Judith (Armstrong) Goodkey

September 27, 1941 - May 20, 2025

Judy was born at Elnora, Alberta on September 27, 1941 and passed away at home on May 20, 2025.

Judy grew up in the Three Hills, Alberta area and was the second youngest of 7 children. She met Don while working at a café in Faraway, AB - he was working oilfield construction and would come into the café for dinner. They married in December 1958 and eventually settled on their farm west of Winfield. Judy stayed at home with the kids and helped out on the farm, even getting on the tractor and raking hay. In 1979, she began her career as a school librarian, and later on, secretary at Winfield School until her retirement in 2007. Judy was an active member of the Winfield Community, volunteering her time with the Winfield Ag. Society, the West Pine Lodge and the Conroy Club where she had close relationships with many of the ladies involved.

Judy leaves to mourn her passing, sons, Dean (Glenda), Donnie (Ellen); daughter, Crystal (Kevin); 6 grandchildren, Clancy (Jocelyne), Ethan (Sarah), Cale (Mikala), Kaitlyn (Kirt), Chantelle (Braydon), Josee (Cam); 8 great-grandchildren, Atticus, Bodhi, Callum, River, Xander, Cirilla, Beau, Paislee; siblings, Rita Clare, Bill Armstrong, Gary Armstrong; as well as nieces, nephews, cousins, and extended family and friends.

Judy was predeceased by her husband of 62 years, Don; parents, Maxine and Thomas Armstrong; step-father, Ron Minks; brothers, Pat and Bud Armstrong; sister, Janet Gregor; and great-grandson, Theo Goodkey.

There will be a private family gathering at her request.

In memory of Judy, donations may be made to Warming Hearts (Box 6826, Drayton Valley, AB T7A 1S2) or Winfield Community Library (Box 360 Winfield, AB T0C 2X0)

MEDIA RELEASE

Inaugural Purple Lights Gala to Illuminate Drayton Valley with Purpose, Community, and Celebration

Drayton Valley, AB — The **Pembina Crisis Connection Society (PCCS)** is thrilled to announce the **first-ever Purple Lights Gala**, taking place on **Saturday, November 1, 2025**, from **5:30 PM to midnight** at the **MacKenzie Centre** in Drayton Valley. This powerful community event blends elegance, entertainment, and advocacy to raise crucial funds in support of individuals impacted by all types of family violence (domestic, gender-based, and intimate-partner violence).

The Gala is part of the broader Purple Lights Campaign, an annual initiative that encourages Drayton Valley residents and businesses to light up the town in purple every November—honouring survivors, remembering victims, and shedding light on often-hidden issues of family violence.

An Evening to Remember

Hosted by beloved local broadcaster Chris Scheetz, the night promises a high-energy mix of fun and philanthropy, featuring:

- A delicious **buffet dinner** and **fully stocked bar**
- **Live auction** featuring an exciting selection of prizes and experiences
- A lively **fun money casino** with blackjack, roulette, craps, baccarat, and more
- **Live DJ** for dancing the night away
- **4 curated tasting booths** spotlighting fine whiskey, gin, and even moonshine
- Appearances from the **Rodeo Queen** and **local celebrity guests**

Tickets are **\$125 per person** or **\$950 for a table of 8**, offering an unforgettable evening in support of a vital cause.

Get Involved

To **purchase tickets** or **discuss sponsorship opportunities**, please contact:

Lighting the Way Forward

Alberta consistently ranks among the highest provinces in Canada for IPV, and communities like Drayton Valley are taking a stand. Proceeds from the Gala will go directly toward **education, prevention, and support programs** provided by PCCS—including safety planning, crisis response, and partnerships with local shelters.

As PCCS Program Director Trisha Howes puts it, *“The purple lights are more than just a symbol—they represent a beacon of hope. The Gala is an extension of that light, reminding us all of the power of unity, compassion, and action.”*

Join us for a night of purpose and celebration. Dress up, show up, and help us light up the future. And show your support by wearing something purple (totally optional, of course).

We want your local stories & pictures!

NEXT STOP FOR FREE TRADE: ONTARIO!

Alberta News, June 1, 2025

Premiers Smith and Ford have inked a new agreement to cooperate on opening up trade between the provinces and advance shared priorities within the Canadian federation.

Premier Danielle Smith and Ontario Premier Doug Ford signed the memorandum of understanding (MOU) while in Saskatoon, Saskatchewan for a meeting of Canada's First Ministers June 1 to 2.

The agreement will see Alberta and Ontario partner to improve the free flow of goods and services between the two provinces. It will also simplify requirements for regulated professions such as skilled trades, making it easier and faster for professionals to work across provincial borders. In addition, the agreement will allow direct-to-consumer sales of Ontario-made and Alberta-made alcohol between the provinces.

Through the MOU, Alberta also welcomes the possibility of working with Ontario and signatories of the New West Partnership Trade Agreement (NWPTA) to explore the potential of welcoming Ontario to into the agreement's fold. The NWPTA has been foundational to improving the movement of goods, services, investment and workers between Alberta, British Columbia, Saskatchewan and Manitoba for the past 15 years and counting.

"Together, Alberta and Ontario are taking a big step toward a more open, competitive, and united economy. This agreement is about getting results, making it easier for people to work, do business, and grow across provincial lines. It's time to stop letting outdated rules hold us back and show Canadians what real economic leadership looks like." Danielle Smith, Premier

"With President Trump threatening our economy, there's never been a more important time to boost internal trade and cooperation between provinces. By agreements like this and working together, we're helping Canada unlock up to \$200 billion in economic potential and standing shoulder to shoulder to protect the future of Canadian workers across the country, not just in Ontario." Doug Ford, Premier of Ontario

The MOU is based on the key principles of opening up Canada's economy to respond to pressures from tariffs and other protectionist measures that are threatening Canadian workers and businesses. Alberta and Ontario are fully committed to improving Canada's economic performance and advocating for the federal government to address the underlying conditions necessary to strengthen Canada's economy and diversifying its markets, including repealing or amending the Impact

Assessment Act, Oil Tanker Moratorium Act, Clean Electricity Regulations and the proposed Oil and Gas Sector Greenhouse Gas Emissions Cap Regulations.

A First Ministers' Meeting is a gathering of the Prime Minister and provincial and territorial premiers. These meetings are called by the Prime Minister on an as-needed basis to discuss issues of national importance and concern.

Quick facts:

- Alberta is a leader in removing barriers to internal trade, labour mobility and investment across Canada.
- Alberta's commitment to remove its party-specific exceptions to the Canada Free Trade Agreement (CFTA) has helped facilitate even greater access to the Alberta market for Canadian companies in the areas of government tenders, Crown land acquisition, liquor, energy, forest products and more.
- In 2019, Alberta:
 - Removed 21 of its original 27 exceptions, including all procurement exceptions, representing 80 per cent of Alberta's exceptions under the CFTA at the time.
 - Narrowed the scope of two of its retained exceptions to enhance Alberta's open and competitive liquor market and better reflect the regulatory framework for Alberta's forestry sector.
- Alberta only has eight remaining CFTA exceptions, which are in place for essential regulatory and safety purposes, which include:
 - Two exceptions for alcohol regulation in the province under Alberta Gaming, Liquor and Cannabis;
 - Two exceptions for preserving the regulatory framework for Alberta's forestry sector;
 - One exception that allows Alberta to properly manage and collect royalties in its upstream energy and minerals sector;
 - One exception for the management and disposal of hazardous materials; and
 - Two new exceptions that were added in 2024 to allow for the management of legalized cannabis.

Laurie's Laughs

In Memory of

An elderly couple walked by me holding hands and as they did, I told the gentleman to have her home by 10, with a smile and a wink...😏

The elderly man stopped in his tracks and without missing a beat said, with a returned smile and wink:

"Don't worry, I will. Her husband comes back home at 11."😏

When you're over 50 and the doctor tells you to put on ice where it hurts the most.

Most people are at the age where they are using their phones to document the good times in their lives.

I am at the age where I use my phone to take pictures of labels that I can't read and use my phone to enlarge the print so that I can read it.

So... What do you plan on growing this year?

Older and crankier

WHEN OLD PEOPLE SAY "ENJOY THEM WHILE THEY'RE YOUNG" THEY ARE TALKING ABOUT YOUR HIPS AND KNEES... NOT YOUR KIDS.
