CONGRATS U-11-2 LEAGUE CHAMPS

submitted by Jenna Verhun

The West 39 Bucks U11-2 team won their CAHL League Championship on Sunday. They faced the Camrose Vikings in the final round of playoffs in a two game total point series. The Bucks won the first game in Thorsby on Saturday 2-1 and clinched the banner on Sunday with a definitive 8-2 win in Camrose.

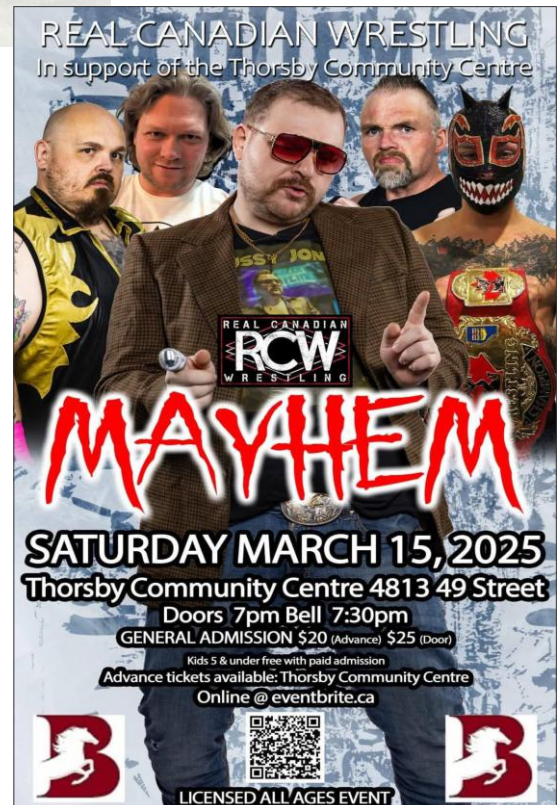

FLOOR HOCKEY FUN

submitted by Ms Olsen, TES, Grade 1

The Thorsby Sabres Grade 3/4 Girls Floor Hockey team played their hearts out in a Black Gold division tournament on March 7&8. They won 2 games, tied 1 and lost their final game by 1! Their coach, Ms. Olsen was very proud of their hard work, dedication and fantastic sportsmanship! Way to go Sabres!

2025 ANNUAL THORSBY HAYMAKER RODEO

MAY 24 & 25, 2025

Howdy Folks!

The Thorsby Haymaker Rodeo Association would like to take this time to invite you and your company to participate as a sponsor in the upcoming Thorsby Haymaker Rodeo that will be held on May 24 & 25, 2025.

Our energetic committee has been working hard behind the scenes to coordinate the contractor, the cowboys, and the stock to provide you with yet another exciting rodeo! Without the help of our volunteers and sponsor support, Rodeo would not be what it is today.

We ask that you take the time to peruse the attached Sponsorship Selections sheet. If there is no selection which meets your needs, please contact us.

If you have chosen to become a sponsor, your company name will appear in our Rodeo program, around the inside of the arena and will be announced throughout the Rodeo weekend.

We would like to thank you for taking the time to participate in our rodeo, both in sponsorship and support!

Sincerely,

Thorsby Ag Society

Importance of drinking water

Do you have a drinking problem? Well, if you're serious about losing fat, you really should get sloshed. What's on tap? Water!

If you are not downing 8-10 glasses of water per day, you could be dampening your weight-loss efforts. Without water your body can't metabolize stored fat efficiently. In fact, even mild dehydration can slow your metabolism by 3%. If you weigh 150 pounds, that's 45 fewer calories burned each day, and over the course of a year, that 45 calories can amount to five pounds of stubborn fat strapped to your middle.

Bartender! Gimme a double shot of H 2 O -on the rocks! Water is the ultimate liquid asset, making up more than 50% of our bodies. It regulates body temperature, keeps blood volume up, carries nutrients and oxygen to the cells, promotes proper digestion, tones muscles, and gets rid of toxins.

Imagine! Drink like a fish and detox at the same time! Plus, water is energizing, and that makes you want to move. When you're dehydrated, you feel sluggish and tired, which usually sends you to the cookie jar. A water shortage makes the body cling to every last drop, and that shows up as swollen feet, legs, hands, and eyelids, inflating your weight by as much as 5 to 15 pounds! Ironically, you should drink more water, not less, to beat the bloat. So, sneak in some extra H 2 O whenever you can.

Drink socially! Drink alone! Drink heavily! Join a 12-sip program!

LESS RED TAPE, MORE FREEDOMS FOR ALBERTA'S CHARITIES

Alberta News, March 10, 2025

Charities in Alberta will now have more flexibility on how they can spend the money they earn from licensed gaming activities.

Alberta's government is cutting red tape for Alberta's charities by introducing changes that give charitable groups much broader discretion in determining how gaming proceeds are used to support their programs and services. This opens up more options for how charities can spend their gaming revenue on delivering services, without delays or the need for additional approvals, so that they can better support Albertans.

The updates shift the focus of AGLC policy to the types of activities and programming a charity can use their gaming revenue for, rather than based on their organization type. The policy amendments will appear in Alberta Gaming, Liquor and Cannabis' (AGLC) Charitable Gaming Policies Handbook and will come into effect April 1, 2025.

"Alberta's unique charitable gaming model supports over 23,000 charities in their work every year. The added flexibility in how charitable groups can use their earnings will help them continue to make a real difference for Albertans and communities throughout our province."
Kandice Machado, CEO, AGLC

Bigger thresholds for approvals, wider discretion for expenses

AGLC has added a wide range of proceeds categories, and raised thresholds for spending before approvals are required, giving charities wide discretion in determining eligible expenses. Examples include:

- Groups can retain proceeds up to \$50,000 without AGLC approval (previously \$10,000).
- Charitable groups can now use \$100,000 of gaming proceeds to conduct community events without AGLC approval.
- The limit for administrative expenses has increased to 30 per cent from 20 per cent.
- Approvals for all travel have been eliminated.
- The limit for facility renovations and leasehold improvements without approval has been increased to \$100,000 from \$50,000.

Quick Facts

- Alberta is the only province that licenses charities to conduct and manage casino events that support charitable organizations.
- Alberta's charitable gaming model gives eligible

charitable and religious groups the opportunity to directly benefit from the proceeds (revenue less expense) of casino, bingo, pull-tickets, and raffle events.

- In 2023-24, charitable organizations earned more than \$409 million in proceeds through charitable gaming events, with \$79 million raised by Host First Nation charities.
- In 2023-24, AGLC provided 3,462 charity licenses for casino events with charities earning \$276.9 million.
- In 2023-24, more than \$1.5 billion in net gaming revenue was allocated to the province's General Revenue Fund.

STABLE, RELIABLE FUNDING FOR MUNICIPALITIES

Alberta News, March 6, 2025

Budget 2025 strengthens stable and reliable funding for municipalities by covering tax exemptions for provincially owned property.

Alberta's population is growing rapidly, and there are more people relying on their municipality to deliver essential services such as roadwork, snow clearing and transit than ever before. Being able to meet the needs of the province's rapidly growing population is a top priority for Alberta's government and this work begins with ensuring municipalities are well-positioned to support their residents.

To strengthen municipalities' position in accommodating the needs of Alberta's rapidly growing population, Budget 2025, if passed, increases Grants in Place of Taxes (GIPOT) by more than \$17 million in 2025. This increase in GIPOT will provide municipalities with a stable and reliable source of funding to help them deliver the essential services which their residents depend on.

"We heard clearly from municipalities that they need more stable funding to deliver local services effectively while avoiding property tax increases. Boosting GIPOT shows how our government is doing its part to help our municipal partners fund the municipal services their residents rely on." Ric McIver, Minister of Municipal Affairs

"Municipalities across Alberta will get more funding from the province as part of this change. It means stable and reliable funding to provide services, while their residents pay less in income taxes thanks to Budget 2025." Nate Horner, President of Treasury Board and Minister of Finance

As with all provinces in Canada, eligible properties belonging to provincial governments are exempt from municipal taxes. To account for this, municipalities in Alberta are paid a discretionary grant, rather than taxes, that would be applicable to provincial properties within their boundaries. These grants provide municipalities with a stable and reliable source of revenue that they can rely on while developing municipal budgets and allocating funding to municipal services and programs.

Through Budget 2025, funding for GIPOT is increasing from \$38 million to more than \$55 million, covering 75 per cent of the municipal property tax value of eligible

provincial properties in 2025. In 2026, GIPOT will increase again to cover 100 per cent of the amount that would be paid if the properties were taxable, raising the total amount of funding for municipalities to be projected at over \$75 million.

"The Rural Municipalities of Alberta appreciates the Government of Alberta's increase in Grants in Place of Taxes in Budget 2025 and a commitment to fully restore funding in 2026-2027. It's essential that the province works in partnership with all municipalities to ensure that they have the resources to deliver the essential services their residents and business communities rely on." Kara Westerlund, president, Rural Municipalities of Alberta

Budget 2025 is meeting the challenge faced by Alberta with continued investments in education and health, lower taxes for families and a focus on the economy.

Quick Facts

- GIPOT is paid to 167 municipalities across the province in urban and rural areas for provincially-owned properties such as the Alberta Legislature building, remand centres, court houses and other provincial administration buildings.
- GIPOT total funding amount:
 - 2025: \$55.3 million
 - 2026: \$75.3 million (projected)
 - 2027: \$79.3 million (projected)
