, which is an opportunity for applicants to introduce themselves to Council and learn about the commitments and requirements of the various boards.

The open house will be held at the County Administration Building from 7 p.m. to 9 p.m. on October 1st. The Organizational meeting will be held on October 22nd.

AltaLink

Colin Harvey and Brendan Pan from AltaLink discussed their emergency response initiative, including monitoring, public communication, and mitigation for emergencies, particularly wildfires.

Central Alberta Economic Partnership

Administration to purchase an associate membership for the Central Alberta Economic Partnership under the Western Economic Corridor in the amount of \$500. The partnership provides resources for business retention, expansion and investment for member municipalities.

Provincial Lobbying

Council will lobby the provincial government to address the shortage of doctors in the community, as well as emergency room closures at the Drayton Valley Hospital, as well as asking the province to reduce unreasonable certification requirements for small food banks.

For detailed information on Council meetings, including current minutes, please visit www.brazeau.ab.ca. Please direct inquiries to the office of the CAO at cscharfl@brazeau.ab.ca or 780-542-7777.
